President's Report

The Club's management submits for your consideration and adoption the 2011 Annual Report including financial statements, covering the Club's activities in 2011.

On behalf of the Club's Committee, the Randwick Rugby Council, I am pleased to furnish my President's Report for the season.

The Committee has worked hard to represent the Club and its members. There is no doubt that we are in a building phase in a competition that presents many obstacles and challenges for the club rugby environment. I am pleased to report that the Committee, coaches and management have met these challenges with vigor and determination.

I am proud that the Club made the Semi-Finals in all Grades. Further to this foundations were laid to protect the Club's future in terms of fundraising and future planning while we also achieved solid results in terms of attracting and recruiting new talent to take Randwick into the future.

To Craig Morrison and his coaching staff I extend our gratitude for their dedication to the players and their development. We demonstrated, particularly at the back end of the season, that the Club can play with great spirit the type of Rugby for which Randwick has become famous all around the world.

I would also like to thank Tony Lewis for the creative energy he brings to his many tasks as General Manager. Our gratitude goes also to all the managers, volunteers and supporters without whom the presentation of our games simply would not meet the high standards expected from a first division club.

So on to season 2012 and the excitement of our season launch. We have made some innovative changes to our Football department to take our Club into the next phase of Australian Rugby. New coaching structures, new methods of recruitment and the reintroduction of some of the Randwick greats will see Randwick seriously contest the Club Championships and the Grade Premierships.

Later in this Annual Report you will read about our Colts and Juniors of 2011 and come to appreciate the clear and unequivocal message of well-founded optimism that emerges from both camps. With additional help and encouragement from Senior Club players and officials, the vision of these younger members and their coaches and managers may become a reality. The attendance of Seniors at the matches and training sessions of Colts and Juniors never goes unnoticed. I ask that you give them your support.

Moreover, it is pivotal to the future success of our Club that each each player and representative is given every possible assistance in improving their game. At Randwick this does not merely mean learning the skills of rugby, but rather coming to a clearer understanding of that unique brand of the game known as Randwick Rugby.

To success in 2012!

Warm regards,
Anthony Bell

General Managers Report

The Randwick Rugby Club enjoyed an interesting year in 2011 with impressive individual and team performances at different times throughout the season complementing the vision of the Randwick Rugby Council under the leadership of Anthony Bell.

The Rugby Club enjoyed a season on the pitch where six teams made the Semi-Finals. Unfortunately no Randwick Rugby team made a Grand Final and that is how we measure success.

The Club celebrated the achievements of the 2011 Colts program under the leadership of Jayson Brewer; management of Michael Radziowsky and Keith Holmes and coaching team led by Jon Delaney and his staff. The First Grade Colts team was cruelly robbed of a famous victory in the Semi-Final against Sydney University who were on the rack. We also celebrated an incredible year by Third Grade Colts who made it to the Semi-Finals by not losing a game in the second round. Unfortunately they lost to Manly in the Semi-Final but we must acknowledge the players and coaches Emanuel Kaissis, Tony Palmier and Briant Kareroa on a great job done.

In 2011 Randwick Rugby entered a team in the Meldrum Cup - "Subbies" rugby. The team, after a difficult start to the season, finished second in the competition. After bizarre circumstances the team was demoted to fifth and bundled out in the Semi-Final. The Fifth Grade competition proved to be a master stroke because it enabled the Club to have depth when injuries hit later in the season. Players and coaches Bill Davies and Ray Jennings are to be congratulated on the season's effort.

Randwick Rugby again enjoyed huge representative success. The success of this group was capped off with Kurtley Beale winning the coveted John Eales medal. The Club also celebrated Matt Giteau becoming a 'Gallop Green'; his appearance was crucial to First Grade making the top six, his two passes against Norths, which resulted in tries to Ethan Ford, were brilliant. The Club also enjoyed seeing one of its favourite sons, Sekope Kepu, dominate both at Super 15 level and for Australia. He is a great Club man and was the Randwick Rugby's Most Valuable Player in 2010. The return of our star recruiting tool Drew Mitchell to the playing field was another highlight.

In the 2011 NSW Junior Rugby State Championships Randwick teams performed with exceptional results. The under 12s were crowned State Champions, the under 11s lost the Semi-Final by the narrowest of margins and both under 10 teams were very successful. The under 14, 15 and 16 teams all performed above expectations. The Coogee faithful enjoyed watching the Village Clubs play curtain raisers to the First Grade team throughout the season especially the exhilarating U12 Coogee White vs South Coogee final.

The Randwick Rugby Club had a number of events throughout 2011 but two that spring to mind which reflect the Randwick Rugby spirit were the 1971, 1981 and 1991 reunions and the Life Members medal presentation. They were both excellent and memorable events and it was great to see so many past players and valued contributors back at the Club. Bob Outterside was a driving force of these two events.

In 2011 the Randwick Rugby Club, with the support of Club benefactor Jon Collins, employed Jim Dubos as Development Officer. This enabled the Club to support junior rugby development in local schools via coaching programs and school-specific gala days. We were able to ensure our junior program had focus and a point of contact. Feedback from the initiatives has been very positive.

It has been an interesting year financially for the Randwick Rugby Club, with the continued global economic crisis taking its toll on sponsorship for 2011. We have been fortunate to off-set this through different revenue streams through the following:-

1. Gate revenue increased by 30% of budget in 2011
2. Events - the 'Hall of Fame' lunch which was 25% of revenue
3. New sponsors e.g. Girvan Waugh, Vachie, Body Science, Salmat, Royal Randwick Fruit Market and MLC Advice Randwick
4. 100% player subs paid in 2011
5. Strong financial management

I take this opportunity to express my sincerest gratitude to our many sponsors and partners. Your support is never taken for granted and we look forward to working with you all to grow Randwick Rugby well into the future. The Randwick Rugby Club is indebted to its sponsors and 2011 was no different. Without the support of Peter's of Kensington, Girvan Waugh, Body Science, AllightSykes, Royal Randwick Fruit Market, Sydney City Motor Group, NG Farah, Taylor Woodings, MLC Advice Randwick, Cartwright Insurance, Divcall, Grinners Catering, Vachie Teamwear, Coogee Café, Eastside Physiotherapy, Wireless2Way, Salmat, Beirsdorf, Walsh's Pharmacy, Pattons, ATF and Computer Associates we would not only struggle to survive but the opportunity to promote the game of rugby within the Randwick area would be severely diminished.

We also thank all of our other valued supporters and suppliers who assist us to provide the best possible variety of rugby programs.

The other positive aspect of marketing in 2011 at Randwick Rugby was the further development of the web page www.randwickrugby.com.au as a communication tool for our members. The number of Randwick Rugby hits in September alone is 645,000 on the web side and 22,000 dedicated visits to the web site. This is an increase of 300% this year. The highlight is August where we had 30,000 dedicated visits and 864,000 hits. The flow of information via the much anticipated weekly newsletter which included match reports, coaches comments, news stories, photo gallery etc meant that the web page was the first point of call for general public, media, our members, supporters and players. The new Twitter medium has also been a popular communication source to the followers and players.

May I take this opportunity to thank the Randwick Rugby Council and, in particular, President Anthony Bell, Treasurer Quentin Olde, Michael Jorgensen, Doug Eggins, Warwick Waugh and Simon Poidevin for their continued support and guidance. I would like to thank this group for their efforts in supporting the concept of the Randwick Rugby Hall of Fame lunch. The success of this day is due to the drive of this group in selling the event to corporate Sydney. The day is a huge bonus for the Club's profile and the ability to put on such an event again displays our creative energy.

In addition, I sincerely thank all the staff at Randwick Rugby and the many volunteers throughout the Club who have put in so much effort over the past twelve months especially the match day assistants Doug Eggins, Steve Holton, Tim Burgess, Richard Brincat and their leader Michael Lewis. I would like to thank all the coaches under the guidance of Club Coach Craig Morrison; the trainers, doctors, strappers, physiotherapistss and volunteers. It would be remiss of me not to mention the exceptional work of Clarissa Luxford who has assisted in the development of the web page and been key to our weekly newsletter - thank you.

Finally, the most important group - the players. Under the leadership of Chris Barron, Peter Wright and Club Captain Tom Weber no task was a problem. The effort by this leadership group to assist in ensuring payment of player subscriptions was appreciated by the Club. I look forward to assisting this group in 2012 with a club tour and fundraising.

There is no club without the players. Without your presence we don't have a rugby club. For your efforts and enthusiasm I am truly grateful.

It has been a difficult year on the pitch for a Club accustomed to success - my advice is that in times like this we pull together, support the decisions made and move forward.

Club Coach Report

I would like to congratulate the players, coaches and managers for all their hours of time, effort, dedication and training that led to six out of our seven Grade and Colts sides playing in the Semi-Final in 2011, along with Fifth Grade who contested the playoffs in the Meldrum Cup.

With a real focus on building for the future through our Colts program, the preseason included a training camp at Kincumber with 35 targeted players from Grade and Colts in attendance, along with the First and Second Grade and Colts coaches. This flowed into the pre-season where we did a lot of our work on and around Coogee Beach both mid-week with Rob Derbyshire and Andrew James' special Saturday morning beach sessions. Terry McMahon was always on hand to encourage the boys up the stairs at South Coogee and through the water at Clovelly. The benefits could be seen immediately with Colts 1 leading the ladder after eight rounds of competition and every side in the Club once again in Semi-Final contention.

For our top four Grade sides to make the Semi-Finals again this season was a great effort that only one other Club could equal and should not be undervalued. Given the injury toll on the Club and the unavailability of rep players with no fewer than 15 regular First Graders either on rep duty or injured during the finals and throughout the season. The flow-on effect of this is obvious and Second, Third and Fourth Grade were unable to field a similar side for the entire second round, which impacted on training. The coaches and players worked hard to make up for these disruptions with First Grade notching up our first win over Easts in more than two seasons in the Elimination Semi-Final and let's not forget the turnaround that Second Grade performed on Manly the same weekend. Third Grade was close to the top of the ladder virtually all season and Fourth Grade stormed into the finals when they had been looking doubtful with six matches to play. Fifth Grade did a great job making the play-offs of the Meldrum Cup, but was again overrun by injuries at finals time.

Our motto "Whole Club approach" struck a chord with the Colts this season with our best results for many years in the U21s. With First and Third Grade getting through to the Semi-Final and Second Colts in contention for much of the season, Jayson Brewer (Colts Coordinator) and the coaches and managers are to be congratulated. The success this year is a shining light and highlights where the Club's future success must lie. They are an investment in our future and the focus on Colts recruitment this year has been repaid by the performance of the players and the efforts of the coaches and managers.

Likewise, we have enjoyed success again at the junior level this year with the U12s taking out the State Championships whilst the U11s lost only one match narrowly to Manly who went on to win the tournament comfortably. The U10s were able to field two sides which is great for the future strength in this age group, with the U13s and U14s finishing second in their respective pools. We also fielded sides in the U15s and U16s and we all look forward to seeing these guys playing Colts in a few more years. Like the Colts, our juniors hold the key to the Club's future and the work of all those in our Village Clubs and the junior rep program is not only greatly appreciated, but essential to Randwick Rugby's heritage. Jim Dubos has done a great job here along with his coaches and selectors, many of whom are ex-players of the Senior Club which gives a great deal of knowledge, experience and integrity to the Juniors program.

All in all, 2011 has presented the Club with some real challenges with the results of recent years masking an over-reliance on top level rep players and a lack of a well-planned recruitment and development pathway for young players. The challenge ahead is to ensure we retain and develop the talent we have in our stable, as well as recruit young talent into our program so that we can work with them from a young age and mould them into the next stable of Randwick representative players. Our Junior and Colts programs are a vital cog in that wheel and the successes of this year need to be multiplied. One thing is for sure, we will be working hard to ensure that our Grade and Colts sides go one more week next season, with our sights firmly set on doing things differently in 2012, to ensure a different result.

Thank you to all the supporters and our generous sponsors who have really got behind the Club this season with great crowds at Coogee Oval on a Saturday spurring on the players. Everyone associated with the Club shares in the positive support that is given and this can only inspire us to bigger and better things. We have many people who contribute a great deal without recognition, so to all those volunteers both throughout the week and on weekends, whether at the oval or in the club house, on the training park at Latham or in the medical rooms, running water or filling the bottles, taking photos or timing matches, announcing teams or putting them on our website, a huge thank you.

You are the spirit of this great Club.

First Grade Coach Report

While a Semi-Final appearance might be satisfactory for some clubs, we always set the bar higher and therefore there is disappointment about going out a week before the Grand Final. Only a week earlier, the team overcame Easts in the Semi-Final, our first victory over our local rivals in over two years with plenty of character and commitment on show in the dying minutes in particular. However, the injury toll on the Club and the unavailability of representative players made a mismatch out of the preliminary final, where Eastwood showed off all of their premiership credentials. The absence of up to fifteen regular First Graders through injury and rep duty presented many challenges as well as opportunities to other players to not just get a taste of first Grade but become part of the fabric of the team.

The season began with disappointment as we stumbled in the early games managing only one from five however, there were positive signs from the matches against Easts and Eastwood that our young and inexperienced guns were learning each week and by the time we met West Harbour we had started to play some of the football that we had been working towards with plenty of support, quick recycle and flair in attack. A shock loss to Penrith the week after was a huge reality check for the team but the response was very positive with six wins from the following seven matches. With younger players Maraki Toa, Ethan Ford and Stephen Noriega given a chance, they took it with both hands and were well supported by other more experienced youngsters in Toby Browne, Bevu Tuqiri, David Parsons, Al McFarland and Clinton Sills who was the Shute Shield's leading try scorer at that point. Tim Wright had shown his experience throughout the first round and with newcomers Luke Parsons and Geoff Ingram, they were really helping the younger players adapt to the step up.

The loss to Eastwood in round 14 was a real blow to our momentum, not because of the result but the injury toll which saw eight forced replacements in 60 minutes and began the drain on personnel from which we never really recovered. A hard fought loss to Easts in the dying minutes a week later was difficult to take as the team had shown real character to lead the game from the start with plenty of grit in defense, but injuries to Patrick Phibbs, Ben Mowen, Lotu Taukeiaho, David Vizer, Clinton Sills, Christian Lealiifano, Tim Wright, Tom Joseph, Henry Vanderglass, Seilala Lam, Luke Parsons, David Parsons, Justin Terry, Afa Pakalani made the job that much harder. The unavailability of Phoenix Battye and Cruze Ah-Nau for four weeks, along with every rep player registered to Randwick made the road to the finals problematic.

As we had done all season however, we managed to bounce back with wins against West Harbour, Penrith and Norths, with a very welcomed appearance by Matt Giteau in the myrtle green to keep us in the top six. The leadership, experience and class of Captain Tim McGann, Josh Valentine and Shaun Foley had by this stage well and truly shown its hand as these three played a huge role in getting us to the finals. The final four rounds saw losses to a desperate Souths, a Uni side laden with Wallabies and super 15 players in the run on side and on the bench, a high scoring win over Gordon where we conceded 40 points and a 39-33 loss to Manly, which highlighted defensive lapses that had emerged. Not the greatest lead into the finals but a fifth place finish meant we were there and anything is possible....look at 2010.

In finals football you call on experience and tenacity and Nio Halangahu and Tim Maxwell delivered against Easts in the Semi-Final with Nio making the critical plays at set piece and Maxi playing a great back rowers role at the death. Ben Mowen marked his second match of the season with a try and a turnover to win the game on full time 28-26...and we were one game short of a Grand Final appearance. No doubt the six-day turn around and injury toll of the last month did not help in the Semi-Final against the minor premiers. On top of that, it is difficult for a side with one contracted footballer to match up against a side with more than eleven. Reaching the final four was an achievement in itself and whilst we are disappointed with how we went out, Eastwood and Uni are the bench marks on and off the field and we have some ground to make up if we are going to realistically expect the results of days gone by.

With the dust now settled we can look back on this season as one with many ups and downs and not a great deal of continuity when it came to performance. What is a clear positive is that the number of young players including Maraki Toa, Justin Terry, Steven Noriega, Tom Connor, Bryce Speechley, Tom Weatherall, Dominic Bower, Michael Gibson, Cameron Kesby, George Fifita, Steve Bennie, Anaru Matthews, Jack Tovey, Liam Walker and Ethan Ford who tasted First Grade this year, will be far better players next season for the experience they have gained this year.

A significant positive is that we finished fourth in a year where games played by a Super 15 contracted player totaled twelve for the season, with Ben Mowen and Adam Freier playing three games each for Randwick in 2011. This is significant in the current climate of clubs competing in the finals.

The First Grade side showed real leadership with the player group beginning their unit sessions ahead of the other Grades on training nights and working extra sessions into our program ahead of the finals. They also led the way in attending functions held at other Clubs post-match as well as functions at the Club including our season launch and players' functions. They were a very visible and active part of the playing group off the field.

It was great to see new players such as Neville Magee, Luke Parsons, Geoff Ingram, Jai Ayoub and Steven Noriega get their share of Randwick First Grade experience whilst Finau Makamaka burst onto the scene this season having played Third Grade in 2010. These are the experiences players need to aspire to their dreams and these players all have plenty more to achieve at the Club.

Off the field there has been a great team working to get the players on the field in the best possible shape. To my fellow coaches Danny Grant and Damian Ryan, thank you for your support, expertise and leadership in preparing the team throughout the season. Thank you also to, Andrew Blades for his technical and tactical expertise in getting as much as he did out of our very inexperienced front row, Mark Ella for his insight and rugby wisdom imparted on the players, Andrew James for all his skill and conditioning work in the pre-season, at training and with Paris Antoniades on game day, Rob Derbyshire for his work pre-season with the Colts and Grade players and his strength sessions in the gym, Di Long and Jo Casamento for all their time in caring and treating the players as well as consulting with the coaches. Finally, to the managers, Terry McMahon who is so thorough and dedicated to his role as well as caring for players and supporting the coaches, Brad Bishop who manages the official side of game day with such precision and diligence and Barry Quinn who has everything I ever ask for ready, a minute before I ask for it.

A number of Randwick greats presented jerseys to the players on game day including Mark Ella, Ewen McKenzie, Simon Poidevin, Warwick Waugh, Jeffrey Sayle, Bob Outterside, Phil Willey, Kurtley Beale, Ian Kennedy and Andrew James. Congratulations to Tim Maxwell on his final season for the 'Wicks'.

To the players, coaches and managers in Second, Third, Fourth and Fifth Grade, the Club committee and management, thank you all for your support and expertise in our endeavor to produce the best players we can and therefore the best First Grade side we can deliver.

And thank you to everyone that supported our First Grade side in the stands, at the Club, in the streets and in the bush. You are the spirit of this great Club with which we are all proud to be associated.

Thank you

Craig Morrison

Second Grade Coach Report

I tender this report as a critical review of the 2011 season with the view that the players involved in the campaign can develop and be better players for their experiences this year.

Reserve Grade is a notoriously difficult grade to achieve premiership success in. There are unique challenges for a Reserve Grade team which are inherent to the nature, position and make-up of the competition itself. Yet every year one team overcomes these difficulties and challenges to become the Premiers.

Giving due weight to these inherent difficulties, I believe the Randwick Reserve Grade side of 2011 under-performed. From a subjective point of view, the playing potential of the extended Randwick Reserve Grade player group was of a high standard. We lacked experience in key positions, but could point to the innate talent of individuals and look to their continuing development for our belief and confidence going forward.

The challenge for the Coaching group in 2011 proved to be convincing the playing group to trust our game plan and have belief in their individual and collective ability!

Success in a rugby season can be judged on many levels.

There is of course, the competition ladder.

There is the level of enjoyment and camaraderie that is achieved within the squad inclusive of Coaches and Management. There is the advancement throughout the season of an individual player's and squad's rugby education.

All of these measures are inter-related, yet not necessarily achieved at the same level throughout a season. When they are **all** achieved by a team at a high level in a season, it generally results in a premiership. It is, understandably, a difficult thing to achieve and requires a commitment to the common purpose by all involved. I will be assessing these three components to review the 2011 season.

The 2011 Colin Caird Shield quest was both interesting and challenging. Put in the positive and measurable perspective of the competition ladder, it was a relatively successful season in terms of being finals contenders and playing competitively in both of the finals games contested. Overall however, it was a season marred by inconsistency between match day performances and inconsistency within match day performances.

A clinical review of each of our match results throughout the season reveals a distinct lack of respect for the bonus point system and more pointedly an apparent lack of respect for the role that defence plays in the overall success of a rugby season.

My critical assessment of this is that there was a lack of belief, experience and maturity within the playing group that significantly hampered our success.

The level of enjoyment and camaraderie made the season an enjoyable one. However, the depth of individual commitment to the ethic of the team fell short of that which is required for premiership success.

As a group it would be hard to imagine a nicer collection of young men, eager, respectful and committed. [Up to a point] While they were competitive as individuals, there was not enough team driven focus for success to carry us through the tougher game day challenges.

From my perspective as Coach we lacked the personal connections or the team dynamic of mateship that is required when questions are asked in the trenches. Attempts to improve this

A new coaching staff with a different approach to playing the game will guarantee an alternate tactical and strategic approach and therefore an alternate Rugby education for the player group. Over the course of the year our game plan was continually refined to suit both the continual changes to playing personnel and the group's incapacity to completely adapt to a game plan that took them outside their comfort zones.

The education of the player group was there, but how much of it was embraced is questionable. The proof of this was when pressure was applied at the coal face in games and players would revert back to tactics from previous seasons and were therefore at odds with the then current game plan. This was of course counter-productive to our success.

Within these measures of a season's success, I feel we lacked the crucial marginal improvements or efforts that distinguish those who are happy to compete as opposed to those who strive to win.

This is what I meant in my final address to the players after the Semi-Final when I said we missed "the detail"

A Rugby season is made up of much more than the two nights a week training sessions and the game on Saturday. A successful Rugby season is built around a squad committed and bound by a common purpose to succeed.

As in most team sports, this type of success requires sacrifice. It is this area that I believe the majority of individuals of the playing group need to address for any success in their future Rugby seasons. I am not talking about training attendance or the willingness to stay back late for video sessions. Their commitment was first class in these areas. It was in the less tangible areas that reward the team with an 'us and them' siege mentality. Where your drive and desire will push you to support the team's results. Where you call on the support of your teammates knowing it will come. Making that extra effort or sacrificing your personal agenda for the greater good of the team.

I did pre-empt the start of this report by stating it would be a critical review of our rugby performance. Having completed that, I believe there is much to celebrate about the 2011 season.

Having gone through the growing pains of a new coaching staff with a new tactical approach and the introduction of many players new to Reserve Grade and indeed Randwick Rugby, I firmly believe another season together would result in the foundation of a formidable team with an already established rapport and understanding.

As Coach, I was always excited by the potential in the side and on occasion this potential was realised in match day performances. With a greater familiarity between coaching staff and players, the 2012 season could build significantly on the work and results achieved this season.

It is always an honour and privilege to be given a Rugby coaching position. This affords you the opportunity to work with people who enjoy the game. Better than this, the stage you work on with these people requires teamwork, sacrifice, selflessness, expertise and many other virtues that reveal the character of an individual. A season of rugby is a great journey to share.

Thanks to each and every player who took the field. It is my fervent hope that you learned something new or in some way benefitted from the experience.

My thanks and those of the team go to:

My assistant Coaches Andrew Bloxsom and Gary Munday for their unerring commitment, hard work, support, and tactical and strategic contributions to the season. They both added to the personality of the squad and were invaluable in their interactions with the player group.

My Team Managers, Allen Stutchbury and Peter Meagher who were unfailing in their support and reliability and who were always ready to go beyond the brief of their positions to assist the campaign.

Our trainers Mick Smith and Gareth Smith for their efforts and sage advice throughout the season.

Mark Ella and Andrew Blades for their generosity in sharing their knowledge and commitment to playing Randwick Rugby.

Jeff Sayle for his interest, and his own unique personal contributions to the team's success.

Craig Morrison as Club Coach and First Grade Coach for his advice, direction and support throughout the season.

The other Club Coaches for sharing the vision and direction of success for Randwick Rugby.

Finally, to the Board and members of the Randwick Rugby Club I extend my appreciation for the privilege of coaching at the Galloping Greens.

Third Grade Coach Report

As defending 2010 Premiers, Third Grade finished 2011 unsuccessful, being defeated in the major final by Easts.

The Third Grade team made a good start to the 2011 season to lead the competition but unfortunately injuries, attitude and lack of preparation at training took to toll. The team finished the season in second place. The team scored 834 points, including 129 tries and won the Club's award for most tries being attained, the Laurie Argue Trophy.

It is easy to make excuses for the loss in the Grand Final – two players ineligible to play, leaving the team with 13 and using five Fifth Graders. The Fifth Graders played well and we thank them for making themselves available as reserves. John Maxwell's voice can still be heard telling the players to think about the loss in the off-season and use it as an incentive for the future and the Club in 2012, not thinking that it will all happen to just turn up, and to wear the myrtle green with pride.

A lot of exciting play early in the season gave the players the opportunity to play in a higher grade. All in all some 175 players passed through Third Grade through the year and a lot of fun was had together as a group. The only disappointment being we could not repeat last season's effort. There was too much talent in the lower grades not to win a premiership and contribute to the Club Championship points. Next year, with another season under the belt and a more positive outlook, will be successful.

Special mention must be made of the managers Ross Curtis and Dave Habler, also trainers Ryan Kolster and Nick Martin. Finally, the spectators who every week watched Third Grade "thank you" for your support and encouragement.

Nothing comes unless you want it and earn it. You are the future – make it happen.

Congratulations to Chris Barron for winning Best and Fairest, Darren O'Shea for most appearances and Michael Gibson, top try scorer.

Fourth Grade Coach Report

The 2011 season was a good year for Fourth Grade however injuries, continued player movement in higher grades and the departure of key players late in the season, cut short an impressive finish to the season with the side bowing out a week before the Grand Final to local rivals Easts.

The team in 2011 suffered several tight losses throughout the year of seven points or less, a frustrating 'what if' scenario springs to mind had the tight losses been wins. A week off in the first week of the semis would have made a huge difference given the unavailability of several players through injury.

The team was led from the front by Best and Fairest winner and Captain Tom Jenkins.

The season highlights included a great win against Sydney Uni at Coogee Oval when the Fourth Grade team was the only Randwick team to taste victory as well as a completely dominant performance against Norths.

Thanks to all players throughout the season - we had plenty of fun but were always willing to put the hard yards in when it counted. Special mention must go to the Fifth Grade guys who were always willing to back up as reserves without the guarantee of a getting a run. Todd Martin showed what a true Club man he is by playing in positions such as lock, backrow, fly-half and the centres - always putting the team before himself. This for me is exactly what Fourth Grade is about and should continue to be.

I'd like to thank our trainer, Nick Martin for his hard work and dedication throughout the year as well as manager Ian Holder, who was always willing to do whatever possible to assist. DJ Cahill was Fourth Grade Co-Coach before his Australian Services Rugby Union coaching commitments proved too much but his on-going support throughout the season was much appreciated. Thanks also to Craig Morrison and Tony Lewis for their ongoing support throughout the season.

Fifth Grade Report

The strength of any rugby club is measured against the depth of players they have which gives importance to having an active Fifth Grade side that plays every week.

In previous years the Fifth Grade side has wandered from club to club looking for games with little success, this of course is somewhat demoralising for the eager players who want to show their wares to the coaches above.

This year however was a year of change for the Fifth Grade side, Tony Lewis and Craig Morrison wanted the Fiftths to have a game of footy every week and worked tirelessly to have the Randwick Fifth Grade side entered into a Sub-District Competition - the Meldrum Cup!

This of course was met with some "stiff opposition" from the Sub-Districts Rugby Board, they "weren't keen" to have us! However, after requiring Randwick to sign away their life (so to speak) with heavy restrictions and heavy penalties if we failed at any juncture they finally agreed to let us into their competition.

Being able to stand in front of the players and assuring them that they would get a game every week (not like previous years) was gratifying. The look on their faces said it all. Players who were previously only getting 10 minutes in Fourth Grade were coming to me asking if they could play Fifth Grade, "I just want to play footy" was their plea.

This of course brought its own set of problems, how was I going to manage 40+ players on my own ??? I needed help and Fifth Grade is not an attractive option for most people to consider helping. For one we would never play at our home base of Coogee Oval and it was most likely we would never see any/all of the other Grades play as our game time was 3pm and that we play at venue that required "satellite navigation" to find!

Once again Tony and Craig provided a solution and invited Ray Jennings to be a Co-Coach of the Fifth Grade side - having known Ray for many years it was a great relief to have him a part of our team. Ray brought with him his vast rugby experience and his knowledge of how to play "Running Rugby".

Thank you Ray I/we really appreciated your tireless contribution to the Fifth Grade Team. Good and great teams are made up of individuals and we were fortunate enough to have a number of "senior" skilled individuals that were the backbone of the Fifth Grade side:

- Marty Kiernan;
- Chris Vallis;
- Jioje Aropio;
- David Farrugia;
- Sam McGregor and
- Junior Mercuri

When mixed with the youth of the team it brought great balance to the side and allowed us to play a style of rugby that is unique to the Randwick Club.

Apart from the players mentioned above I thought the following players had an outstanding year:

- Todd Martin;
- Drew Ferguson;
- Peter Kaissis;
- Michael Kaissis;
- Rob Polosak; and
- Scott Malone.

I want to make special mention of one player who at the start of the season just wanted to be a part of the team - Craig Partridge - you were a great credit to the team for which we all thank you and you also managed a few games in Fourth Grade who were deserving of your efforts.

I thought the Fifth Grade side played some "outstanding footy" at times and it was disappointing that no-one from the higher grades other than John Maxwell ever saw them play "true" Randwick Rugby - thanks John for your attendance at our games, it was always noticed and well appreciated by the players - thank you also for providing opposed work with our team throughout the year, it was really well received by all the players who participated. I thought there were 2 outstanding games during the year that are worth mentioning:

1. The game against Redfield at home (Latham Park) was a tense and torrid affair, we prepared very well during the week only to go down in the last 5 seconds of the game - the lesson there for all is that good teams know how to win !
2. The other game was against Maccabi (Christenson Park), again we prepared well for game with some very good opposed work against Third Grade during the week - we played some "cracking Rugby" which saw us blow them off the park, everyone rose to the occasion - our scrum led the way!

It is also worth mentioning that we also played against some "alcohol fuelled teams" (and their alcohol fuelled supporters) that were more at home at a "Neanderthals Picnic" than that of a Rugby ground - an experience that I "won't treasure".

So, was it worth the change to be involved in Sub-District football? If you ask the players I think they would say yes! However, the difficulty for us is that we have other teams in our Club to support where the Meldrum Cup teams are club sides with only one team. The restrictions on us are far more onerous than for those teams and if you consider the point that we don't look like we are part of the Randwick Club, it is a very fractured situation for us.

Thank you for letting me be a part of the Fifth Grade side. I had an enjoyable if not memorable year. Thanks again to Tony and Craig for their support throughout the year. What we achieved is due in part to your tireless efforts and much appreciated and thanks again to Ray, I really appreciated everything he did for the team - I couldn't have done it without him. Look forward to seeing you all again in 2012.

Colts Report

Every player who represented the Colts group in 2011 can walk away from the season on a “high” as it was one of our best seasons in recent years. I would like to acknowledge all players, coaching staff and supporters for your support throughout the year. In looking at our season in review we had two teams just miss out on the Grand Final, players develop their rugby game and the Colt’s culture continued to grow.

2011 was not without its challenges, a major injury toll mid-season, players being in their first year of Colts hitting the wall and various coaches taking ‘sabbaticals’ overseas were all issues with which we needed to deal. A management team and coaching group who were more than willing to support, move forward and challenge the boys- saw Colts ‘punch through’ the other side. The results and statistics are just numbers and what the season offered away from rugby was much more- a very tightly knit group. Our group motto ‘In the Deed the Glory’ and with the skill development and a program based on ‘excellence over excuses’ one can look back on a fantastic 2011 where a great base to build on has been established for next year.

Thanks:

- To all the players who played Colts this season - an awesome group of young men. Also for your efforts in my first season as coordinator - Players were always willing to lend a hand, support each other and have pride in the jersey.
- To Keith Holmes who does so much for the Club behind the scenes, his support throughout the season and the shared vision we shared for Colts meant we could work side by side and bounce many ideas off each other.
- To Radsy - Legend- whose expertise in managerial components of rugby is way above that anticipated at Colts level. The amount of time and effort he put in always astounded me, as did his on-going support throughout 2011.
- To JD and Pene- from whom we learnt a lot throughout the season as result of the time and effort and the preparation put into First Colts. Your contribution was second to none.
- To the coaches, managers and physiotherapists of Seconds and Thirds, Nathan, Mick, Ben, Manny, Briant Tony, Viv, Nicole and Stu – for the expertise, man-management, skills, dedication and love of rugby that you brought to the group this year. The boys and I are very appreciative of the hard work, creative coaching (where’s the rope?), and feedback you gave these boys throughout the season.
- Stephen and Patrick who were great when asked them to chat to the group, attend training - Pat even had a run with Seconds mid-season.
- Jeff Sayle - Jeff’s end of season rev-ups did not fall on deaf ears.
- Craig Morrison – Craig’s vision for the Club has helped me constantly this season. With an eye on the future Craig, Keith and I would often catch up for a ‘Soy flat white Latte’ and discuss player development, pathways and program overview.
- Club Council - 2012 will see a much-needed restructure of the rugby program. We have the resources, talent and base model to move forward in 2012. As Colts Coordinator I urge the board to support Colts as much as possible both on and off the rugby field.
- Tony Lewis and the board for your on-going support in guiding the ‘future of Randwick’

Congratulations to the players who gained higher representative honors

- Tom Connor Australian Under 19 Academy v England
- Tom Connor First Grade Debut v Manly Round 22 2011
- Liam Walker and Tom Connor played for the Australian Barbarians vs. Waratah Academy

Several players after the season will be selected in the Australian Academy and Under 20s train on squad. As a group we wish them the best of luck and the experience it will bring you will be invaluable

Congratulations to the following players who were awarded Best and Fairest for each team

- First Colts Will Munro
- Second Colts Tim Murray
- Third Colts Stu McKenzie and Alex Isofea

Congratulations to John Weatherall who was awarded Aiden Wilson Memorial Trophy for Colts Clubman of the Year

First Grade Colts Report

After an encouraging turnaround in 2010, it was a good opportunity for Randwick First Grade Colts to continue to build and look to push for a place at the top of the competition ladder. There were a number of players returning from 2010 and with a greater emphasis on the recruitment of players into Colts, the signs were looking good at the beginning of the year.

With an extra emphasis on conditioning and defence during the pre-season, the hard work paid off with the best possible start to the competition, winning our first 8 rounds. Winning 8 games in a row was a great for Randwick Colts as a whole as it got a lot of the Club's supporters talking about the Colts again. Round 9 was to be the biggest games of the season so far, where the undefeated Randwick team were up against defending Premiers, Sydney Uni. In the first 60 minutes, the game proved to be an arm wrestle but as ever the strength of Sydney Uni's bench was to play a key role in the game and they ran out with a 40-20 win. This game in particular showed us what standard of rugby we needed to play in order to be competitive come Semi-Final time.

We finished the first round of matches sitting third on the table, however, the second half of the season proved to be very frustrating from a coaching point of view. Injuries combined with inconsistent performances ensured we slipped up in close games against top 6 rivals Eastwood, Easts and Wests. As a group we needed to re-focus on some of the basics of the game, make better decisions when under pressure and play for the full 80 minutes. If we could do these things we knew we would come away with the results our efforts deserved. The last 6 games of the season saw the return of Liam Walker and Anaru Matthews from Grade and this, combined with the return of some players after long term injuries, got us back on track with wins against Norths and Souths.

This brought us to the last 3 games of the regular season, where we were to play the top 2 teams, Uni and Manly as well as the fast finishing Gordon. The games against Uni and Manly again showed us we could be competitive with any team in the competition; however it also showed us that if we didn't play for the full 80 minutes, we would find ourselves on the wrong side of the score line.

By the end of the regular season, we had finished fifth and knew that if we played to our potential we were capable causing some upsets in the Semi-Finals. Our first semi was against Easts. We started on fire scoring 2 quick tries to go out to a 15-0 lead after only 20 minutes. As ever, some of our decision-making under pressure proved costly, allowing Easts to score 2 late tries in the first half. The second half belonged to Easts and they outscored us 2 tries to nil but it was the goal kicking of Charlie Wakim which kept us in touch and finally got us over the line 24-22.

This set us up with a mouth-watering chance to knock off Sydney Uni to reach the Grand Final. We were firmly painted as the underdog, which is exactly what we wanted, and we knew from previous experience that if we played for the full 80 minutes, took our opportunities and minimised our mistakes that we'd be in with a very good chance.

The game couldn't have started better for us with a charge down try from the kick-off to Ben Selby. This put us up 8-0 until the Uni juggernaut clicked into gear. Uni scored 2 tries late in the first half to make the half time score 17-13 to Uni. We knew we had to maintain our concentration for the full game to have any chance and this is exactly what we did. We out scored Uni 2 tries to 1 in the second half and with only seconds to go on the clock were leading 27-24. We knew what we needed to do, maintain possession and kick the ball out, but one mistake led to a Uni turnover and they took the ball up field 40 metres where we were penalised. Uni kicked a 45m goal to draw the game 2 minutes after full time. The rest, as they say, is history with Uni scoring 3 tries to 2 in extra time to take the game away from us. Although it was a devastating loss, the coaches and spectators couldn't have been prouder of the performance. The most pleasing aspect is that 17 players of the match day 22 are still eligible to play Colts again in 2012.

This nucleus of players now know what's required both mentally and physically to be competitive in this competition and this should be a driving force for us moving ahead.

From a coach's point of view it was great to see so many players develop their skills and understanding of the game as the year progressed. In the forwards, Tom Connor, Zeb Holmes-Baer, Ben Selby and Will Munro all had fantastic seasons. While in the backs Liam Walker, Mark Bannon, Dan Fleming, Terence Hepetema all had strong seasons. It was unfortunate to lose Charlie Wakim, Rob Bartlett and Matt Meoli for long periods of the season through injury, although both Charlie and Matt made successful comebacks at the back end of the year.

Congratulations to Tom Connor for being selected to play for the Australian U19 Academy to play England schools and also for making his first Grade debut vs Manly.

To all the players who are moving up to Grade next year, good luck. Finally, to all the players who are returning to play Colts again in 2012, you had a good 2011 season but you certainly haven't achieved your potential!

Thanks to:

- All the players who pulled on the myrtle green to play in Firsts Colts this year.
- Keith and Radzi for all the work they do behind the scenes to ensure that all the players and coaches have to worry about is the game.
- Physiotherapists Nicole and Stu for all your hard work getting the players onto the field.
- Pene for all his technical work at the set piece.

Jayson whose tireless work both as Colts co-ordinator and First Grade coach led to much of the on-field success achieved not only by first Grade Colts but also by Randwick Colts as a whole.

Second Grade Colts Report

The 2011 season was a season of “almost” and “what if”. The team in 2011 suffered several tight losses throughout the year of seven points or less, a frustrating 'what if' scenario springs to mind had the tight losses been wins. But we saw players continued to improve from game to game and showed in the last home game to Manly at Coogee Oval to send senior Colts out on a high.

Ben Meyers and I only took over coaching half way in the season. I must thank Michael Michaels and the Russian spy Vladimir Savovski for all their work with the team at the start of the season.

It was great to see at the back end of the season a lot of players take the challenge of getting back to what rugby is all about FUN and the Randwick Style of RUNNING RUGBY. The legends of our GREAT Club would have loved to see what we did to some teams by running. This was the first and second option and even the third with the last, and very last option, was to kick.

I would like to thank the boys who skippered the side over this season with BJ Frost, Chris “Gooch” Miller, Ethan “Princess” Turnbull, last but not one to miss is the GLUE Beau Brummell. All of the boys did a great job in leading by example.

The team "Try of the Year" is a try that would make the Ella family stand up and clap. Deep in our 22 with a quick lineout and we were away with the dancing feet on Zane “Bra” Bashford beating 5 players from the team, chip and chase to beat another 3 players just over halfway the a long pass to the DOUBLE AA to beat two guys and then hit a slow moving Mides inside to going over the line for a great team try.

I wish all the boys going on to Grade all the best and to step up and take on the challenge and take to Grade with the rip and don't give up style as that what it takes to be a Grade player and not to drop the ball if things don't go your way. The only way to make it in Grade is the way you finished the season. To the players coming back I look forward to having you back and let's finish what was started at the back end of this season.

A rugby club cannot work without people like Keith Holmes, Big Radzs and Viv Weatherill; all three did an outstanding job, not just in the manager role but in the time they put in away from the training nights and game days. Our Club would be lost without them. Thanks to the Legend team in Third Grade Colts coaching staff for all your help. Jayson, Penny and JD, “thank you” guys for your help and asking me to be involved. Ben” punching above your weight” Meyers - I could not have asked for a better mate to help me out with this. Thank you for everything. Last, but he must not be missed, I would like to thank Craig Morrison our Club Coach – we need more people like him. Thank you for all your help and giving up your time for me whenever I needed it.

Congratulations to Tim Murray who was awarded Best and Fairest in 2011 for Seconds.

Well done Seconds

Third Grade Colts Report

The 2011 year was to be one of the unknown. New coaches installed, new players signed up and a new man at the helm overseeing all. After a very industrious pre-season with a pool of 40 players we ended up with a final squad by round 18. The following players which were part of a wonderfully talented group of men:

Hagan Butler, Simon Galluzo, Luke Brbot, Michael Celona, Alex Epa Iosefa, Sam Taylor(capt), Stuart Mackenzie, Phillip South, Dean Murdoch, Pat Brummell, Troy Jeffs, John Weatherall, Brayden Gibney(VC), Evan von Zurmuehlen, Jackson Raymond, Leo Gordon, Pat Koutsoukis, Fawzi Hijazi, Max Kite, Liam Moore, Justin Chadwick, Harry Rampage, Felix Ferrandis, Aron Rutter, Lewis Raymond, Earl Yandell, Tom Stirling.

Best and Fairest Awards 2011

Alex Epa Iosefa and Stuart Mackenzie.

Coaching Panel

Emanuel (Manny) Kaissis, Tony (Tones) Palmier and Briant (Bri) Kareroa.

They came from far and wide and even some locally to become Colts, to wear the famous myrtle green and achieved beyond their wildest dreams. The boys scalped some heavy weights, University, West Harbour, Easts and Eastwood, only Manly escaped. The players put Third Colts back on the map to the dismay of our opponents. We found our way towards second spot by end of round 22. We developed a winning behaviour and attitude which allowed us to win 16 games and finishing undefeated in the second half the competition.

Wow! What a year 2011. One which these boys will remember well into their lives over a few quiet ones, "remember the day when we played? And you...?" because that's what it really is all about.

The coaches Manny and Tones on debut, Briant "hey bro got a position for me?" who just rocked in off Moverly Road, and anonymous. The coaches were totally committed, working in the best interests of the players and team.

Special thanks for her support and confidence to Nicole (great strapping Nic), Keith Holmes (manager), Michael Radziowsky (liaison manager) and our fearless leader Jayson Brewer.

Life Members Association Report

2011 Rugby Season

The 2011 Rugby season did not witness the achievements of the Club in 2010. Suffice to say, to have all the Grade sides and the Colts First Grade and Third Grade participate in the major premiership series was a significant effort and one of which the Club should be quietly proud. The Life Members Association compliments all the players, coaching staff, team managers, on field support staff, medical assistants, administrators, the Rugby Council and other volunteers who all contribute to the well-being and continued development of our historic Club.

New Life Members

At the Annual General Meeting held in February 2011, Club members elected as Life Members of the Club, Warwick Wheeler and Andrew James. Both Warwick and Andrew have made over a long period an important contribution to the success of the Club. The Life Members Association congratulates both men on their election. The Club has currently twenty three (23) Life Members.

Association Activities

During 2011 the Association held meetings on 29 January, 20 May, 19 August and 16 December. Following each of these meetings a report was provided to the Rugby Council and from time to time recommendations were made to the Rugby Council by the Association.

Life Members, Bob Outterside, Bob Dwyer, John Maxwell and deceased Life Members Wally Meagher and Keith Windon were inducted into the Randwick Rugby Hall of Fame at the Hall of Fame lunch held on 21 July 2011. The Life Members Association salutes all the inductees.

Life Members and Randwick luminaries, Sir Nicholas Shehadie and Bob Dwyer were honoured at the 2011 International Rugby Board's Annual Awards Function with induction into the IRB Hall of Fame. Sir Nicholas, former Wallabies Captain, was recognised for his contribution to the game and particularly for being instrumental in the creation of the Rugby World Cup in 1987. Bob Dwyer was recognised as the 1991 Rugby World Cup Winning Coach.

The President, Anthony Bell and the Rugby Council invited Life Members to attend Coogee Oval on Saturday 27 August 2011 for the presentation of Life Members medallions. The presentation of medallions was made by the Honourable Peter Garrett, Minister for Schools, Education, Early Childhood and Youth. Sixteen Life Members received the awards in person. Seven Life Members were unable to attend the presentation; their medallions were received on their behalf by an appointed representative. In addition, medallions were presented to members of the families of deceased Life Members elected after 1970, Laurie Argue, Jack Cotis, Don Furness, Jack Hovey, John McCulloch, Ron Meagher, Bill Outterside, Ham Stephen, Col and Keith Windon.

The Life Members Association wishes to record their appreciation and congratulations to the Rugby Council, Club Archivist/Historian Bob Outterside and General Manager, Tony Lewis for their efforts and support in the Life Members medallions project.

Conclusion

Life members continue to be very proud members of the Club. The Association has the welfare and betterment of the Club a priority. The Association is committed to assist and advise the Rugby Council if and when required. The Association also provides an opportunity for Life Members to meet and mix socially.

The Life Members once again extend to the Rugby Council appreciation for the support, recognition and assistance the Association receives from the Council.

Junior Development Report

At the start of the season I sat down with Pat O'Shea, the Randwick Rugby Junior Representative Co-coordinator, to revamp the Randwick Junior representative program. The points raised and implemented were:

- Players invited to trial and asked to register and nominate their preferred playing positions.
- All players invited to a two-hour pre-trial training session in their own age group. Each session included a scrum session by Jeff Sayle.
- Trial teams selected prior to the trial so that when a player arrived at the trial he was given a jumper to wear for the day (John Smith 6 red, Bill Jones yellow 12 etc).
- The teams selected by ex-Randwick Grade players as well as the coaches from the respective teams.

By bringing in this policy the selection process was transparent and all players were given equal time in the positions they nominated for.

Each team had at least 2 internal trials.

We limited the number of trials against other Districts to one trial, a three way trial between Randwick, Southern Districts & Warringah two weeks before the State Championships. We felt the majority of players were playing too much football. It was decided to up-skill the players with regard to catching, passing, defence, scrummaging at training.

Each team was asked to nominate 2 goal kickers for 2 coaching sessions with David Knox. The under 12 kickers kicked 68% during their tournament including 6 out of 6 in the final.

State Championship Results

- U10 Randwick had 2 teams in the Development Tournament (no finals played although some districts had A & B teams Randwick had two even teams. Results Randwick won 5 drew 1 and had 2 narrow losses.
- U11 Randwick won 5 pool games and was defeated by Manly 14 - 7 in the Semi Final. Manly went on to win the final.
- U12 Randwick defeated Norths 42 - 0 in the Final to record back to back titles having won the U11 in 2010.
- U13 Randwick won 2 lost 1 to finish 2nd in their pool.
- U14 Randwick finished 2nd in their pool.

U15 and U16 both performed well considering they are club teams up against Districts which can choose their team from a number of Village Clubs. This needs to be addressed in the future in regard to keeping our players from the Junior Bunnies (more will be written about this later in the report).

School Tournaments

Two tournaments were held in 2011.

- Year 3 - 4 tournament 23 teams entered
- Year 5 - 6 tournament 16 teams entered.

65 training sessions were held in the lead up to the tournaments.

Juniors

- Mini-Rugby at Nagle continues to grow.
- The Mini-Rugby carnival was once again a success with a lot of teams entering from other Districts (Lindy Beynon doing a great job running the day)
- The inaugural pre-season 7s tournament attracted a lot of new players from outside our village clubs (Lindy and Simon Poidevin the driving force behind the tournament)
- The standard of football played by our Village Clubs during the season was exceptional especially the U13 final between South Coogee and Clovelly and the U12 final between South Coogee and Coogee White which was played before the Randwick - Gordon game on Ladies Day; a great incentive by Tony Lewis to promote our Juniors.
- During the season I did a lot of guest coaching at the Village Clubs and was impressed with the standard of coaching.
- To the Presidents of the Village Clubs, thanks to your committees for the time and energy that you have put in during the season.
- To the referees, thanks for contribution to the season especially to the young kids who referee at Nagle each week running around with the Minis.
- To Scott Heathwood and Steve Vanderdonk as President and Secretary. Not an easy job to keep all the shareholders happy but you did your best and from my point it was terrific the way you handled any problem that arose.

If Randwick is going to be a force in the State championships after the age of 12 we are going to have to lift our game to fight off the challenge from the Souths Juniors Bunnies Program. This is an achievable goal. All we need to do is work together as a Club. By establishing a representative pathway starting with a trip away for players when they reach the U13s followed by a Junior talent squad which will flow onto Colts. In closing I would like to thank Jon Collins for his foresight in supporting the Randwick Junior program.

Jim Dubos

Juniors Report

The operation of Randwick Junior Rugby encompasses all our village clubs and the representative program, with both areas enjoying a tremendously successful season in 2011. Across the Coogee, Clovelly, Eastgardens, Eora Warriors and South Coogee clubs almost 800 boys played rugby every weekend.

That equated to 35 Randwick teams in our minis competition for under 6-9 years olds held at Nagle Park each Saturday morning in conjunction with the Easts clubs. A further 23 teams participated in the junior age groups from Under 10-16s - playing in SJRU competitions on Friday night, Saturday afternoons and Sundays.

Against extremely tough opponents in a Sydney wide competition, Premierships were won by Coogee in the Under 16s and Under 14s and South Coogee in Under 12s and 13s. The highlight for many was the Under 12s Grand Final played between South Coogee and Coogee on the hallowed turf at Coogee Oval prior to first grade against Gordon. It showcased junior rugby at its finest and the boys thrilled the big crowd. We thank the Senior Club and Gordon for promoting this fabulous development opportunity. We also appreciate the Senior Club's on-going generosity in allowing our clubs to run the Canteen/BBQs at Coogee Oval.

However at the end of the day it is the village clubs and their committees that are the lifeblood of junior rugby. Their hours of commitment and dedication are the driving force to get kids and parents into the game. The stark reality is they do so with little help and at times it's a very thankless task. The cost to run junior clubs continues to soar and it requires ever more elbow grease and entrepreneurial ingenuity to keep the whole circus afloat.

To the club presidents Andrew Dyster (Clovelly), Andrew Harding (Coogee), Peter Dunn (Eastgardens/Maroubra) and Kathy Davies (South Coogee) please know that your efforts are admired greatly and appreciated. That filters down to all the volunteers at each club – from passionate coaches, trainers and managers; to those parents that simply turned a snag on the BBQ to raise a quid or ran the touch line.

There are no games without referees and again they did a superb job, despite enduring both difficult circumstances and people who should know better. However each week at Nagle Park we had a full complement of minis refs on deck so thanks to Joel Ninjo and his group of young men and women.

In terms of the representative program 145 boys were selected to don the myrtle green at the State Championships, where we fielded 8 teams from Under 10-16s. Again the mighty Under 12s won consecutive State Crowns, but we were equally as proud of the efforts of all our teams who honoured the honour against the best players in the state. We thank Jim Dubos for his drive in running the rep program as well as all the coaches, managers, selectors and parents for their support.

We also celebrated when local legends Phil Elkington (Coogee) and Bob Devine (Referees) were inducted into the Junior Hall of Fame at the gala Hilton lunch for their long term devotion to rugby in our area.

I would like to pay tribute to the outgoing Juniors Committee of Scott Heathwood, Steve Van Der Donk, Pat O'Shea and Lindy Benyon for their major contribution to the district over the past two years. This included re-engineering of the rep program, the introduction of a 7s tournament and a successful return of the Minis Gala Day. It's not easy keeping all stakeholders happy at district level but this committee led by Scott had considerable equity in all of the achievements listed above and deserves our gratitude.

A new committee has stepped up to the plate in 2012 and one of our objectives is to work more closely with the Senior Club to ensure the development of rugby against increasingly stiff opposition from other codes in our district. I think everyone now clearly understands that the pathway to colts and grade and the long term future success of Randwick Rugby begins at Nagle Park in the Under 6s.

I can't wait to see the boys back on the field and parents enjoying a brew at the rugga - so on behalf of the juniors I wish all at Randwick Rugby success in 2012.

Up The Wicks!

Mark Harrison

Randwick District Junior Rugby Union Football Club

Treasurers Report

The 2011 financial year was once again one that was not only a successful one for the Club on the field but was it was also a financially strong year in what can only be described as a tough economic climate. The Year was not without it challenges however the club has been able to post a small loss of only \$17,316 (A Profit of \$9,609 after Extraordinary Items).

Once again the Club was able to minimise its dependency on the Randwick Rugby Foundation Limited ("RRFL") and only called on \$100,000 of the \$230,000 support pledged for the year.

This result has been achieved in an environment of continued increases in operating costs amongst all aspects of rugby operations.

The strong financial result was achieved by strong financial management under the guidance of Tony Lewis.

I wish to thank Tony Lewis our General Manager for his efforts in managing costs and focusing on revenue around marketing and sponsorship. I also wish to thank Brian Chalmers for his efforts in managing the accounts of the football club. I also thank Jeff Sayle in his role as president of the licensed club and Peter Sweeney as the President of the Foundation for their support and efforts in ensuring an ongoing and strong relationship between the entities in the Randwick Family

The Budget for 2012 demonstrates that many challenges remain in the finances of Sydney Premier Grade Rugby side. We again have faced challenges in sponsorship for 2012 loosing a number of key sponsors but the council are working hard to replace those and ensure the Club is on a stable financial footing moving forward.

We also face a change in the structure and support from the SRU which we are working to further understand. The budget for 2012 demonstrates the Club will be dependent on further support via grants from the RRFL. The Foundation Board has been made aware of this request.

The Council and the Club are dependent on the continued support of our sponsors and the efforts of those many Randwick loyal volunteers and supporters that provide their time and energy week in and week out to ensure the operations and workings of the club continue on a day to day basis. From coaches and managers to gate keepers, medical staff, representative players, bar tenders, time keepers, ground announcers, statisticians and ball boys to the supporters who turn up each week along with the sponsors and the many other volunteers I wish to thank you all for your extremely valuable time and financial support in the past and look forward to it again in 2012.

Notes to the Financial Statements for the Year Ended 31 December 2011

Note 1 Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act New South Wales.

The committee has determined that the association is not a reporting entity. The financial report has been prepared in accordance with the requirements of the Association Incorporation Act New South Wales and the following Australian Accounting Standards:

AAS 5 : Materiality

AAS 8: Events Occurring After Reporting date

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

The Association is a tax exempt body

(b) Fixed Assets

Plant & Equipment are measured on the cost basis. The carrying amount of plant and equipment is reviewed annually by the Association to ensure it is not in excess of the recoverable amount from those assets.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(c) Investments

Non-current investments are measured on the cost basis.

The carrying amount of investments is reviewed annually by the Committee to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for shares in listed companies, if applicable, or such other criteria as determined by the Committee.

(d) Employee Entitlements

Provision is made for the Associations liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the Association to an employee superannuation fund and are charged as expenses when incurred.

(e) Cash

For the purposes of the Statement of Cash Flows, cash includes cash on hand, at banks or on deposit.

(f) Revenue

Revenue from the receipt of grants is recognised by the stipulated dates laid down by the supplier of the funds; revenue from the supply of services is taken into account when the service is undertaken; revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Dividend revenue is recognised when the association has established that it has a right to receive a dividend.

(g) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of the acquisition of the asset or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

Independent Audit Report to The Members of Randwick District Rugby Union Football Club Inc

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Randwick District Rugby Union Football Club Inc, which comprises the balance sheet as at 31 December 2010, and the income and expenditure statement, a summary of significant accounting policies, other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are consistent with the financial reporting requirements of the Associations Incorporation Act New South Wales and are appropriate to meet the needs of the members. The committee's responsibilities also include establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting under the Associations Incorporation Act New South Wales. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion, the financial report of Randwick District Rugby Union Football Club Inc. presents fairly, in all material respects the financial position of Randwick District Rugby Union Football Club Inc. as of 31 December 2011 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Outstanding Club Performances by a Randwick Player

Most Points Scored by a Randwick Player:

David Knox (1982 to 1998)

246 games: 55 Tries, 536 Goals, 510 Penalty/Field Goals, Total 2842 Points.

His total made him the highest point scorer in Australian Club rugby.

Gareth Smith (1991 to 2004)

243 games: 94 Tries, 449 Goals, 277 Penalty/Field Goals, Total 2191 points.

Warwick Wheeler (1966 to 1976)

232 games: 46 Tries, 232 Goals, 260 Penalty/Field Goals, Total 1932 points.

Mick Stynes (1957 to 1969)

181 games: 15 Tries, 190 Goals, 174 Penalty/Field Goals, Total 1149 points

Dave Ramsay (1978 to 1984)

139 games: 31 Tries, 226 Goals, 159 Penalty/Field Goals, Total 1053 points.

Most Goals in a First Grade Match:

Gareth Smith (2003)

Kicked 13 goals against Warringah on 21 June 2003 at Coogee Oval.

David Knox (1994)

Kicked 12 goals against Drummoyne on 23 April 1994 at Coogee Oval.

Try Scoring Feats in First Grade over a Career:

Only two Randwick players, Terry Ryan and Cyril Towers, scored 100 or more First Grade tries.

Terry Ryan (1970 to 1975) scored 106 tries in his 6 seasons as a winger with the Randwick Club.

Cyril Towers (1925 to 1942) played at outside centre and scored 104 tries in his 18 seasons.

Tries Scored in First Grade in a Season:

Terry Ryan (1970 and 1971) established in 1970 a new competition record by scoring 24 tries in 17 games. In 1971 he broke his own record for a season by scoring 25 tries in 20 games.

Jack Gray-Spence (1936) was the first Randwick player to establish a competition record. His achievement stood at 23 tries scored in 20 games until broken by T Ryan in 1970.

Tries in a First Grade Game:

Michael Cleary (1961), established a new record of 7 tries in a match against Eastwood on 19 August 1961 at Coogee Oval. This record stands today but was later equalled by a Gordon player. The previous record of 6 tries was held by two Randwick wingers: Owen Crossman (1924) and Len Slattery (1945).

First Grade Games:

John Maxwell (1972 to 1992) In his 21 seasons as a back row forward J Maxwell played 323 First Grade games, by far a Club record. He also played 428 Club games, the second highest total for Randwick. He appeared in 14 First Grade Grand Finals and was on the winning side 10 times.

John Weber (1960 to 1973) A lock and mainstay of the pack J Weber played 234 games over his 14 seasons, breaking the record set by C Towers.

Cyril Towers (1925 to 1942) Best remembered as one of Australia's greatest outside centres C Towers played in 233 First Grade games, then a Club record.

Most Club Games:

Bill Outterside (1952 to 1976) The Club record for the most matches played for Randwick is held by W Outterside at 432 games, of which, 205 were played in First Grade. Unlikely to be surpassed, his record was established over 25 seasons.

Randwick Hall of Fame

The inaugural induction of 16 past players into the Randwick Rugby Hall of Fame took place on 9 September 2010 at the Hilton Hotel. 700 people joined the Club to celebrate the first group of inductees. Former Wallaby Rod Kafer acted as Master of Ceremonies for this occasion. Rod again served the Club as MC for the second induction ceremony held on 21 July 2011. Again at the Hilton Hotel, 600 people were present to receive 7 additional past player inductees. The names of those admitted to the Club's Hall of Fame are listed alphabetically by years.

* Australian Captains

Randwick has produced 101 Australian representative players.

The twelve Wallaby tourists who did not play in tests are:

John Francis, Jason Jones-Huges, Tim Kava, Adrian McDonald, Adam Magro, Tony Moore, Mick Murray, Denis O'Callaghan, Basil Porter, Ron Rankin.

Notes: The aforementioned list of Australian representatives includes:

- Members of NSW sides from 1923 to 1928 inclusive, who played against New Zealand, Maori and British sides and all of whom have since been accorded Australian representative status.
- Members of the 1939/40 Australian side which arrived in Britain at the outbreak of World War 2, played no games in Europe, and who have been accorded test representative status.
- Each player's games include only those in which he appeared while with the Randwick club.
- George Gregan is Australia's most capped test player with 139 tests [129 with Randwick]. David Campese with 101 tests [74 with Randwick] and Simon Poidevin [49 tests with Randwick] were previously Australia's most capped players, as were Peter Johnson [42] and Nick Shehadie [30].

Captains of Australia [13]

Ken Catchpole, Mark Ella, Owen Finegan, George Gregan, Peter Johnson, Phil Kearns, Simon Poidevin, Nick Shehadie, Dick Tooth, Cyril Towers, Chris Whitaker, Rocky Elsom and Col Windon.

Wallabies Hall of Fame

The following six Randwick players have been inducted in the Wallabies Hall of Fame:
