President's Report

In this, my final report as President of the Randwick Club, I refer members and supporters to my ultimate message in the 2011 Annual Report because it is this same message that I wish to leave with you now. While writing my thoughts, then, on the essential elements that would contribute to the future success of our Club, the most obvious factor was the enhancement of player performance at all levels from juniors to representative rugby. However, this alone is not the panacea for success.

It is not terribly difficult to develop in players physical fitness, knowledge and improved skills as well as encouraging a willingness to learn and a dedication to the game. These goals are the responsibility of those at the governance and management levels. The more difficult task is that encapsulated in my 2011 statement that:

At Randwick this does not merely mean learning the skills of rugby, but rather coming to a clearer understanding of that unique brand of the game known as Randwick Rugby.

Most of its adherents would agree that rugby is quintessentially a handball game. Here at Randwick our mantra involves much more. It is made up of five elements: high-level ball skills, in a game played at speed, with a sound strategic base, a sense of adventure and for the enjoyment of the players. Before an entire generation passes through our Club and our culture and history are lost it is critical that we rediscover our brand before we also entirely lose our appellation of the "Flying Greens". The experience will be like discovering rugby for the first time.

It is true that some of our performances in 2012 and in previous years, particularly at the senior level, were below expectations and evoked commentary not unlike the proverb:

Like the curate's egg, good in parts.

Tim Wright Round 12 vs Gordon 14 July 2012

Others less charitable were much more strident and unambiguous in their criticisms. Suffice it to say, however, that 2012 is behind us and rapid progress is being made in our preparations for the 2013 season. The following reports contain much information that should resonate with members and supporters alike and provide encouragement for all. Some of those highlights include:

- The appointment of Wade Kelly as Head Coach. He brings high-level organisational and management skills to his role.
- The strong community partnership that exists between Randwick DRUFC and the Randwick City Council nurtured through the efforts of Jim Dubos.
- From the four Senior Teams and three Colts Teams six made it to the Finals with the Third Grade Colts finishing Premiers.
- The formation of the Randwick Rugby Academy under the guidance of a Committee whose Members are Stephen Hoiles, Simon Poidevin, Wade Kelly and Jim Dubos. This is the most strategic initiative made by the Club in many years.
- The growth of Randwick Colts Rugby under the leadership provided by their Coordinator, Jayson Brewer and Head Coach Jon Delaney as well as strong support staff.
- The growth in our feeder junior clubs led by the Randwick DJRUFC President, Mark Harrison and Development Officer, Jim Dubos.

Clearly, there are many encouraging signs regarding the health of our great Club for the Season 2013 and beyond. I regret that I am obliged to relinquish the prestigious post that I have held for the past two years but do so in the knowledge that I have gained much from my experiences, the friendships that I have enjoyed and the unqualified support that I received in the service of the Greens.

General Manager's Report

As the season draws near to an end and we await the 2012 Players Awards Night it is a time to look back on the year and reflect on the performance, on and off the field, by the Galloping Greens.

The Randwick Rugby Club in 2012 has made decisions that will give the playing group the best opportunities to be the best player they can be. There is general excitement from the playing group with the structure that has been recommended by Stephen Hoiles, Adam Freier, Ben Whitaker and Alan Gaffney. This has resulted in Wade Kelly being appointed as First Grade coach for 2013. The enthusiasm and vision with which Wade has approached the tasks at hand thus far bodes well for club.

While a number of supporters have been frustrated by performances in 2012 it has been apparent that there is some real talent playing throughout grade and colts this year. It is my belief that under Wade, 2013 will reveal a season built on hard work and enthusiasm and that players will be encouraged to demonstrate the will to fight through to the season's end, set play by set play and compete in the arm wrestle that defines a successful team and Club.

I am reminded of a statement from author Stephen King, when he was asked by an aspiring writer about talent. King replied: "Talent is cheaper than table salt. What separates the talented from the successful is a lot of hard work."

I am totally convinced that, after only being in the chair for less than a month, Wade Kelly is well on the way to give all our players the opportunity to prepare for the 2013 season in a way that their talent will come to the fore after the hard work is done.

Drew Ferguson, front row vs. Manly

The Rugby Club enjoyed a season on the pitch with six teams making the Semi-Finals and the Third Colts team being crowned champions. The second grade team was only a pass away from a qualifying final spot, while the third and fourth grade teams had great opportunities to make a Grand Final. I realise many supporters were disappointed with the first grade team's performance but they were only few points away from qualifying to the finals. The team was severely handicapped at the start of the season, losing 21 players from 2011 who had first grade experience. There was also a horrendous injury toll in the first two months when we had up to 30 players not available for grade through injury.

On a positive note, the Club celebrated the outstanding achievement of the 2012 Third Colts team program under the leadership of coaches Emanuel Kaissis, Tony Palmer and Michael Michaels and management of Michael Radziowsky and Keith Holmes. This team was the shining light for the playing group winning the Third Colts Championship and pleasingly halting yet another clean sweep by Sydney University.

The club finished fifth in the Gregor George Cup Premiership Club Championship for 2012 which was a very good result after a very poor start while in the Eric Spilsted Shield (Colts Club Championship) we finished fourth.

It was great seeing one of our favourite sons, Sekope Kepu, dominate both at Super 15 level and for Australia. He is a great Club man and was the Randwick Rugby's Most Valuable Player in 2010.

In the 2012 NSW Junior Rugby State Championships Randwick teams performed with exceptional results. The under 13s, under 15s and under 17s all reached grand finals in the NSW State Championships. The under 12s lost to the eventual winners by the narrowest of margins and both under 10 teams were very successful. The Under 14s played under difficult circumstances and all are to be congratulated.

The Randwick Rugby Club held a number of events throughout 2012 but three that spring to mind which reflect the Randwick Rugby spirit include the 'Roast Of Jeffrey Sayle' - giving an opportunity for the club to celebrate the significant achievements of Jeffrey at Randwick. Secondly was the strong community partnership between Randwick Rugby and the Randwick Council incorporating the work of Jim Dubos and the financial support of Jon Collins to support employment of Jim as a development officer. This partnership featured a community-focused rugby program to over 25 schools delivering coaching in the schools and convening two tournaments for Years 5 and 6 and Years 3 and 4. 500 primary school children had the opportunity to experience playing the game played in heaven. Finally the Premiership Teams reunion and Peter's of Kensington's ladies day; the latter which, under the direction of Ladies President Georgia Coleman and the generous support of sponsor Peters of Kensington, resulted in the ladies having a brilliant day despite terrible weather conditions. Special mention must be made of First Grade player Tim McGann who multi-tasked playing rugby and assisting with the marquee throughout the day. Despite one of Sydney's worst rainy days the day's events were both excellent and memorable and it was great to see so many past players and valued contributors back at the Club.

Bob Outterside was a driving force at the Club again in his role as Club Historian and we also acknowledge the contribution by so many former players linking back with the Club to re-establish connections and update the Club's data base of contacts.

2012 has certainly been an interesting year with the new Shute Shield format and its effect on the Randwick Rugby Club. With only eight home games through the season and the frustrating draw meant there were months when there was only one grade game at Coogee. In 2012 we did not host the strong opposition of Sydney University, Eastwood or Northern Suburbs and this was frustrating. The global economic crisis continues to impact on a variety of aspects of the Rugby Club's operations however we have been fortunate to off-set this through different revenue streams e.g.:

1. The strong support from Peter's Of Kensington on all fronts; Peter, Paul and Brad I personally appreciate your efforts.
2. Contra-relationships with Victor Sport and Coates Hire
3. Events - the 'Roast of Jeffrey Sayle' lunch
4. New sponsors e.g. Coogee Bay Hotel
5. Player subs payment
6. Strong financial management
7. Community Partnerships with Randwick Council
8. Sponsors who increased their financial commitment to the rugby club

I take this opportunity to express my sincerest gratitude to our many sponsors and partners. Your support is never taken for granted and we look forward to working with you all to grow Randwick Rugby well into the future. The Randwick Rugby Club is indebted to its sponsors and 2012 was no different.

Singapore Cricket Club 7s - 2012

Without the support of Peter's of Kensington, Girvan Waugh, Body Science, Coates Hire, Royal Randwick Fruit Market, Sydney City Motor Group, NG Farah, Taylor Woodings, Cartwright Insurance, Divcall, Grinners Catering, Vachie Teamwear, Coogee Café, Eastside Physiotherapy, Wireless2Way, Grays On-line, Andrew Peace Wines, Walsh's Pharmacy, Pattons, Victor Sports, ASES, COCO and Coogee Bay Hotel we would not only struggle to survive but the opportunity to promote the game of rugby within the Randwick area would be severely diminished.

We also thank all of our other valued supporters and suppliers who assist us to provide the best possible variety of rugby programs.

Another positive aspect in 2012 at Randwick Rugby was the further development of the use of social media and the web page www.randwickrugby.com.au as a communication tool for our members. Over the last three years the RDRUFC has embraced social media on all fronts. The Facebook pages have been excellent forums for players; the Randwick Rugby app through Wheelie is progressing slowly on our part while the success story has been the webpage. At present we are averaging 30,000 dedicated visits per month and 100,000 hits per annum, including a high of 35,000 visits in May. The daily updating of the web page with the latest Randwick Rugby stories combined with the weekly newsletter has ensured our supporters are following us and more importantly, we are reaching our supporters. The numbers mentioned are outstanding.

Ethan Ford

Twitter has been another medium of social media that we have embraced communicating daily and weekly updates, live scores of all teams on match day including informative comment and as a communication source. At present, compared to other Shute Clubs we have 714 followers. Sydney University and Manly are the closest on 568. I encourage you all to join Twitter now. All you have to do is sign up on www.twitter.com for the latest Randwick Rugby news - you need an email address, a password and can choose your own 'user name'. I encourage all supporters to follow 'GallopingGreens' on Twitter.

May I take this opportunity to thank the Randwick Rugby Council and, in particular, President Anthony Bell, Treasurer Quentin Olde, Allan Stutchbury, Doug Eggins, Warwick Waugh and Simon Poidevin for their continued support and guidance. I would also like to make special mention of SRU board member Michael Jorgenson, always very supportive of Randwick Rugby. I would like to thank this group for their efforts in supporting the concept of the Jeffrey Sayle lunch. The success of this day was due to the drive of this group in selling the event to corporate Sydney. The day is a huge bonus for the Club's profile and the ability to put on such an event again displays our creative energy. In addition, I thank and acknowledge the contribution of the staff at Randwick Rugby and the many volunteers throughout the Club who have put in so much effort over the past twelve months particularly the match day assistants Doug Eggins, Steve Holton, Chris Fraser, Richard Brincat and their leader Dan Dowe.

Special thanks to the following groups starring:

1. All the Club's coaches - Gary, Allan, Wayne, William, Jeffrey, Joe and Bill in grade and Mark Ella earlier in the season; John, Jayson, Andrew, James, Alan, Emanuel, Michael and Tony in colts under the guidance of Club Coach Craig Morrison and Director of Rugby Stephen Hoiles but special mention must be made of the efforts of First Grade Coach John Maxwell - always putting the players first and nothing too much trouble. I know Maxie took the performances personally but the Club will always recognise that he gave the Club 110%;
2. The team management line-up, Terry, Barry, Brad, Allen, Peter, Dave, Ross, Ian and Kevin, Keith and Radzi from Colts;
3. Our valued Club trainers, doctor - Joe Casamento, strappers, physiotherapists Di, Louise and Stuart and other volunteers especially club statistician Ray Jennings and Lisa Ellis who did a great job as ball boy coordinator;
4. Club Captain Lachlan McKay who has been very helpful within the player group and Peter Wright, again someone who always put his hand up to help. The Players' Cocktail Night was again a huge success;
5. Finally, I must say thank you to Clarissa Luxford who is a source of assistance on all matters. Words can't express my appreciation.

It is an exciting time to be a Galloping Green supporter - the 2013 season can't come quickly enough.

Life Members Association Report

2012 Rugby Season

The Life Members Association once again congratulates the Club on its achievements during the 2012 rugby season. Whilst the results of the Club did not aspire to those enjoyed in previous years, the efforts of all Club Members are acknowledged.

The Life Members Association records the Association's appreciation of the endeavours of the players, coaching staff, managers, on field support staff, medical assistants, administrators, the Rugby Council and all those other volunteers who contributed and enabled the Club to participate competitively in a dubious rugby competition.

The Association compliments the Third Grade Colts on the team's achievements and on its Premiership.

Deceased Member

On 12 December 2012 Life Member Philip Marvyn Willcox died aged 91 years. Phil's funeral service was held at Eastern Suburbs Crematorium on Monday, 17 December 2012. The Club was well represented at the service.

Phil attended Sydney Boys High School and was an outstanding middle distance runner. He served in World War II in Papua New Guinea and in Borneo as an engineer with 2/3 Forestry Company.

A humble servant of Randwick, Phil made a significant contribution to the Club and to rugby generally. He was Secretary to South Coogee Junior Club for a number of years as well as a successful junior rugby coach. After son Peter joined the Club, Phil was persuaded to take on the role of Honorary Secretary. Phil was the Club's Secretary from 1970 to 1976 and again in 1978. Phil acted as the Manager of Fifth Grade for a number of seasons. Phil was also a correspondent for the local newspapers reporting on rugby for sixteen years under the nom de plume of "Rugger II". He was responsible for the establishment and for the running of the Randwick Rugby Athletic Club which competed successfully for a number of seasons. Phil was elected a Life Member of the Club in 1991.

Philip Willcox was a comrade, a fine Randwick Rugby man and he will be missed.

New Life Member

At the Club's Annual General Meeting held in February 2012 David Habler was elected a Life Member of the Club.

David has had a long, active and productive involvement with your Club. He played with Randwick Juniors during the 1960s and toured New Zealand with the NSW U21 team. He commenced playing grade in 1966, was a member of the Second Grade Premiers in 1966 and of the First Grade Premiership teams in 1973 and 1974. David played 206 grade games for the Club including 77 in First Grade, notwithstanding the interruption to his rugby career when he was unavailable for more than two seasons while completing his national service commitment. David served with the Royal Australian Artillery in Vietnam.

Following retirement as a player, David continued his involvement by coaching at junior level as well as Third and Fourth Grade Teams with considerable success. David has served on the Club's Management Committee at various times. He initiated and acted as President of Randwick Past Players Association and more recently was Team Manager for Third grade during 2010 and 2011.

David is a welcome addition to the roll of Life Members.

Association activities

During 2012 the Association held meetings on 20 January, 1 June, 31 August, 26 October and 14 December 2012. The Association made recommendations to the Rugby Council in relation to Club awards made at the Annual General Meeting. The Association also drafted a statement of criteria to assist in the identification of persons considered suitable for nomination to Life Membership. The criteria were subsequently approved by the Rugby Council and have been incorporated in the Club's by-laws.

Conclusion

On behalf of all our Life Members I acknowledge and appreciate the support and recognition the Life Members receive from the Rugby Council and from the general body of Club members. The Life Members Association through its members continues to make a positive contribution to the welfare and development of Randwick Rugby.

Peter K Court
Chairman

The RDRUFC extends its condolences to the families of Kevin Bull, Len Cartwright, William Sare, Brian Sproule, Philip Willcox and John Winter on their loss.

Director of Rugby Report

I was appointed to this role after the resignation of Craig Morrison in Round 4. When summarising the season it is fair to say we had a below average season for our Club's standards.

The club had only one team make a Grand Final and that was our Third Grade Colts who beat Sydney University 17-5. Coaches Mannie Kaissis, Tony Palmier and Michael Michaels, the Club congratulates you on a superb victory to the underdogs.

It was only three years ago we couldn't regularly field a Third Grade Colts team. This is a huge turn around and people like Keith Holmes, Jayson Brewer, Tony, Mannie and Michael, Michael Radziowsky and all of the Colts players and volunteers are to be commended.

Six out of our seven teams made the play-offs, which for the first time in the Sydney Club Competition had a final system of eight teams. Sadly, we didn't have any Grade teams playing on Grand Final Day.

One of the great things I see from being on the administration / coaching side of the game was the enormous effort our volunteers go to just to make sure our players are looked after. From Dr Joe Casamento, Diane Long and Louise McGinness on the Medical team to Terry McMahon and all the managers, to Paddy Delohery and all the trainers and to Dan Dowe on the BBQ, the club can't thank you enough for all of your time and effort you put into this club.

Ethan Ford tackled

Our First Grade team missed out on the play-offs for the second time in over twenty years. We can't shy away from the reality that the game has changed significantly over the last fifteen years since Rugby became professional. As a Club we need to evolve our approach to playing and training.

Towards the back end of the season Wade Kelly was appointed First Grade coach after a six-week interview process. We believe that Wade has the right qualities as a person and as a coach to lead our club into a successful era.

We saw the emergence of future stars like Pete Samu and Terrence Hepetema make their debuts for First Grade while Patricio Noriega was awarded the First Grade 'Best and Fairest' for a great season at Randwick.

As the season progressed Toby Browne as Captain can be proud of the way he and senior players including Nio Halangahu and Tim McGann kept the spirits high during a tough season.

Hopefully the disappointment of 2012's performances will be perfect motivation for a successful 2013.

I thank all players, coaches, administrators and sponsors for their time, energy and commitment for 2012 and hopefully this time next year we are celebrating a successful 2013 season.

The season commenced for the top 30 players back in October 2011, when Craig Morrison had put together a highly qualified team of strength and conditioning people to prepare our top 30 players for the upcoming 2012 season; an off-season program was something Craig felt needed to be implemented some time ago. Unfortunately a large percentage of the playing group failed to attend or take advantage of what the Club was offering.

Pre-season for the whole Club commenced in January 2012, at Heffron Park. The Club is most grateful to the Randwick Council for allowing us the use of Heffron, while Latham Park was being re-levelled and re-turfed. Paddy Delohery did a great job in running the base pre-season fitness program, with assistance from Mick Smith, Nick Martin and Grade Coaches. We returned to Latham Park, for pre-season drills the first week in April.

The overall Club player numbers were high but the loss of 22 players of First Grade experience from season 2011 had a big impact on our season. These players not only moved to other clubs, local and interstate but overseas with some suffering long-term injury and others also retiring. Losing Craig Morrison early on in the season, created future disruption to the Club's direction.

Many of our early season games were winnable but lack of experience failed to get us the result. Injuries to players in First Grade added to the challenge of creating stronger teamwork and unit skills in this early stage of the season. As the season progressed and the results weren't going our way, we started to lose confidence in our ability, personally and as a team, which led to further frustrating results. These results and this season may help players focus on what is required to be successful in the future. Some twenty players enjoyed their debut in First Grade, many being in their first year with the Club.

John Maxwell 2012 First Grade Coach

Congratulations to Patricio Noriega on winning the 'Best and Fairest' award in First Grade.

There are many people that sacrificed their time. Paddy Delohery and the lower grade trainers did a fantastic job, Our Medical people once again were tireless in support of the Players and our Team Management of Terry (Chang) McMahon, Barry Quinn and Brad Bishop - thank you. Special thanks to Chang for the work and time he gave everybody during pre-season - he has a real 'can do' attitude while nothing for anyone is too much trouble. A big thanks to Bob Dwyer and Mike Pennistone, for the assistance they gave the players and coaches, in preparation for season 2012.

To all the other grade Coaches and Assistants, thank you for your support of First Grade and myself during a difficult season. To Jeff Sayle - again thanks for your support.

To Wade Kelly, I wish you all the best for a successful 2013 season.

To the many diehard supporters of Randwick Rugby, thanks for your continued support and hope season 2013 brings us better results.

Second Grade Report

Coaches: Allan Wright, Patricio Noriega and Mark Giacheri
Managers: Allen Stutchbury and Peter Meagher
Captain: Jack Tovey

Second Grade had a roller coaster ride of a season. Injuries and unavailabilities meant that the same side rarely took the field two weeks in a row. A total of 57 players were in the starting side at various stages of the season. Of these 57 players 22 were unavailable for selection in the final series.

After winning only one game of the first five things were looking bleak. However the players put their heads down and worked hard to finish 6th after the first round. The competition was then broken into the farcical two groups which helped us ultimately finish 4th.

Second Grade vs. West Harbour

In the first week of the final series we meet the ultimate premiers Sydney University and a combination of some injuries, two intercepts and a sin bin made it very difficult for us and we were convincingly beaten. The next week we took on West Harbour who we had beaten convincingly in the first round and they had beaten us in the second round. We lead the game from the start however missed a number of golden opportunities to put them away. Then with two minutes left on the clock and at the end of a blatant forward pass Wests dived over in the corner to take the lead 27-25. Despite securing the ball from the kick off we were unable to maintain composure to snatch back the lead. This was a gut wrenching end to the season for all especially as Wests went on to make the Grand Final.

The season however had a number of highlights: the great win over Eastwood at T.G.Millner: Patricio Noriega's spine tingling pre-match talk before Warringah: Tom Bennett's attendance at training coming directly from a flight from London after the Olympic Games and the camaraderie that developed between the players. The disappointments of the season were obviously the loss to Wests, Tom Bennett's injury in the qualifying final and I think we all agree that we did not live up to our potential.

I am not going to mention every player however a number deserve recognition. Tom Bennett deservedly was awarded the most improved player in the club. His dedication, improved skill level and determined attitude will surely result in him achieving higher honours particularly with some bulk added in the off-season. Jack Tovey proved a great asset to the side always giving 100 per cent and playing well above his weight. James Helliwell was a great contributor who has improved during the season and with continued development will become a regular first grader.

Patrick Hodgetts was outstanding all season. His work rate around the field as well as his improved technical ability in the scrums and line outs makes him a great asset. Lachlan McKay has allegedly retired and should be congratulated on a great career. I have been involved in coaching Lachlan since he was 14 and although he maintains he peaked at 16 he has always been a great asset to any side he has played in.

Every player who played Second Grade was a pleasure to have in the side. The team achieved the main reason you play rugby - enjoy your football and make good mates.

In conclusion a special thanks to Patricio whose boundless enthusiasm and knowledge was a great asset. It was unfortunate he had to move to France before the season was over. To Peter Meagher, Mike Smith and Allen Stutchbury go thanks for their help. To Mark Giacheri for stepping in after Patricio left a special thanks and to all the other coaches who provided a cooperative environment.

All the best to everyone for next season.

Third Grade Report

Coaches: Wayne Mackey, Pat Slyney and Jeffrey Sayle
Managers: Ross Curtis and Dave Habler
Captain: John Ellis, Brady Engert (vc)

In terms of on field success, 2012 proved to be rewarding and satisfying without playing in the Grand Final for we finished equal second after 16 rounds out of 12 teams. The team started well winning Round 1 and 2 then losing every second week until Round 10, starting a seven week winning run to the finals. Unfortunately we were defeated in the Preliminary Final by Manly 18 - 10 on Sunday 9 September 2012.

The reasons for the lack of consistency and not reaching our full potential were demonstrated by:

- a) major injuries to the top 2 sides;
- b) difficulties in learning how to play the running style;
- c) players playing out of position but performing well; and
- d) the 64 players who appeared during the year.

Club Captain Lachlan McKay 'Chubbs'

On the positive side the team scored 601 points second only to the hot Sydney University Second Grade side. We also had the highest bonus points, 10, in Third Grade. With 88 tries Third Grade was the top try-scoring team. Best and Fairest award was won by Brady Engert narrowly beating Brendan Davis, James White, Sam Lolo and George Lolo. Most appearances by an individual was tied between Todd (Planner) Martin and John (balance sheet) Ellis on 16. Leading try scorer was Andrew (fitness) Wing Kee with 12. Leading point scorer was Brendan (Xfactor) Davis with 49 goals (41 conversions, 8 P/F) and 4 tries, a total of 126 points, well done. At times our performances were indifferent but on occasions the standard of our game was in the best tradition of the Randwick approach.

No fewer than 64 players appeared during the year all of whom performed so creditably that selections became an unenviable task. For those players who were promoted or relegated, all those accepted the decisions gracefully, proudly and without equivocation. I thank you, as this is one of the main reasons for the Club's great success. All players that were part of this unit are fully aware of the emphasis on sure handling, pace and close support should provide the answer for success with the introduction of variety and the use of the "blind side".

I wish to thank the captain John Ellis for his efforts throughout the year and his general prowess. Both were so important to our program. Thanks go also to Brady Engert for his valuable contribution. It is here that I would like to pay tribute to not only the players, but assistants Pat Slyney and Jeff Sayle, managers Ross Curtis and Dave Habler who did much more than their titles can describe, to the Club for the opportunity to coach, the other Coaches, Managers, Assistants and the Supporters, I was extremely appreciative of the understanding, support and assistance I received.

Of the players, it is difficult to individualise but some deserve commendation. In the engine room forwards Sam Lolo, Drew Ferguson and Tristan Goodbody provided more than ample support for our hooker Tom Weber. John Ellis, Scott Kennedy and White all performed splendidly behind them while backrowers George Lolo, Todd Martin, Chris Barron and Andy Mallinson were constructive in support and forceful in defence. Halves Brady Engert and Matthew Norrie provided that vital link between, forwards and backs. Our inside backs, were ever changing with the combination of Wright/Martin, Davis/White inside those hardworking centres Thompson and White. Randwick's depth in wingers was never more obvious than in Third Grade and all those who appeared ran in some marvellous tries. Wing Andrew Wing Kee, Wright and Michael Gibson were the chief contributors. At fullback was Daniel Ella, performing well and providing confidence to the team under the high ball and attack.

Significant games that aroused emotion were Round 1 Randwick 41 Manly 17, Round 12 Randwick 68 Gordon 0, Round 14 Randwick 82 Penrith 0, Round 15 Randwick 54 Warringah 7 for these moments and the general support and friendship of all players goes my deep felt thanks.

Fourth Grade Report

Coaches: Bill Davies and Joe Picone

Manager: Ian Holder

Captain: Darren O'Shea

To a lot of people the 2012 Rugby Season will be seen as a failure - our "flag ship team" (First Grade) failed to reach the Semi-Finals however the club as a whole had an outstanding year!

In every other grade including Colts we reached Semi-Finals.

It has been a long time since Seconds, Thirds and Fourth Grades finished in the top four (Third Grade finished in third position).

At the start of the year John Maxwell said that he wanted the club to return to playing running rugby. John went on to say that it's not what we do this year but what we want to accomplish next year. To play our traditional running game there must be an acceptance that we will fail from time-to-time, that's the price you pay for playing "our game"!

So we started the year with so much promise and with talent to burn (so to speak) - what transpired was that we lost the first 5 games and suffered an horrendous injury toll in all grades (31 injured players after 5 rounds and many would be season ending).

Both Joe and I knew that we had the talent but our confidence was down after losing the first 5 games, what was needed was a win but where? - that opportunity came when we played Penrith and while it wasn't pretty to watch it was the start of things to come.

Following that game I recall Joe saying to me that we needed to win every game from here to make the semis and that we just needed to work harder - I have to admit that it seemed a "big ask" at the time but Joe was right - we went on to win the next 11 games straight something I note that no other grade or club side accomplished in 2012.

Fourth Grade Qualifying Final win vs Eastern Suburbs

There are games that live with you where you know that these were turning points during the year:

The Easts game at Coogee where we defended our line for 20 minutes and pushed them back time-after-time - the team showed great courage and commitment to each other that day;

The game against Eastwood at T.G.Millner - we played in atrocious conditions and again defended our line repelling the Eastwood attack over and over again;

The game against Gordon where we took them on up front, our physicality and the willingness to run the ball won the day - what about the Baffler move the backs ran - they had no idea what was happening, they just stood there and let us run past them!!

As a coach you strive to achieve these things but when they happen it is inspiring, it's why we do what we do.

Fourth Grade's loss to Norths in the Preliminary Final at T.G.Millner

With any team balance is required but especially in Fourth Grade where one needs a mix of experience and youth - we were fortunate this year to have the right balance in the team with: Darren O'Shea, Dave Farrugia, Paddy Delohery, Martin Kiernan and Peter Wright - all these players filled vital positions in our team.

Maturity and leadership are desirable qualities in any Fourth Grade side and to have said players with their particular skill set was a blessing - we were very fortunate to have them all.

There are many theories on how a team should be selected however for Joe and I we knew that we must have a powerful number 3 to give us a strong and steady scrum; a number 7 that is first to the breakdown and can pilfer the opposition's ball and a strong running number 12 that can straighten the attack and lead the defence - these players are hard to find let alone have "all of them" available for Fourth Grade.

Well done guys, you are a great asset to your team and your club.

Thank you

We are incredibly fortunate to have numerous sponsors and with that I would like to on behalf on the Fourth Grade side say thank you and especially to our main sponsor Peter's of Kensington - you have been a loyal supporter of our Club for many years and we hope to see this continue for many years to come !

Joe and I would also like to thank:

Ian Holder - Fourth Grade Manager - always supportive of what we and the team were trying to achieve and also offered guidance when required;

Andrew James and Nick Martin for their training drills and game preparation - your guidance and support of the Fourth Grade side were appreciated by the players;

Di Long and her team - I'm sure Fourth Grade managed to go through more strapping tape than the rest of the club - the team appreciated your guidance and support;

Tony Lewis and Clarissa Luxford - your guidance and counsel was very much appreciated;

The BBQ Team - Dan and Chris - thank you guys, you are very much appreciated by all the players;

Fifth Grade - to all the players that pulled on a Fourth Grade jumper throughout the year we say thank you for being part of our team - we couldn't have achieved what we did without you - you are a great credit to the club;

To all the other Randwick Grade Coaches a big "thank you" for your support and the opportunity to work with your teams throughout the year.

Fourth Grade

Lastly I would like to thank my co-coach Joe Picone. Working with someone like you that's passionate about not only the game but how it should be played was extremely satisfying - I'm sure there were days where we wondered if we would find an appropriate structure for Fourth Grade however we always managed to find a solution - thank you Joe, you are great credit to the team and a great ambassador for our club - I personally hope you go on to coach for many more years.

For my part this was my last hurrah - I have given 36 + years of my life to the Randwick Club, the last 14 years as a coach - it's time to pass the baton to the next generation - my time as a custodian of Randwick Rugby is finally over.

We wish Wade Kelly and his team every success for the 2013 season.

On a personal level I extend personal appreciation to Joe Picone.

First Grade Colts Report

Coach: Jon Delaney
Managers: Keith Holmes and Michael Radziowsky
Captain: Wil Munro

After a largely successful 2011, and with a large group of players staying in colts, expectations were high for another successful tilt at the First Grade Colts title. With off-season training starting in November many of last year's colts were determined to put in the extra effort so that we could go one better in 2012. This along with our continued player recruitment, led by Jayson Brewer and Keith Holmes, put us in good stead coming into pre-season training in January.

The increase in depth within the colts playing group made competition for places in First Colts very competitive. This gave the coaches a selection headache we were happy to have. Our trial form was a little erratic, however, we were confident of starting the season well.

We knew the first month of the competition was going to be tough as we were to play Sydney University, Manly and Northern Suburbs during this time. However, we never expected to lose four of our first five matches. This poor start, combined with losing 5 competition points for an administrative error, put us in the very real situation of missing the finals. It wasn't through a lack of effort that the results weren't going our way; it was through a lack of team understanding and inconsistency on the field. Our main problem wasn't our ability to score points it was our defence. As a result we worked hard as a group on all aspects of our defence, including our one on one tackling and defensive structures. I was confident that once we resolved this aspect of our game we would be very competitive. It was round 6 when we started to gel as a team and defensive unit and this certainly proved the turning point of our season. From this point, we went on a 10 game winning streak, including 9 bonus point wins, on our push into the semifinals. A final round slip up against Wests on a wet and windy day was our only blemish for the remainder of the regular season.

Finishing fifth on the table meant we were to play elimination rugby for the duration of the final series and the way the players responded to this was fantastic. The players knew they had the ability and team to go all the way but they also knew they would have to be at the very top of their game in order to do it. Our first semi was against Gordon who we have struggled against in recent seasons. Although we'd won our previous encounter convincingly we knew that it was going to be a very tough match. Gordon is a good attacking team and our defence was the key to the win. Our first half was some of the best rugby we'd produced the entire season and we quickly flew out to a 30 point lead after 30 minutes. However our discipline let us down leading into half time and Gordon clawed back 2 tries before the break. The second half was evenly contested and we ran out eventual winners 38-25. This set us up with a meeting with Manly who were another team Randwick traditionally struggle playing against. From previous experience we knew Manly had a very potent backline and would punish any turnovers. We set out to control our possession, minimise our mistakes and apply sustained pressure on the Manly defensive line. This game was a really physical encounter with both teams belting each other for the entire 80 minutes. We held our nerve and our defensive line in the final quarter of the game to take out a 36-20 win. The win against Manly progressed us to the Grand Final qualifier where, for the 3rd year in a row, we were to face the defending premiers, Sydney University. After our narrow, extra time loss in the same game last year we were confident we could cause an upset. Unfortunately, this was not to be. With five Australian U20 players in their starting XV and playing with a huge wind advantage in the first half, Uni completely controlled territory and possession. Giving the best attacking team in the competition, 90% possession in good field position, proved to be detrimental with Uni going into half time break 37-0 ahead. True to the character of the team, the players never gave up and were

determined to claw themselves back in the game. We scored 24 points (including four tries) to University's 23 in the second half, however it was the first half where the game was lost. It wasn't the way we would've liked to finish the season but sometimes things just don't go your way on the field and when you're playing the five times defending premiers this is reflected on the scoreboard.

My greatest thanks for the season must go to all the players who donned the myrtle green for First Colts in 2012. We certainly had our ups and downs but I thoroughly enjoyed every minute of it. To all the players who are heading to Grade next year, I wish you all the best with your playing careers.

Secondly, I'd like to thank Jayson Brewer, Keith Holmes, Andrew Bloxsom, Nathan McMahon and Michael Radiowsky for all their hard work this year. Most of the time you made my life easier!

Lastly, I just want to congratulate Mannie Kaissis and Tony Palmier along with Mick Michaels and all the Third Colts players on taking out the Third Colts Premiership. Well done boys.

Second Grade Colts Report

Coaches: James Tesoriero, Allan West and Matthew Buckland
Managers: Keith Holmes and Michael Radiowsky
Captain: Ethan Turnbull and Jock Armstrong

The Randwick Second Grade Colts experienced a largely successful and enjoyable 2012 season. Following a gruelling and thorough pre-season training program, the team started the season confidently with wins over Manly and Gordon, before dropping a third round match against Sydney University. Losses in Rounds 5 and 9 to Northern Suburbs and Eastwood were the only blemishes on an otherwise excellent stretch of the season prior to the competition splitting at round 12. Highlights from the first round of matches included a large win 90-3 against Gordon and a nail-biting 27-26 win against West Harbour. Mick Stephen's season-ending injury was easily a low point, a misfortune felt sharply by all of the team's players and staff. Strong forward play and set piece dominance were trademarks of the team's performances. The backline also fired on various occasions and entertained with periods of spectacular play. Our inability to maintain a regular backline for continuous matches, however, seriously limited the backline's ability to build combinations and establish itself as a potent attacking unit.

Following the season split the team played a second round of matches against the competition's lower ranked clubs. This disrupted the flow of the season to a certain extent, with walkover matches interspersed with easy victories. At this stage the team lost industrious Captain Ethan Turnbull for the final 6 weeks due to an appendix operation, which also caused significant disruption. The Seconds followed up consecutive late season walk-over wins against Penrith and Parramatta with an emphatic win over Warringah in Round 15. The 59-19 victory was easily the Colts Seconds' most accomplished performance of the season, with many spectacular individual efforts. In Round 16, without key suspended forward Jake Guilfoyle, the team dropped its final match to West Harbour in miserable and windy conditions, an unfortunate way to end the regular season.

The Seconds entered the Finals ranked third on the competition ladder, with 11 wins and 4 losses. Match fitness was a major concern however, the team playing only 6 matches over the season's final 12 weeks. Fitness trainer Matt Buckland lifted the volume and intensity of fitness work at training during this stretch in an attempt to maintain match fitness. This time also allowed several players to rehabilitate injuries and return to play. Centre Moana Lolesi returned to the team in timely fashion, as centre Alex Mides's season was simultaneously ended by a broken thumb. Ethan Turnbull also returned to the team to boost the playing stocks ahead of the Final Series.

The Colts Seconds encountered Eastwood in the first week of the Finals. While the game was non-elimination by virtue of the team's high finish, a win and a return to form were necessary for the team were to be considered Premiership candidates. The team brought great enthusiasm and effort onto the pitch, however were let down badly by execution of skills and soundly beaten 35-19.

The team's 'second bite of the cherry' took the form of an elimination match against Southern Districts, a dangerous team with a well-rounded attacking game. Souths had beaten and eliminated West Harbour in week one of the Finals. For a second straight week, the 'Wicks team showed up with tremendous energy and aggression, competing fiercely with their season on the line. Very little split our teams at half time of this match, until a series of dropped balls and defensive errors early in the second half allowed Souths to take control of the match and end our campaign. Unfortunately the Second Colts finished the season with a number of shaky performances, belying the composure and execution they played with for so much of the season.

Several players displayed vast improvement across the course of the season. Halfback Alex Koerber started the season in Colts Thirds, however quickly justified his promotion to the Colts Seconds and improved his skills and match awareness with each match. Oli Nicholson provided direction and point-scoring at flyhalf, leading the team with 90 points from 4 tries and 35 conversions. At the hooker position Jake Guilfoyle was outstanding, both around the park and at set piece. Jack Pennington led the team with 6 tries for the season, and was the team's most dangerous attacking player. Moana Lolesi was at stages dominant in the midfield, but his season was unfortunately marred by ongoing hamstring problems. Lock pair Tim Murray and Darcy Hilton provided a good balance of composure and aggression. Tim's work output improved steadily throughout the season, while Darcy added starch to the pack and was the linchpin of our highly effective lineout. James Dan was highly dynamic in defence and at the breakdown, and provided strong leadership qualities. Jock Armstrong won the team's 'Best and Fairest' award based on accumulated 3-2-1 voting, despite playing much of the season in First Grade Colts. Jock was consistently dominant in his play and has all the attributes of a future professional player. Around this core of players a huge roster made valuable contributions. 42 different players started matches for the Colts seconds throughout the year and 59 different players were used in total. Forwards coach Allan West, set piece coach Andrew Bloxsom and trainer Matt Buckland worked capably on the week-to-week preparation of the team, and the individual development of the group's players.

Grand final: Randwick 17 versus Sydney University 5

Every player who represented this team in 2012 can walk away from the season on a high as it was one of our best in recent years. Acknowledgement is afforded to all players and co-coaches Tony Palmier and Michael Michaels. To our supporters not only for last year, thanks for backing up in 2012. In looking at our season review we surpassed last season's second spot.

This year we went on to defeat Sydney University with a resounding 17-5 thumping in the Grand Final. The highlight of this game was our defence. Uni camped inside our 30 metres for 23 minutes and could only come up with one try. The second highlight was the fact we kept Sydney University pointless for the rest of the game. We now sit alongside the 2006 U19 Colts as Premiers. The results and statistics are just numbers and what the season offered away from rugby was much more - the 'thirsty thirds' are a very tight knit group (this group of players since inception of 2011 has played 40 games: won 32, drew 2)

2012 was not without its challenges, surpassing last year's result, dealing with 40 players at one point and with the movement of talent up and down from Second and Third Colts were all issues we needed to deal with. We had various mottos to get us through the season including "Winning Starts on Monday" and "Run to Win". Training sessions were great with our friends the legendary "Rope" 400s, coat hangers, stress tests and oxygen deprivation loading. The catch cries "Latch", "Scrum", "Ruck", "Elephant March", "Exit", "Birth", "Express", "Hit and Stick" and "Rooster" also featured.

Colts Coordinator's Report

In 2012 the Colts teams competed in the semi-finals for the first time in many years. First Colts going down in the Grand Final qualifier, Second Colts making it to the second week and our triumphant premiers Third Colts going one better than 2011 and winning the Grand Final. Having all three teams experience finals football for the first time in many years was a credit to the whole group and reward for a tough pre-season and the commitment shown across all three grades. The season for most began in October 2011. Numbers again were strong and program was in full swing; players driving from two hours away to attend sessions, large numbers attending grueling Wanda sand hill sessions and weekly core skill and physical performance sessions were once again setting colts up with a good skill and fitness base leading into competition.

Canberra Sevens - we took two teams to this tournament. This was a great initiative in the development of colts and one I would like to see the Club to continue to develop. Trial form saw over 80 players attend all four trials. These were our highest numbers in years - again a great mix of local boys, players relocating to Sydney and an important core group of players backing up from 2011.

Representative Honours

- Alex Epo Isefoa - Selected for Samoa Under 20s and competed at Junior World Cup in South Africa
- Mark Baldwin- Selected in the National Academy
- After the 2012 season Andrew Norton, Jesse Harris, Mark Baldwin, Jock Armstrong and Nathan Roye were all invited to trial for the NSW Under 19 team.

The Colts were fourth on the Colts Club Championship ladder.

Thanks go to First Colts Head Coach Jon Delaney for his excellent preparation and commitment to the group. To go down to Sydney University twice in the Grand Final qualifiers is tough to take.

However we often spoke about the development of players and having them reach their potential in the coming years. As a group we acknowledge that we had success winning ten games in a row and with development of the playing group. Unfortunately a classy Sydney University side to whom we gave too much possession and territory in 40 minutes were too strong to peg back in the second half of the game.

Thanks to Andrew Bloxsom, Colts set piece support coach, who supported the coaches' philosophy and transferred our ball winning policies across the group. Andrew's role was invaluable throughout the season and our set piece dominated in all games.

Nathan McMahon - Rehabilitation and skills assistant - provided necessary extras to players. This was identified post 2011 as an area in which the Club does poorly. Nathan also assisted by running a rehabilitation program with physio Stu McKay and was the major reason why injured players would often return to teams with near match fitness. Nathan's additional skills program he ran as extras was also beneficial to players whom coaches identified as needing supplementary work.

This year we welcomed James Tesoriero, Alan West and Matthew Buckland to Randwick as our Second Colts coaching group. I know the season didn't end up where the group wanted it to however, despite a severe injury toll leading into the semis, the squad worked extremely hard and ultimately went down in the second week of the semis to a red hot Southern Districts team. There is a core group of these boys returning in 2013 who will move to First Colts.

Congratulations to coaches Mannie Kaissis, Michael Michaels and Tony Palmier, the Club congratulates you on bringing home the silverware. A truly gutsy effort was delivered by all players. Testament to the environment you created, the numbers stayed strong throughout the whole season seeing mateship between players even though they were literally fighting for positions throughout the season.

Note to the group- "Winning starts Monday, carry the rope Wednesday and perform on Saturday!"

Well done on a great end to what has been a tough two years. Special mention to Nathan McMahon who assisted with the team's training leading into the final six weeks - his focus on defence and contact skills developed the group's game awareness leading into the finals campaign.

Grand Final Day - It was noted the support brought on the day by First and Second Colts was a testament to the bond this Colts group has. Seeing Third Colts swamped on the bell by all your mates is a memory that the group will treasure for years. Congratulations to Third Colts on a special achievement!

Special thanks to:

Stu McKay - Colts Physiotherapist: Stu made a difference in our 'return to play' rehabilitation program. Stu worked wonders with the playing group. It was evident we were going into the semi finals with many of our top group players carrying injuries, and with the work that they did with Stu they were able to get onto the field. A lot of players deserve credit here in learning how to play through injury and manage themselves to the last game.

Keith Holmes and Michael Radziowsky - thanks for their support and extras done with the group. The group will miss the 'Radsy minute' each Monday. Keith's knowledge of player identification and welfare is second to none and we have appreciated his invaluable assistance to players throughout the last two years especially players taking up the challenge to move to Sydney to play for a club.

Craig Morrison, with whom I worked closely with over the past two years. The vision, program implementation and structures in place were a reason why colts group had such success in 2012.

Steve Hoiles who assumed the Director of Rugby Role early in the season. Steve showed a keen interest in the group and player Identification.

Clarissa Luxford - who kept us all informed how Colts were going via the Club website.

Thank you to parents and supporters - Not many supporters would know that Colts had to play the last 11 games of the season away from home. As a group we took on the challenge, made other sheds our own and all three teams had a successful run into the finals. First and Second Colts teams will look back on a disappointing season in terms of not holding up the trophy at the end of a long season. However we can look back and remember the 10 games First Colts won in a row (record for First Colts) but more importantly what can't be taken away from the group is the mateship, teamwork, attitude, and Colts times you have shared over the course of the season.

Season 2013

A large number of colts will be moving into grade and it is important, as a whole club, we recognise the talent coming through. The club needs to have the systems and programs in place that facilitate player development across all levels. The Identification of players who are 'ready' compared to players who 'develop late' needs to be integral to the planning process for both individuals and club development. With professional rugby having a large impact on club rugby, Randwick needs to create a new road map for players and facilitate this by programs, strength and conditioning, return to play policies and a vision for the future.

I wish all players and coaches the best of luck for 2013 and beyond.

University of NSW – Sport Scholars

Randwick Rugby Club / St Hilliers/ UNSW Scholarship recipients

Andrew Norton (Bachelor of Commerce)

Unfortunately Andrew sustained a serious injury early in the season which affected both his Rugby and his University Studies. Andrew applied himself to recover in both areas and managed to make up for lost time as the year went on, catching up in and passing all of his university subjects while going on to higher rep honours with his Rugby, culminating with selection in the NSW U19s squad. Unfortunately the State Representative trials clashed with the Australian University Games and he could not compete for UNSW in the latter.

Paris Cockinos (Bachelor of industrial Design)

Paris Cockinos had a very good introduction to combining his playing career at Randwick while studying at UNSW. Paris is in his first year of a Bachelor of Industrial Design at UNSW and played first grade colts at Randwick. Paris also represented UNSW at the Australian University Games in Rugby 7s and was rewarded for his efforts during the week to be selected in the Green and Gold Merit team at the Games. Paris has now completed his first year of his Industrial Design degree.

Randwick Juniors Report

Randwick Junior Rugby acts as a mission control centre for our village clubs and the Randwick District Representative program - with both areas enjoying a tremendously successful season in 2012. Across the Coogee, Clovelly, Eora, Maroubra, Randwick Warriors and South Coogee clubs over 900 boys played rugby every weekend.

There were 32 Randwick teams in our minis competition for under 6-9 years olds held at Nagle Park each Saturday morning in conjunction with our friends from Easts. A further 31 teams participated in the junior age groups from Under 10-17s - playing in SJRU competitions on Friday night, Saturday afternoons and Sundays.

In Sydney-wide battles, premierships were won by South Coogee in under 10s and under 13s in the Saturday Competition and by Clovelly under 13s and Randwick Warriors under 14s in the Sunday competition. In virtually all age groups we had grand finalists or preliminary finalists – a testament to the strength of the area and competitiveness of our boys.

Thanks go to the club presidents Andrew Dyster (Clovelly), Jamie Johnson (Coogee), Craig Standing (Maroubra) and David Shalhoub (South Coogee) without you or your committees there would be no junior clubs or any true 'blood and guts' efforts to get kids playing weekend rugby. That filters down to all the volunteers at each club – from coaches, trainers and managers; to those parents that simply stepped up when a BBQ was needed, a goalpost packed away or a raffle item donated.

In a first, each Village Club this year has provided its own season review in this Annual Report – they are after all a huge component of the Randwick Rugby Family.

In terms of the representative program 160 boys were selected to gallop in green at the State Championships - where we fielded eight teams from under 10-17s. Unfortunately we had no victors but the Under 13s and Under 17s both made the Grand Final and played gallantly against much bigger opponents in absolutely terrible weather conditions at T.G. Millner Field. Fortunately no-one drowned or was lost in the mist. Equally we were as proud of the efforts of all our teams that gave of their best over the June long weekend.

We thank Jim Dubos for his passion in running the rep and development programs as well as all the coaches, managers, selectors and parents for their support. We are even understanding of those that make our lives somewhat lip-numbing around rep season – knowing that everyone is passionate in their own way about Randwick Rugby without all '*seeing the forest for the trees*'. Now there's a great myrtle green analogy.

The hosting of the Randwick Juniors 7s tournament in March and a Minis Gala Day in June, both of which attracted over 60 teams, were huge success stories for our district and the development of the game. Also the inaugural trip by the Randwick Under 13s team to the Gold Coast and the establishment of the Randwick Junior Academy, both of which have Jim's paw prints all over them, have been the key achievements for Randwick Juniors and pivotal programs to develop bloodlines into the senior club.

To our major sponsors Wasim Gazal at Mambo, (yes, the farting dog was on fire on the state carnival jumpers), Tom Evans at the Lloyd McDermott Foundation and Angus Graham at the Coffee Crew we are indebted for their support this season. Also we know Jon Collins is a very generous yet understated benefactor to junior rugby in our Club over an extended period and yet again we salute his support and passion.

Rugby can't be played without referees and again they did a superb job under ever increasing pressure and at times moronic behaviour from the sidelines. The irony is that some people don't understand why there is a shortage of whistleblowers to officiate at little Johnny's game. However, we successfully remedied this by getting 22 young Randwick boys with great eyesight, knowledge of the game and hearing deficiencies into the ref's ranks at a course held at Latham Park in June. For their work at the minis we sincerely thank Joel Ninyo and his group of young men and women and, in the junior grades, Noddy Wright and co at the SSRRA for their support and perseverance every week.

Most importantly I would like to pay tribute to our extremely trim Juniors Committee of Jim Dubos, Doug Eiggins and Lindy Benyon who helped with various projects throughout the year. Also we enjoyed the tremendous support of King Simon Poidevin on all things junior. No-one has a contact book quite like him.

In reality though, the juniors committee is not really functional and quite simply we need more support to combat single-source reliance and shorter presidential terms. If anyone can count, doesn't have a gambling problem and knows how to use Netbank to pay a bill you would have all the hallmarks of an exceptional treasurer. If you can string a few nouns together, listen intently, feign to take notes, but then creatively send the minutes within hours then you would be a wonderful secretary. Please apply.

Seriously though, we love kids playing rugby and I am fearlessly predicting that in 2016 the inaugural Junior Academy graduates will be making their First Grade debut!

On behalf of the junior community I wish all at Randwick Rugby success in 2013.

Clovelly JRFC Report

2012 was a memorable year for Clovelly Junior Rugby with the Club commemorating our 50th Anniversary. Fittingly the season was a successful one with the Eagles having over 280 registered players and all the team playing a great brand of rugby.

In the Minis the Eagles again had three teams in the U6s, U7s, U8s and U9s running around at Nagle Park each Saturday morning. The boys developed some great skills, showing tremendous improvement each week and most importantly had a lot of fun with their mates. A special mention needs to go to both the U7 Blues and U9 Reds who went through the season undefeated.

We fielded eight Juniors teams in the SJRU competitions. Our U13s had an outstanding year going through the season undefeated in winning the Sunday B competition and the U10 Blues were winners of the Plate Grand Final in the Saturday Gold competition. The Club also contributed twelve players to Simon Poidevin's victorious U14 Randwick Warriors in the Sunday B competition and we had two other teams make the Grand Finals with the U11 Reds going down in the Friday Night Plate and the U15s falling agonisingly short in losing by a solitary point in the Sunday D competition.

This year we were lucky to have Drew Mitchell come along to our Presentation Day to present the four major Club Awards. Max Tanner took out the Exceptional Achievement Award on the back of his 64 season tries, the Chris Whittaker Award for most potential in a Minis player went to Connor McMullen, Nick Black took out the Col Windon Award for most potential in the Juniors and Daniel Szabo, from the 13s, took out the coveted Shawn Mackay Club Player of the Year Award. Congratulations to all these boys.

Clovelly U11 Reds

Thanks go to the small army of coaches and managers for all their efforts throughout the season. With the training, planning and game day coordination it is a huge commitment and one that often goes unnoticed. Also, thanks go to all our sponsors and supporters for their continued generosity in 2012. A particular mention goes to Macquarie Wealth, Raine & Horne Bondi Junction Coogee / Clovelly and the Randwick Rugby Club

Coogee Junior Rugby Report

Coogee Junior

Rugby Club

Coogee Junior Rugby enjoyed another successful season in 2012, with over 340 players and 23 teams – so training between 4-6pm on Wednesday nights at Latham Park was incredibly busy but ran in a well-oiled fashion.

Whilst we missed out on a premiership this year The Seahorses reached three grand finals and were runners up (Under 10, 11 and 12s) and a further four teams (Under 13, 15, 16 and 17s) bowed out in the preliminary final stage in the tough Sunday A competition. We also had 10 x Under 6-9 year old teams running around Nagle Park on Saturday in the minis competition – simply playing for fun and enjoying rugby in the way it is supposed to be.

Anthony Vasilis was deservedly named The Stephen Hoiles Junior Player of the Year in his last season of village club rugby, capping off a stellar junior career for the club and the district.

Showing the strength of the mighty black and whites we had four players selected in the NSW Under 16 and 17s Representative teams. There were also dozens of players who represented Randwick District at the State Championships. Special mention to our U17s who donned the myrtle green for the weekend and made the final.

The club continued a wonderful 40 year rugby tradition by sending 6 x Under 10 and 11 touring teams - consisting of 130 players and parents to Brisbane to play the Souths Club. Souths were again incredible hosts and a great time was had by all the boys. Demonstrating the power of community spirit within our Club, our Social night and tour fund-raising activities were both spectacular successes that enabled all kids to travel fully kitted out in tour gear and at no cost. This fantastic achievement was thanks to the small band of volunteers who worked tirelessly to ensure our boys had a truly unforgettable experience.

We would like to thank our major sponsors Core Mortgage Brokers and McGrath Bethwyn Richards, our sleeve sponsors Paddington Glass and Insight Oceania for their incredible support and generosity in 2012 and to all those that assisted in our primary fund raising ventures, the time honoured canteen and BBQs at Coogee Oval and Nagle Park.

Finally to all our players, coaches, managers, volunteers and committee thanks go for all their support in making 2012 a great year for Coogee Juniors.

Coogee Blacks U17 Report

Since taking over the Coogee boys in 2009 we have won two premierships and, in 2012, were the first U17s Randwick team to compete in the State Championship final in over 50 years and finished runner-up to top it all off. The core group of Coogee boys has been playing with or against each other in local teams such as Coogee Blacks, South Coogee, Coogee Saints, Clovelly and Eastgardens since the U6s. As teams dropped off as the boys got older, Coogee was the team to turn to and with some of the best talent in the Eastern Suburbs, it was a team to look out for.

I officially took over the team half way through the U14s. U15s was my first full year with the team and was a whole new look to rugby for most of the boys. We were now playing in the Northern Zone and, instead of the traditional Saturday games, we now played on a Sunday. It was a big commitment for the parents and the boys but throughout the year they never once complained about games or venues. The boys really started to gel not just as a team but as a group of close mates and this helped improve their performances on the field. We had an incredible year losing only one game throughout the season in the U15s C division. We came up against Beecroft, our new rivals made over the year in an evenly matched game. Coogee came away with the premiership making a great season and all the hard work worth it. U15s was the first real look at representative rugby as six of the boys, Fred Fiala, Matthew Crafts, Nick Koutsoukis, Jacques Saba, Oren Shmailov and Anthony Vasilis all took the next step up from the representative level of Randwick being selected for Southern Zone which comprised the best players from Randwick, Southern Districts and Sydney University playing against the other Zones, a team from the ACT and Western Australia.

After coming off a big win in U15s, the team moved up a grade to the B Division and were ready for the challenge. We made the finals finishing second after the season and really had to fight to make the final. We were up against Harbord who beat us in a close one late in the season and were up early in the first half. We fought hard not letting Harbord score once in the second half scoring three unanswered tries to take out the premiership for the second consecutive year.

The boys exceeded at representative levels with close to half the team making some form of representative team as follows: Zayde Alvarado: Southern Zone – Matthew Crafts: Southern Zone, Sydney, U16s GPS, Junior Gold Squad – Fred Fiala: Southern Zone, Sydney, U16s CAS 2nds, Junior Gold Squad – Mitchell Jowett: Southern Zone – Nick Koutsoukis: Southern Zone, Sydney, U16s CAS 1sts, Junior Gold Squad – Ben O'Donnell: Southern Zone, U16s CAS 2nds – Tom O'Connor: CAS 2nds – Ryan Powter: Southern Zone – Aaron Smith: Southern Zone – Jordan Terare: NSW Barbarians – Anthony Vasilis: NSW Barbarians, Randwick Boys First XV, North West Metropolitan Zone Opens, U16s CHS, CHS 2nds opens, NSW Schools U16s, National Gold Squad – Zac Wheeler: Southern Zone, U16s MCC.

With a majority of the boys returning from 2011, we were ready to take on the A division which we knew would be the most difficult of the past couple of years. 2012 was a very up and down year, when we were up no one could beat us contrasting with times throughout the year when we were struck with injury after injury. We ran on to some games several times during the season without a reserve and still managed to win the game or put up a good fight. Overcoming the lows we still managed to make the finals and gave Hawkesbury a good run in the semi only to go down by a try.

The highlight of the year for me was seeing the boys don the Randwick jerseys and go through undefeated to the final beating teams such as Manly, Northern Suburbs, Warringah and Sydney University. We went down to Parramatta in the final. Several players once again went on to be selected for further levels of representative rugby and First XV rugby with two ultimately representing NSW at the national junior titles. Fred Fiala: First XV Saint Andrews College, Junior Gold Squad – Nick Koutsoukis: First XV Waverley College, Sydney, U17s NSW – Ben O'Donnell: First XV Waverley College, Sydney – Tom O'Connor: First XV Waverley College – Ryan Powter: First XV Waverley College, Sydney, U17s NSW – Jordan Terare: Lloyd McDermott Development Squad – Anthony Vasilis: First XV Newington College, National Gold Squad.

Randwick U17-2012

It has been a pleasure to be part of the development of this extremely talented and dedicated group of young men. I cannot wait to see all the boys playing for Randwick in the not so distant future.

South Coogee Junior RUFC “Red Devils” Report

2012 was a fantastic year for the South Coogee Red Devils. The club had over 165 children registered and playing and formed five Mini teams and six Junior teams which is a fantastic effort for our small Village Club.

South Coogee has now been going for over 50 years and still going stronger. This year heralded the launch of a new style of jersey for the club with the Devils logo appearing on the shorts and socks. This is largely thanks to our new sponsor Marnie Seinor of McGrath Real Estate coming on board this year; we are very thankful to Marnie for this support. We would also like to thank our long time sponsor Frank Panucci of Panucci Transport for his ongoing generous support; even though he no longer has children in the Club he continues to help.

South Coogee Red Devils had incredible success on the field this year with every child enjoying the 2012 Rugby season.

The Minis played hard week in, week out at Nagle Park whilst the Juniors tirelessly travelled to their various destinations (tiring out the parents!!)

We took out two Junior Premierships this year:

- (a) Under 13s – congratulations to all involved – a well fought out season premierships prize at the finish!!
- (b) Under 10s – this was an absolute stand out effort from both players and coaches with the team being undefeated Premiers and taking out the Grand Final Trophy!!

Thanks to everyone involved with the Club this year, namely the players, coaches, managers, parents and families. It is only through everyone's help and effort that we can continue to go to 2013 and beyond.

Junior Development Report

As a follow up on a 2011 Sevens tournament run for village clubs and local schools it was decided to revamp the concept for 2012, play the tournament on a Sunday in March and invite teams from Sydney wide to play the locals. All up 54 teams entered including 24 from our village clubs and 30 from visiting teams. Age groups were U10 - U14 with this tournament being the first taste of Sevens rugby for the majority of the players. Our thanks to the local referees who presided in 104 games of football throughout the day. Also on hand was the development staff from the Australian Rugby Union.

2012 Randwick Junior Sevens

Our representative campaign went well this year with the U17s and U13s making the finals in their respective age groups. The U12s only lost one game to the eventual winners. The U10 development teams had a good introduction to rep football. All teams performed well and were a credit to the Randwick club. Thanks go to the Coaches, Managers and Selectors of the various age groups. At the age of 13 we are in a battle with Souths Juniors Rugby League to have our players available for the State Championships as these clash with the Junior Bunnies program. To offset this, this year's U13 team undertook a five day tour to the Gold Coast with funds raised by parents by way of countless BBQs culminating with a Representative dinner held at the Rugby Club. The tour was a huge success and thanks go to former Randwick player Michael Joseph who now resides on the Gold Coast for his help in arranging two games. Thanks also to our guest speakers Tim Horan, Alan Gaffney and Steve Hoiles and MC Rod Willey as well as the people who donated auction items. I'm sure the 150 people who attended enjoyed the day.

In conjunction with Randwick Council two primary school ten-a-side tournaments were arranged. In August it was the Year 5 - 6 tournament and September the Year 3 - 4 tournament. Both these days were a hit with the schools with the majority of the participants experiencing rugby 10s format for the first time. To my way of thinking these Gala Days are the greatest recruitment tool the Club can use in our battle with the other codes in giving young boys the opportunity to sample a new sport.

The highlight of the season has been the formation of the Randwick Rugby Junior Academy. Incoming first grade coach Wade Kelly has been one of the keen movers of this project, coaching at the Academy each Wednesday with former Randwick players Geoff James, Stu Donaldson, Rod Willey and Simon Poidevin joining the boys on Saturdays. The squad consists of 60 boys aged 12 – 16, divided into four groups. The program runs for six weeks prior to Christmas and will resume in February running for another six weeks. The training consists of skill training on Wednesdays (ball skills, defence, ruck technique) while on Saturdays off-field sessions are held including testing the boys on the Coogee stairs, Run Swim Run at Clovelly and running at the Wanda sand hills.

In closing, thanks go to Mark Harrison who leads the Randwick Juniors committee and has turned the Juniors around both on and off the field. Thanks also to the Presidents of the Village clubs and all the parents who contribute to the day to day of running of their respective Clubs - Without them the Juniors would not survive.

Randwick Rugby Junior Academy

On the first day of his appointment as Randwick First Grade Coach for season 2013, Wade Kelly, put together a committee led by Jim Dubos to oversee the formation of the Randwick Rugby Junior Academy. The committee was:

- Stephen Hoiles, Randwick Director of Rugby, Wallaby, former Brumbies captain, Randwick first grade captain and former Junior of the club
- Simon Poidevin, Wallaby captain and Randwick legend
- Wade Kelly, former Randwick first grade player and former Junior of the club
- Jim Dubos, 52 years in rugby, as a player, coach, administrator and former Junior of the club.

Wade Kelly stated “I see the Academy and Juniors as the most important aspect of our club. We are extremely fortunate to have Jim Dubos involved, alongside Simon Poidevin and Steve Hoiles, to search for the next generation of Randwick Wallabies”.

Jim Dubos stated “The Junior Academy is a summer program to help to prepare the participants for the NSW Junior State Championships. The Academy is a means to help build stronger links between the Junior Village Academy and Randwick Colts and Grade.”

On Friday 19 October 2012 an information night was held at the Randwick Rugby Club – the sixty invited Junior players attended the night with their parents.

On Wednesday 7 November 2012 the first session was held at Latham Park with a 1500 metre run time trial with skills, a game and dynamic stretching session focus and individual and game handling skills. A further 11 sessions were held culminating in a conditioning sessions with the Waratahs and Grade players on Saturday 15 December 2012. A Club BBQ followed with Michael Cheika, Coach of the Waratahs joining the Grade and Junior players.

The players then had a well-earned Christmas break. The next session of training resumes on 6 February 2013 and completed on 16 March 2013.

After the game Randwick invited the Gold Coast Academy coaches, players, parents and supporters back to the reserve outside the local surf club for a BBQ and soft drinks. All parties mingled and enjoyed each other's company.

At 3.45pm the team departed to the airport and had a safe journey back to Sydney. The team would like to thank Mick Joseph for his outstanding efforts in arranging the tour, and to the coaches and management of the Lennox Head Rugby Club and Gold Coast Academy for providing great rugby and friendship.

Mick Joseph sent an email today stating:

"Just a short note to say how great it was to see a group of kids who love their rugby play in the best Randwick tradition. I can count of one hand the times they kicked in a game and how they backed themselves to run the ball. They always presented well at games and their on-field behavior was great as well. All fine ambassadors of Randwick".

Jim Dubos forwarded an email to the team today stating:

"Yesterday I spoke to the team asking them what the highlight of the trip was for them....the top three in no particular order were Wet'N'Wild, the three hour surfing session, and the game against Lennox Heads. The last of the three surprised me as I thought most kids would select the activities over rugby. It just goes to show how much the kids appreciated the contest on the field as well as the camaraderie off the field."

Randwick Warriors Under 14 Report 2012

The Randwick Warriors Under 14s were 2012 Premiers in the Sunday "B" Under 14 competition defeating Narrabeen Tigers in the Grand Final 35 - 19.

For a team that came together for the first time on Coogee Beach in February 2012 as a mosaic of players from South Coogee, Clovelly, Waverley, Marcellin, Scots, Newington and Marist, it was a monumental season.

Playing the true Randwick Rugby running game, the boys put on some amazing performances across the season and thrilled parents, spectators and their proud coach Simon Poidevin.

The team played in the famous Myrtle Green Jersey, Socks and Shorts.

Treasurers Report

The 2012 financial year was not without challenges and whilst revenue for the Football Club declined from \$833,000 in 2011 to \$580,825 in 2012 the Club has been able to post a small surplus of \$18,353 (2011 \$9,609).

Once again the Club was able to minimise its dependency on the Randwick Rugby Foundation Limited ("RRFL") and only called on \$70,000 of support for the year (2011 \$100,000, 2010 \$230,000) which was important at a time when the RRFL was supporting the Licensed Club.

This strong result has been achieved in an environment of continued increases in operating costs amongst all aspects of rugby operations and a generally tough economic environment for sponsors and for our colleagues at the Randwick Rugby Club Limited. Through tight cost control and a dedicated team, the Club has finished the 2012 calendar year in strong financial position. This strong balance sheet allows reinvestment in the Rugby program in 2013 which will hopefully see a stronger on-field performance from the Club. After all that is why we are all here! I would like to thank our former General Manager, Tony Lewis, for his efforts and personal dedication during his time here.

The Budget for 2013 demonstrates that challenges remain in the finances of a Sydney Premier Grade Rugby Club. However on a positive note we have successfully retained all major sponsors for 2013 and added new sponsors to the Randwick family. In particular we have secured UNSW as a major sponsor going forward.

The Council and the Club are dependent on the continued support of our sponsors and the efforts of those many Randwick loyal volunteers and supporters that provide their time and energy week in and week out to ensure the operations and workings of the Club continue on a day to day basis. From coaches and managers to gate keepers, medical staff, representative players, bar tenders, time keepers, ground announcers, statisticians and ball boys to the supporters who turn up each week along with the sponsors and the many other volunteers I wish to thank you all for your extremely valuable time and financial support in the past and look forward to it again in 2013.

Honorary Treasurer

Randwick Hall of Fame

The inaugural induction of 16 past players into the Randwick Rugby Hall of Fame took place on 9 September 2010 at the Hilton Hotel. 700 people joined the Club to celebrate the first group of inductees. Former Wallaby Rod Kafer acted as Master of Ceremonies for this occasion. Rod again served the Club as MC for the second induction ceremony held on 21 July 2011. Again at the Hilton Hotel, 600 people were present to receive 7 additional past player inductees. The names of those admitted to the Club's Hall of Fame are listed alphabetically by years. In 2012 Alan Jones presided over "The Roast of Jeffrey Sayle" – a tribute to the Club's Patron and long-time servant.

Notes: The aforementioned list of Australian representatives includes:

- Members of NSW sides from 1923 to 1928 inclusive, who played against New Zealand, Maori and British sides and all of whom have since been accorded Australian representative status.
- Members of the 1939/40 Australian side which arrived in Britain at the outbreak of World War 2, played no games in Europe, and who have been accorded test representative status.
- Each player's games include only those in which he appeared while with the Randwick club.
