#### **President's Report**

It is with some enthusiasm and confidence in the future that I write this report for season 2013. Perhaps this is a little surprising, given the highs and the lows that our coach has described in his report, but, clearly, the foundation for our revival is there.

We have the spirit, the self-belief and the enterprise that are all fundamental, both on and off the field, to long term success. We now move forward aggressively, with legendary Randwick determination, to attach the necessary detail which will ensure our steady climb back to the top.

Don't be misled. We have not always been at the top. At one stage, some decades ago now, the club even ceased to exist. But we came back! We have had various periods when we languished below the top level of success. But we always came back! We are on our way back again; I can feel it.

Again, don't be misled. Success is not ours by right and there is no magic formula. We will succeed again, by hard, accurate work – just as we have always done. We must be smarter and work harder than the others – just as we have always done. And we will – both on and off the field – just as we have always done.

Congratulations to all involved in 2013 – I'll say it again, on and off the field – for a season full of promise.

On the subject of promise, "You ain't seen nothing yet!" And that's a promise!

#### **Life Members Association Report**

#### 2013 Rugby Season

The Life Members Association would like to acknowledge the Club on the Club's improved achievements during the 2013 season. The efforts displayed and the results recorded would be the envy of many other Rugby Clubs.

The Association recognises the application and exertion of the players, coaching staff, managers, on field staff, trainers, medical assistants, administrators, the Rugby Council and all the worthy volunteers who in many capacities contributed significantly. The Club consequently participated competitively in a much improved Sydney Grade Rugby Competition.

Two matches played by the first grade team during the season, the match against Southern Districts in the first round and the match against Eastern Suburbs in the second round were standouts. Both matches won the first grade were of the highest quality and the players displayed skill, courage and determination. All involved should be congratulated.

#### **Association Activities**

The Life Members Association is a sub-committee of the Randwick Rugby Council constituted by the Council by the delegated authority of the Club's rules. The Association carries out such tasks as the Council may from time to time direct.

The Association has been provided with the task of assisting the Council by identifying possible nominees for consideration by the Council of being eligible for the Club's higher awards including Life membership, the Wally Meagher Trophy and Meritorious Service Awards and the Hall of Fame.

During 2013 the Association held meetings to date on 8 February, 10 May and 6 September. The Association has prepared a Member Information Form and is in the process of preparing a Position Paper. The Council has approved the Form and it is already in circulation. When the Paper is completed it, too, will be submitted to the Council for consideration.

A number of Life Members were guests of the Council at the season launch held at the University of New South Wales, as guests of the Council in the sponsor's marquee for the game against Warringah and at the end of season function on Sunday 8 September.

#### Conclusion

On behalf of the Life Members Association, I once again commend the support and recognition the Life Members and the Association receive from the Randwick Rugby Council and from Club Members generally.

As a segment of the Randwick Rugby community, the Association expounds the philosophy of a past commentator of the Club:

"Here is a Club that primarily enjoys its football, enjoys the freedom and creativity of spinning a rugby ball from one pair of hands to another, relishes the chance to race pell mell from one side of the field to the other until suddenly the opposition goal line is breached and plundered."

Peter Court Chairman Life Members Association

The RDRUFC extends its condolences to the families of Norm Barton, Patrick Francis Finegan, Jack Edward Gelling, Edward Heinrich, Vince Heinrich, Paul Pemberton, Carol Law, Scott Lewis, Paul Pemberton and Joyce Ramsay.

#### Report from the RDRUFC Club Chaplain

This was my first full year as chaplain, and thanks to all who extended such a warm welcome. We were still in pre-season trials when I found myself out in the middle lifting Mitch Bath onto an ambulance stretcher! There's been a few other hospital visits since then but thankfully not too many. It's been great fun getting along to training with the lads each week, sharing stories with the old faithful over a few beers, helping to welcome new players, and being around on game day. I also had the opportunity to help the Club re-connect with an old Wicks strapper Norm Barton, who sadly passed away in July.

When Michael Jones was asked how he could be such a ferocious tackler and also a Christian, he replied with a bible verse: 'It is better to give than to receive!' The best clubs are those who are full of players who give on the field and full of people who give a hand off the field. Chaplains in sporting clubs across Australia are making a difference as they support players in difficult times, contribute to the spirit of teamwork and community, and help everyone be team players on and off the field. Supporting players and staff in this role takes time and trust. This year was about getting to know a lot of people and building that trust. After some conversations with Nick Ryan, next year we'll be able to put some more structure around my role, which I'm sure will provide more opportunities to have a chat, share a beer, and be a listening ear. I'm very much looking forward to it.

#### **Dave Rogers**

#### **Director of Rugby Report**

Firstly I would like to thank my predecessor Steve Hoiles, having been fortunate enough to play grade with Steve on a few occasions, I am well aware of the passion Steve has for the club. He passed the role to me after making some inroads at the back end of 2012.

WOW - What a Season to be involved again at Randwick Rugby, I was super excited to get back into the fold with a great group of people led by Head Coach Wade Kelly.

I must say I admire Wade for his courage in introducing the Randwick Rugby traditional running game back in 2013, and Randwick in all grades and Colts showed glimpses during the year of being the Side to beat in all 7 Teams. Old habits are hard to budge and I must say by season's end we were well on the way to being the leaders of running rugby again.

I also feel Wade has taken a hard approach with turning this great club around, this is a job in itself, and what he has realised is you can't keep everyone happy and you can't be everyone's best friend. I see a lot of Michael Cheika in Wade and I think this will hold him in good stead as he advances his coaching career.

With the summary of the year I wanted to start with the club championship, this is a very good gauge as to what direction the club is headed, as a club we finished fourth in Club Championship behind the two leaders of Sydney Club Rugby in the past 10 years, Sydney University and Eastwood, and were just behind Manly, we led the Club Championship half way through the season, and all 7 teams made the semi-finals, that was a super effort and a great improvement on 2012.

Some key achievements from some key Randwick Players during the year:

Martin Kiernan - 250 Grade Games

Peter Wright – 200 Grade Games

Tim Wright – 100 First Grade Games

This Club is made up of some super people, who give up a lot of time and energy to make sure the players have success on the field, I must thank all of you, and I think it totals 50 plus.

Thanks and appreciation go to:

All of our sponsors, on all levels; the teams couldn't get on the field without your continued support.

The important Club Doctors and Physiotherapists, Dr Paul Raftos, Dr Joe Casamento, Diane Long, Louise McGinness and Stu Mackay for their much appreciated time and effort.

Some unsung heroes, Dan Dowe and Chris Fraser, BBQ champions, they cook a BBQ like no other and also run the game day event at Coogee Oval, thanks boys.

Jeff Sayle – Thanks for all your continued support of myself, the coaches and the players, you are the Godfather of Randwick Rugby,

The Coaches, Managers, Trainers, Strength and Conditioning team and ball boys a massive thank you; what a great year you all had. You all coached and managed the teams with great skill, leadership, passion and organisation, but most of all you were having a great time doing it.

Ray Jennings – the statistics man legend.

Jamie-Lee – You have been super in your Game Day organising and also in the general Club Administration. Thanks for all your help and support, it's been a pretty smooth run, and that's credit to your hard work, organisation and the smile on your dial.

Brad Bishop – Brad was one of the First Grade managers this year, Brad also has assisted greatly in getting the 2013 Randwick Rugby tour to Hawaii off the ground. After roughly 25 years involvement with Randwick Rugby Brad is hanging up his clipboard and pen. Thanks for all your help and support Bish, you are a credit to yourself, your family and a great friend of Randwick Rugby.

Lastly, the Players – what a great group of players we had this year, some old, some young, some new to the club, some have been at the club since they were 5.

The playing group in grade and colts bonded really well, performed well, trained hard and took up the coach's game plan and stuck to it. The results showed, it will now become more of a habit the way we are playing and the players will not be so anxious and worried as they will be more comfortable in the program – Well Done Boys.

Randwick Rugby has a steep tradition in Rugby, it's not easy being arguably the most successful and famous club in the world. There's a lot of pressure that comes with all roles, I am hoping the group we assembled in 2013 and are bringing together for 2014 takes us confidently into the future and provides the Wicks with more premierships.

It has been a pleasure to be involved this year and I am looking forward to what next year brings, I have a really good feeling that we are on the verge of the Glory Years.

# Luke Callen Director of Rugby

#### **First Grade Report**

Coach: Wade Kelly

Manager: Nick Athas

Captain: Seilala Lam

When mapping out Season 2013 for the club in September 2012 there were no specific goals set in terms of 1<sup>st</sup> Grade ladder position. Priorities were threefold: Program, Performance and Pathway. So I guess it is only fair to judge 2013's 1<sup>st</sup> Grade Team on these three elements.

Players were given four months of pre-season training program under an all new Coach, Strength and Conditioning Staff. This included supplements and training kit to perform weights, speed, and conditioning sessions, unit, defensive, ruck, attack and specialist skills training. Additionally they embarked on a grueling Pre-Season Camp in the hills of Goulburn. Three trial matches later they hit the season proper running.

1<sup>st</sup> Grade's Performances throughout 2013 were akin to those very mountains in Goulburn. Some amazing peaks with breathtaking tries and victories over Northern Suburbs, Southern Districts and West Harbour coupled with some deep dark valleys. Two overtime losses to Warringah and a lesson at home from the Students come to mind. When I look back as a team I think it's fair to say the mental toughness to compete for 80 minutes, week in week out, was the major ingredient lacking. You could put that down to a young team, inexperience, a long season or whatever you want. For me, I say we have to simply man up and do something about it if we are to achieve the results we all desire. In preparation for 2014 we have to get 'comfortable with being uncomfortable' and we have to EARN, (not be given) respect as a tough team.

When we talk about pathways there was some great news. Randwick has always had a tradition of pushing and promoting its players to higher honours in the game and it still remains strong. During pre-season five of our players spent the summer with the NSW Waratahs, competing in Super Rugby trials and five of our guys were invited to camps with the Aussie 7s squad. Around midseason we said au revoir to our tighthead prop Richard Aho when he signed a two year deal with French club Beziers. Shortly afterwards it was fly half Toby Browne heading off after signing with Italian club Prato. Next up was outside centre Terrence Hepetema who linked up with European giants Leicester Tigers and then finally rookie flyhalf David Horwitz signed a deal with our very own NSW Waratahs. With our Academy from ages 11 to 17, our super Colts from ages 18 to 20 and the talented youngsters in Grade all making huge strides under the club program it is exciting to see who will be next player to make it big from the Randwick ranks.

When it came to put the team on the field each weekend it was another 'team' effort. The support team around me and the coaching crew was fantastic. The beauty about these people is they don't do it for the recognition or to see their names listed in this report. They do it because they love the club, the players and enjoy being part of something great. For that reason I don't need to go into a detailed list; they all know who they are and how much we appreciate them. So on behalf of the players we would like to thank all those people from the bottom to the top coaches, runners, medical staff, managers, record keepers, communicators, volunteers, employees, helpers and officials that make this place so special. Your efforts can never be thanked enough.

Finally to two sets of people I would like to say a special thank you. Firstly to all the wives, husbands, girlfriends or boyfriends out there that allowed us to steal your partners for 3/4/5/6 days a week during winter; I assure you it is truly appreciated. I know how much a time commitment these people make and the obvious support you must give to allow this, so a sincere 'thank you'. Secondly, to our supporters; well, I hope we have given you some memorable highlights and running rugby to cheer. Whilst you're always quick with advice, you are also always quick to lay your heart on your sleeve for the club you love and it's most appreciated.

Season 2013 has been a great challenge. Some things were great, some can be improved. One thing is for sure

THE 'WICKS' ARE BACK!"

2014 is going to bigger and better than ever!

#### **Second Grade Report**

Coach: Jayson Brewer

Manager: Allen Stutchbury

Captain: Patrick Hodgetts

#### The Year in Review

It was evident early on in the season that the top four sides Manly 78, University 76, both Eastwood and Randwick 75 would all finish the regular season with confidence going into the semis. The second's commitment saw them finish the regular season in equal third. Having led the competition all season until the last round, it was disappointing not to be Minor Premiers at the final hurdle.

In one of our best performances of the season we defeated Minor Premiers Manly 35-15 in the first Qualifying Finals. However the 2013 season ended with a 22-20 preliminary final loss to eventual Premiers Sydney University.

#### Season Highlights: 2<sup>nd</sup> Grade

- Competition leaders up to round 18 of the season
- Winning the first 8 games of the season
- Won 16 of 20 season games 83% win record
- 797 points for first in Competition and in the club
- 18 points average against in 2013 compared to 35 in 2012
- Mark Baldwin selected for Australian Under 20s at the Junior World Cup
- Colts pathway: Players who continued on the club pathway from colts include Mark Baldwin, Andrew Norton, Nathan Roye, Jake Pennington, Dave Vea, Jesse Harris, Jack Johnson, (as well as Harry Boileau and Dave Horwitz in 1sts). All had a taste of 1<sup>st</sup> or 2<sup>nd</sup> grade.

#### The Players

Congratulations to the 62 players who played second grade this year. The nucleus of the team consisted of Zeb Holmes Baer, Pat Hodgetts, Chris Bauman, Lai Vatadroka, and Bryce Speechley. The Tight 5 game style was challenged in 2013 with the emphasis on keeping width and playing with the ball. The back row of Dave Parsons, Mark Baldwin, Dave Vizer, Nathan Paila and Jack Tovey more than showed their ability with the ball. James Helliwell, the toughest 9 in the club, continued to develop his game. Throughout the season our attack was controlled by Cayden Matehaere and Andrew Norton who shared the 10 role. The Centres Alfie Paea, Keith Masima and Lopeni Waqa played direct. On the edges we were represented by Toese Siutu, Brock Davies and Charlie Wakim. The majority of this squad knows that 2014 is a year they can go one game further.

The season's success was noticeable early in the season, indicated by the group's defensive attitude and attention to detail around the contact area of our game. Mateship was hugely important in our team. The successful teams are the ones in which all the players get on really well together. I am confident in saying the 2<sup>nd</sup> grade squad in 2013 had this mateship.

#### **Support Staff**

A huge thank you goes to club sponsor and second grade manager Allen Stutchbury. Allen has been with this group for many years. Throughout the year Stutch was always there to support the team, provide feedback and assist on the game day. Thanks go to Nathan McMahon, trainer, for his continued support, and preparation of the squad for 2013. Nathan's work ethic and commitment to the group was second to none. Learning from 'Chang' I am sure he knew he had big shoes to follow in his debut season with grade.

To Wade Kelly, Luke Callen, Matt Bowman and Lee Morley- on behalf of the group I thank you for your support and development of players in second grade. As discussed with the group from day one, if you performed, you were given a "crack". With the 2013 season now under our belts, the challenge to the group is now to build on a successful year in 2014.

#### The Result

Although we didn't progress to the main game I know the players were committed to each other. Another main reason we play the game is for enjoyment and times away from football. Second grade was a solid group and I think this is the reason why we had such a successful season.

Good luck to all players and staff for the 2014 season, I am grateful for the experience and professionalism you brought all year. We can look back on a solid season and know that the foundations that we have set in place with hard work and sacrifice will start to pay off in the coming seasons.

I take this opportunity to thank all staff and players who were a part of second grade for 2013.

#### **Third Grade Report**

Coach: Brent Kelly

Managers: Andrew Kelly and Dave Habler

Captain: Tom Weber

The season 2013 for third grade was one of enjoyment and success but, in the end, disappointment for a group that I believe deserved more. Right from the pre-season the boys in all grades put in a tremendous effort and the third grade squad was no different.

After 18 rounds we finished on 69 points in third position on the ladder. We won 14 games and lost 4 for the regular season. We defeated each team in the competition at least once this season, and, remarkably, never lost at home all season during the regular rounds. There were some great performances put in with tough wins over Eastwood and Manly in terrible conditions at Latham Park. These wins showed true grit and determination. Some days the team displayed great traditional running rugby, blowing teams off the park including strong wins over Northern Suburbs, Southern Districts and Penrith. Most would agree though that the highlight of the season was against Sydney University at Coogee Oval in the final round. It was played like a grand final and the boys stood tall in a cracking game of rugby, defending for their lives to win 25-18. This was Sydney University's first loss for the year.

I would like to thank the other coaches in grade this year, led by First Grade Coach, Wade Kelly, who put together a good group of guys who worked well together all season. Matt Bowman and Lee Morley did a great job assisting with our set piece this season. Jayson Brewer, Matt Buckland, Marty Kiernan and Joe Picone; it was a pleasure to work with you guys all year. To Jeff Sayle, it is always enjoyable in your company and your support all year was most appreciated by the coaching staff and players. Thanks also go to Luke Callen, our Director of Rugby (and third grade water boy) for all his help and support throughout 2013.

A lot of work goes into getting the team on the field each and every week and there are a lot of people to thank. Firstly, to our managers, Andrew Kelly and Dave Habler, you always made sure the boys wanted for nothing ensuring everything was on hand week in week out for them to be ready to go come kickoff. Also during and after games you were always on hand to make sure our day ran smoothly. The boys and I can't thank you enough for all your help and support. To our trainer Trevor Schembri, thanks for all your efforts throughout the year in getting the team ready to go before the game and looking after the players each week, and for putting up with me pestering you on the radio to get the messages out there.

To the doctors, physiotherapists and strappers who are there all day every day, home and away, supporting the players I thank you.

To Matthew Wheeler, now, this guy is what rugby is all about. He is a great man to have involved with your team. He is always smiling, happy to be there and always putting the players in the right mood prior to the game. He is willing to do anything to help and is always the one to lead the team song after every win; a truly inspirational guy. On behalf of the players I thank you Matthew for being a part of our team in 2013.

With so many players appearing in third grade this year, some may say it would be hard to build up a strong team morale. But that couldn't be further from the truth. This team was a pleasure to work with, with everybody getting on so well. Every player that came into the squad was made welcome and they gave their all for the team.

Whilst there was a large number of players selected in third grade this year, 59 in fact, we still had a core group of players who led the way each and every week and driving the team spirit which was so evident throughout 2013. Players like Captain Tom Weber, Vice Captain James White, Tom Weatherall, Mark Bannon and Pete Wright were responsible for this and I thank them for the leadership they displayed this year.

There were some great performances this year by different players each week and it is hard not to mention every player. However, some of the standouts for the team all season in the forwards were Tom Weatherall, Tom Weber, Tasi Fanua, and Tim Murray. In the backs Mark Bannon, James White, Andrew Wing Kee and Pete Wright had good seasons.

When it came to selecting the 2013 Third Grade player of the year, and although a lot of players had a good season, it was a pretty simple decision to make in the end. Anyone who watched our team and this guy play each week will agree. The player of the year was scrum half Mark Bannon. Mark was outstanding from round one until the season finished and thoroughly deserved his award.

Unfortunately we did not finish the season as we had hoped being knocked out in the semifinals. The players, whilst disappointed, should still be very proud of their efforts. I know I am certainly proud of them. They were a great bunch to work with and although the journey did not end with a premiership, they certainly had the talent to do it. We had a lot of fun along the way.

Lastly, thank you to all the supporters this year and I hope the team did you proud. See you all next year.

#### Fourth Grade Report

Coach: Matt Buckland

Manager: Peter Meagher

Captain: Sam Bartlett

It is never nice to lose, I hate it. Winning is such a better feeling so it was a pleasure to work with the fourth grade boys this year as there were plenty of winning weekends.

The Pre-season was pretty brutal, starting in November. You could already sense the boys had set themselves up for a successful season and nothing else was good enough. They were looking forward to the challenge ahead, especially with the new playing style using the pods and new starter plays.

The trial games were great; two wins and a draw were exactly what we were looking for and set us up nicely going into round 1 against Wests. An away game in the first round is always a challenge but the boys played well and came away with a hard fought 22-3 win scoring a couple of outstanding tries in the process. Parramatta at home was next and we turned on the style hammering them 41-10.

This brought us to round 3 – the first real challenge of the season was Eastwood away. The weather was absolutely awful, there was a stream running down the side of the pitch and we started slowly falling behind 15-0 after about 15 minutes. We rallied in the second half and had a few chances to win the game but ended up going down 15-7. The first loss of the season and it hurt.

This sparked an amazing run of victories which saw us climb to the top of the table; we beat Easts 25-16, Warringah 47-0 and Penrith 62-5. The guys were on fire. The belief in the pod system had kicked in and we were scoring tries at will.

Round 7 was an away game at Northern Suburbs. This was 'one of those days'. We tried to throw the ball wide at every opportunity and the passes just didn't stick or we pushed one pass too many however we still came away smiling running in 2 late tries to come away lucky 24-15 winners. The winning streak continued the following week when we hammered Southern Districts 75-10. This was our biggest win of the season.

This brought us to the first benchmark game of the season - away at Sydney University. This game was unbelievable and by far the highlight of the season for me. A real battle, we would score, they would score and so on. With 5 minutes to go we trailed 33-27 and the game was in the balance. A mid-field scrum was called and, after some loose play, the ball found its way to Jackson Raymond who ran 50 metres to score in the corner. The score was 33-32 with the kick to come. Up steps Tom Hiddleston and nails it from the side line we win 34-33. Amazing!!

That game was a tough act to follow but the wins kept coming against Gordon, 38-15 and Manly, 20-0. The next game was a grudge match – a chance to avenge the only defeat of the season so far; a rematch against Eastwood and again the rain came down and we were forced to play it at Latham Park. Eastwood came out of the traps flying and went 12-0 up inside 10 minutes. It looked

like a carbon copy of the first time we played them. We stuck to our guns and scored a try just before half time which got us right back in it. We followed this up with another try after half time and we were down 12-10. The clock ticked by and with only 5 minutes to go we spread it wide inside our own 22 and Tom Joseph went 60 metres to score; what a try! We won 17-12!

The juggernaut kept powering along and 3 more wins against Easts 14-13, Warringah 33-10 and Penrith 24-19 helped us keep a tight grip at the top of the table.

We then faced Northern Suburbs at home and did not play well losing a tight one 20-17. This was a little wakeup call before heading into the finals and we bounced right back beating Southern Districts 36-5 the week after. This brought us to the last game of the regular season, Sydney University at home to see who would win the minor premiership.

However this was not to be our day; University got over the line and took out the match 50-5. Everything we tried went wrong and University gave us a bit of a hiding although all was not lost as we now entered the finals

We went to Eastwood needing a win to earn a week off and avoid University in the draw however the Eastwood curse got us and we went down 22-12 after a great start to the game. A penalty try and a loose try down the blind side were the telling blows. Onwards to face Manly at home who we dealt with pretty easily 40-12. We lost our next game at Sydney University 27-8 and that was the end of that. It was a shame to go out in the game before the grand final but the boys gave it their all and you can't ask for anything more than that.

Statistics for the season:

Played 20, won 16 lost 4

Tries scored 92

14 bonus points for games where we scored 4 or more tries

Overall I think it was a good season giving the team a great foundation on which to build next year. Some great individual contributions throughout the season came from Chris Barron, Scott Malone, Sam Bartlett, Tom Hiddleston, Tom Joseph, Jarrod O'Hara, Pete Tuitulupu, Nathan Depasquale, Locky Robertson, Matt McKay, Ben Allard, Elliot Rechtin, Jordan Simi, Sam Lolo, Nick Kaspareck, Allan Thompson, John Ellis, Jackson Raymond and Lorcan Kavanagh.

#### Fifth Grade Report

Coaches: Martin Kiernan and Joe Picone

Manager: lan Holder

Captain: Martin Kiernan

Two years ago, Bill Davies wrote in his season report, "The strength of any rugby club is measured against the depth of players they have which gives importance to having an active Fifth Grade side that plays every week." This is something that Wade Kelly strived to achieve this year and he should be commended for doing so. Unfortunately not too many of the premiership clubs came to the party. Out of the eleven other clubs our Fifth Grade side only played against five of them: Northern Suburbs, Eastern Suburbs, Southern Districts, Eastwood and Sydney University. It is no surprise that these clubs were still playing in the First Grade Competition come finals time.

In total, Fifth Grade played ten matches this year for five wins and five losses. A total of 61 players enjoyed the early start to their Saturday and it was not uncommon to see 25-30 players front up on a Saturday morning in search of a game. I like to think we accommodated all as best we could. The team comprised a few old heads, a few keen youngsters, a couple of non-trainers and the odd journeyman. It was also great to see a number of players come out of retirement to assist on a few occasions.

I would like to mention a few players who, despite no guarantee of a game on Saturday, fronted up to training each session and on Saturdays to support fourth grade:

- Aidan Guenole
- Lachy Robertson
- Max Kite
- John Weatherall
- Eddie Hamilton
- Sef Smith
- Seiji Tanabe
- Jioje Aropio
- Brendan Ruprecht

It was good to see these players rewarded for their perseverance and enthusiasm with game time in the higher grades. You all have the ability to player higher grades and I look forward to your continued involvement with Randwick Rugby.

Congratulations to Dugald Loughnan for winning the Fifth Grade Best and Fairest award. I am sure if work commitments did not interfere with training and games you would have played in higher grades.

To all who played Fifth Grade this year thanks go to you for your commitment this season. It is pleasing to be involved with a bunch of players who had ambitions of playing higher but in essence just wanted to play rugby at Randwick. It was a learning experience for me and I look forward to seeing you all again next year.

### Thanks go to

- The numerous sponsors without whose support we would not be able to put out a team each week.
- Di Long and Louise McGinness for making themselves available at a very early hour each Saturday morning.
- Dan Dowe, Chris Fraser and Matt Wheeler the most popular people at training on Thursday nights. It can be quite a distraction trying to train when a south westerly breeze is blowing the scent of the BBQ up the hill.
- Ric McLallen for taking the time to capture the games fifth grade play in pictures.
- Ian Holder one of the best managers in the business. No job was too big or too small for lan, be it filling water bottles at training or ensuring the players had the right number on their backs on Saturday. Ian was generally the first person to arrive and the last to leave and everything was done without fuss.
- Luke Callen for his advice, guidance, support throughout the year and willingness to don the boots when required.
- Wade Kelly thank you for providing me with the opportunity to coach this year. I think the Club will see the reward your efforts deserve in the near future.
- Finally, my co-coach Joe Picone It was a pleasure working with you this year. Your willingness to assist others in their development should be applauded. It is obvious to me that you have the interests of others ahead of your own and your experience cannot be lost by the Club.

# **Colts Coordinator's Report**

The 2013 Colts season started with great promise. With an influx of new talent joining an experienced returning senior group, an almost entirely new staff, and an exciting new game plan, expectations were very high. Training started earlier than in previous years with guys training through November and December getting in solid fitness work under their belts before Christmas. The intensity was lifted over the Australia Day weekend in January with 15 colts attending the club's preseason training camp in Goulburn. This training camp set a wonderful foundation for the season and gave our boys an insight into the intensity of work required to be competitive at this level. One of the goals for the season was to align the grade and colts programs more closely, and this camp certainly helped in this regard.

The Colts finished the season fifth in the combined colts club championships, after sitting in the top 3 for most of the season. All three Colts Grades qualified for the semi-finals but failed to progress deep into the finals, losing some tough matches under difficult conditions. Of the positives to be taken from the season, our group embraced running rugby at all times and produced some spectacular performances. We saw a number of players develop and improve greatly throughout the year. A few unheralded players started in lower teams and finished the season as major contributors in 1<sup>st</sup> Grade Colts. In addition, our most talented Colts players pushed for positions in 1<sup>st</sup> and 2<sup>nd</sup> grade throughout the year, an indication of the high standard of play across the colts program.

### **First Grade Colts Report**

The season was one of two halves, with great success through the first half of the season, including an unbeaten run of 8 games, however struggled through the back end of the season as injuries and illness affected team continuity and form. The team started the year in excellent physical condition on the back of an arduous preseason. The early rounds were highlighted by a thrilling last minute Round 3 win over Eastwood (32- 26) at Latham Park, and a comfortable (36-12) Round 4 victory local rivals Eastern Suburbs at Woollahra Oval. In Round 6 1<sup>st</sup> and 2<sup>nd</sup> Colts boys road tripped out to Penrith to take on the Emus, the experience used as a valuable teambuilding activity

The team dropped its first match of the season in Round 9, with a heavy loss to Sydney University, and then another in Round 10 with a last second loss to Gordon. The Gordon loss was especially difficult on the team, with two players receiving dubious yellow cards during the match, and Jack Pennington held up over the line at fulltime in the act of scoring what would have been a matchwinning try. The team slumped through the next few matches, all of which were played in very wet conditions. The team struggled to modify its expansive attacking style to the slower wet conditions.

The team regained some form to win 3 of the final 6 matches, including a second victory over Easts and a 'come from behind win' against a strong Southern Districts team in the final round before the Final Series. Two late tries by Zac Guilfoyle closed out the Southern Districts match, giving him a hat-trick for the game and earning man-of-the-match honours.

The 1<sup>st</sup> Grade Colts entered the final series with very mixed form, and a considerable injury toll. A number of core team members were unavailable or playing injured, providing opportunities for lower grade players to step up. First up was a difficult match-up against Sydney University, who had been bolstered by the return of key players from Grade. The team suffered a heavy defeat to the Students, however earned a 'second bite' by virtue of a top 4 finish. Our second Finals matched us against Warringah, a dangerous opposition who had built great momentum after a poor start to the season. We controlled the match and the scoreboard for most of the contest, and found ourselves ahead by 12 points inside the final 10 minutes however we leaked two soft tries in final stages, both of which were converted by Warringah, to give them a 41-39 lead. We earned a penalty from an attacking scrum as time expired, however a penalty goal attempt after full time hooked left of the posts, ending the season in disappointing fashion.

The early season's play featured some outstanding stretch of expansive attacking rugby and aggressive defence. Experienced backs Andrew Norton, Aiden Anderson and Jack Pennington were outstanding in early rounds, as was rookie Haynes Wileman. Jesse Harris, Jake Guilfyole, Paris Cockinos and David Vea were consistent standouts in the forward pack. Through the significant mid-season form slump, the core of the team showed great character and leadership, competing fiercely through some frustrating matches. Captain Jock Armstrong showed great leadership qualities to complement his considerable footballing talents, and grew into the role of team captain through the season.

#### Best & Fairest- Oli Nicholson and Jack Johnson

In his first year with the club, Jack made a massive impact and was consistently amongst our strongest ball runners and best defenders. Johnno's aggression on both sides of the ball made him

an invaluable team member and a feared opponent. His development was highlighted by a midseason start in first grade. Oli was a steady and consistent influence on a backline that changed constantly around him throughout the season. Oli was outstanding at 10 and 12, and was highly influential in several of the team's close wins. Oli's composure, goal-kicking and play-making were great assets to the team. The runner-up was Dave Vea.

#### **Second Grade Colts**

Best & Fairest- Rowan McGowan. Rowan moved down to Sydney this year from Armidale, and made immediate contributions to the club. Rowan started in lower teams including a number of matches in 3rds colts, until his form demanded his promotion to 2nds. Rowan was promoted to 1sts colts over the final months of the year, and he finished amongst the leaders in 3-2-1s for the 1sts. Rowan's improvement is testament to his hard work, and he has a big future with our club. Runners-up were Harry Hales and Moana Loseli.

#### **Third Grade Colts**

<u>Best & Fairest- Alex Peterson.</u> Alex started as a bench player for 3rds, stuck behind a deep group of halfbacks. When Alex got his chance towards the second half of the season, he produced tough play and good direction from 9, highlighted by a man-of-the-match performance against Sydney University in July. Runner-up was Will Boneham.

# **Appreciation**

With a smaller staff than previous years a great deal was asked of each of our volunteers and each member of the staff contributed greatly to our program. 2nds and 3rds Colts Coaches Pete and BK worked diligently through the year preparing their respective teams. Both teams enjoyed stretches of great play and positive results, and some potential stars developed out both team. When injuries affected 1sts colts, they were felt most by the teams below who often found key players promoted to plug gaps from above. Both coaches adapted and remained positive in times of adversity.

I'd like to thank Steve Bennie who was asked to assist with the 1<sup>st</sup> colts after tearing his ACL in the preseason. Steve brought great expertise to the team and offered a player's perspective to the coaches. Thanks to Matt Bowman and Lee Morley for their work with our scrum and lineouts respectively. Trainers Matt Williams, Ben Taleafo, Mick Stevens and Harry Ramage made valuable contributions on match days, with Ben and Mick also running rehab sessions for injured boys on training nights. I'd like to extend a big thank you to Physio Stu McKay for his expertise and professionalism through the season.

Last, but not certainly least, I would like to thank Manager Chris Kourt. We recruited Chris only to complete the team sheets for the Colts, however when our original manager pulled out about 8 weeks into the season Chris stepped in and nothing was lost. Chris' new duties included match day management, organising kit, liaising with coaches and Jamie-Lee regarding team selections and handling registrations.

Thanks to all players and staff for their efforts during the year.

James Tesoriero

### **Second Grade Colts Report**

Coach: Peter Allen

Manager: Chris Kourt

Captain: Jack Whitaker

The team ended up rostering on 55 players through the season which is an incredible number for 15 positions. We were lucky to have players already with the 3 pod understanding which not only helped less experienced players but also myself. With this system I found the mid pod the most vulnerable as our ball was lost there more than any another pod. It may have just been our team. Our team was able to shift the ball from one side to the other with only one breakdown. This was more than many teams could handle. I hope the club continues with this system and makes the necessary adjustments when needed.

With regard to our season the first line underlines our position and having to support 3rds with players on many occasions made it difficult at times. We had a few excellent wins and a few very disappointing losses and I think we definitely finished one to two weeks earlier than we should have. There are a lot of good players in the program who would derive a lot from this year will be more experienced and comfortable with the format next season. For Rowan McGowan to win player of the year when he played the majority of the 2<sup>nd</sup> round in 1<sup>st</sup> grade shows just how big a contribution he made when he was playing, Jack Whitaker, Harry Hales and Harry Gould all played important roles as captain at different times of the season.

My thanks go out to the coaches especially Wade and Luke who were a good sounding board when I had issues, down to BK who never got flustered when we had to take players at the 11<sup>th</sup> hour pretty much every week.

Thanks for the opportunity to coach at Randwick and all the best for 2014.

# **Third Grade Colts Report**

Coach: Briant Kareroa

Manager: Chris Kourt

Captain: Kurt Spurr

It was great to be involved this year with Randwick Rugby.

We started the season with a new rugby system which placed a major emphasis on individual player responsibility and technique at the breakdown to regain possession or return to structured attack. Overall this was successfully implemented although the system could not be maintained by the new inductees late in the season.

In the context of the lack of player continuity through injury and churn, to close the regular season in sixth place with 7 wins was a very satisfactory result. All 3<sup>rd</sup> Colts players acquitted themselves competently when playing in 2<sup>nd</sup> Colts.

Some real positives came during the season:

- There was a defined structure to the program with the role of Coach/Coordinator and support Coaches.
- The Facebook page was a great way to communicate with the team and stakeholders.
- Randwick ran all teams with the same game plan which enabled easy interchange of players.
- Highly competent support team Conditioning, Medical and Specialist Coaches.
- Active and visible support from club hierarchy was great to see and the leadership from the Head Coach was great. Wade attended a lot of sessions and even assisted in running the sessions.

I think there were also some areas for the future that would be great:

- Break the season into four sections and make detailed plans for each section Pre-season, Round 1, Round 2 and Finals. Set goals and celebrate.
- Move to a 3 Coach system Attack, Defence and Set Piece responsible for all 3 teams.

# Overall thanks go to:

- James Tesoriero and to Peter Allen; 2nd and 3<sup>rd</sup> Colts shared players at different times of the year. This was tough but a must to keep the competitive teams on the field.
- Our trainers.
- Chris Kourt , such a great Colts manager.
- Stu McKay, a fantastic physiotherapist.
- All the players.

Third Grade Colts made the semi-finals and bowed out in the first week. I had fun although always a challenge when coaching Third Grade Colts.

# **Clovelly JRFC Report**

2013 was another enjoyable season for Clovelly Junior Rugby, a real positive following the high of our successful 50th Anniversary season in 2012. We saw a record number of registrations and teams registering 335 players across our 23 teams.

In the Minis competition, player numbers increased with 14 teams in all, 4 teams in each of the Under 6, Under 7 and Under 8 age groups and 2 teams in the Under 9s. The enthusiasm and development of skills on display at Nagle Park every Saturday morning was a delight to see, with the players growing in confidence each week. Special mention of the Under 6 Blues, who went through the season undefeated.

In the Juniors 9 teams were fielded. The Under 10s, 11s and 12s each fielded two teams and played in the SJRU Friday night competition. We were without an Under 13 age group this season but had an Under 14 team, an Under 16 team and many Clovelly boys were also part of Simon Poidevin's conglomerate Randwick Warriors team in the Under 15s.

A special mention of the Under 10 White team is deserved being undefeated premiers in the Friday night competition and continuing quite an astonishing record as this team, has not been beaten since 2008. The Under 10 Blue team won the Plate Grand Final in the Friday night competition. The Under 14A team was outstanding, being runners-up after a very willing and spirited display in the Grand Final against a strong Hunters Hill team. Congratulations are also due to the Under 15 Randwick Warriors team, who were premiers in the U15A2 competition, winning on the bell against Western Raptors.

This year we were lucky to have Club parent, ex-Waratah and Wallaby Al Baxter at our Presentation Day to present trophies to our kids with some words of encouragement. Zac McConnell (U10) took out the Exceptional Achievement Award on the back of several seasons of consistent excellence, spear-heading the undefeated U10 White team. The Chris Whitaker Award for most potential in a Minis player went to Daniel McSweeny (U9); our U14A captain and SJRU representative player Matthew Stead took out the Col Windon Award for most potential in the Juniors and Max Johnson, who not only plays in the U12s (Best Back award) but referees on Friday nights and Saturdays took out the coveted Shawn Mackay Club Player of the Year Award. Congratulations to all these boys.

### Some other highlights this year:-

- We had 35 boys represent the Randwick District in the various State Rugby Championships from U10s through to U15s which was a great achievement. Four of our U14 players also represented the Sydney U14s Representative team and we had many participants in the Randwick Academy.
- 2. We sent teams to the Harbord Harlequins Carnival and to the Canberra 7s.
- 3. We hosted the Brisbane-based Wynnum Junior Rugby Club's tour in the U14s
- 4. We sent a squad of close to 40 (including 23 players) in the U12s on another great tour of New Zealand in July.
- 5. Our Annual Social was again a hit at the Bondi Surf Club, and there was a very successful Ladies Night In at the Clovelly Hotel.

Thanks go to all of our coaches and managers for all their efforts throughout the season. With the training, planning and game day coordination, we ask a lot of them - it is a huge commitment and one that often goes unnoticed. Also, thanks go to the unsung heroes in our Committee members who provide leadership and ensure that a viable and financial Club continues to operate successfully. Thanks to all our sponsors and supporters for their continued generosity in 2013, with particular mention to Macquarie Private Wealth, the Clovelly Hotel and Bendigo Bank, Clovelly Branch for all their support.

The Clovelly Club also wishes to acknowledge Mark Harrison as President of Randwick Juniors the past few seasons. We as a Club see and recognise the phenomenal amount of behind-the-scenes work Mark does in organising, advising, counselling, adjudicating as well as being Ground Marshall at Nagle every Saturday. Mark's contribution has been fantastic and we thank him.

# **Coogee Junior Rugby Report**

Coogee held their presentation day recently at Latham Park, bringing the curtain down on what has been a fantastic season across the entire club. 2013 saw over 17 teams and just under 300 players proudly wear the black and white of Coogee, in teams ranging from our mighty U6s, all the way through to our U14s team.

In the essence of grass roots rugby that is Minis, Coogee had 10 teams take the hallowed fields of Nagle Park each Saturday morning to hone their skills and enjoy the thrills and spills that only minis rugby can provide. Thanks to Randwick Juniors for the professional organisation of the Minis throughout the season and also to Randwick Council for their upgrade of the Nagle Park facilities. A big thank you must also go to many of our parents, who proudly rolled the sleeves up to man the world famous Nagle BBQ and Canteen. Your efforts really boosted our fundraising efforts throughout the year.

In the older age groups, the first week of the finals saw the U10 Blacks experience their first taste of finals football playing a well drilled Easts outfit. Unfortunately our neighbours just got the win, but I am sure these boys will be back bigger and better next year. The U10 Greys made it to the Plate Grand Final against Clovelly, and whilst they could not get the win on the night, the fact a team that was put together 48 hours before round 1 made the final is an achievement in itself. The U11 Whites went down in a very narrow loss to archrivals Canterbury in a nail biting encounter. Whilst there was obvious disappointment in the result, I am sure these talented boys will go one better in season 2014. The U11 Blacks convincingly won their Plate Grand Final against Burraneer with plenty of tries and smiles galore to ensure an enjoyable end to their season.

For the bigger boys in the very tough graded Sunday competition, our U13s were outclassed by Mosman in their Grand Final qualifier, whilst the U14s were edged by Clovelly by the narrowest of margins in a titanic A grade clash at Nagle Park.

In the first clash of the Friday Competition Grand Finals, the U10 Whites took on a red hot Clovelly team and gave their all. Whilst the result did not go their way, making the Cup Grand Final in this very competitive age group is a great result of which the boys can be proud. Latham's top field saw the U12 Blacks get the night underway for Coogee with a comprehensive Plate win against Wests, including some exciting tries to finish the year with some silverware. Their victory turned out to be the start of a memorable night down at Latham Park with the U12 Greys playing the game of their lives in toppling the previously undefeated Rockdale. The win is the Club's first Cup victory for 2 seasons and the after match celebrations were a great sight for the club and all involved with the team.

Coogee finished the season with our inaugural family fun day at South Coogee Bowling Club with over 300 people getting together after the completion of the presentations to celebrate a fantastic year of junior rugby.

The club really appreciates the financial support of generous sponsors Cleavers Organic Meats, Life Saving Sunscreen, DMC Security and Fita Sportswear. Praise must also go to our hard working committee for all their efforts this year, in getting the kids kitted out and on the field. A massive thank you goes out to our volunteer coaches and managers who are the backbone of this club. Without your time and energy the kids would simply not get to play our great game.

Finally as I end my term as President and move on to help establish the Randwick Warriors, I would like to thank the club as a whole for supporting me during my time on the committee and as President. Sure, there have been some bumps along the road, but I have also met so many fantastic people within our club, which made the choice to stand up as a volunteer in my son's winter sport an easy one.

# South Coogee Junior RUFC "Red Devils" Report

The South Coogee Red Devils had another successful year of Rugby in 2013.

The 2013 season, like all other years, came and went so very quickly.

Once again we had various teams across the age groups and were extremely successful with many standouts.

#### Our teams were:

- Under 7s 1 team
- Under 8s 3 teams unofficially ranked 1, 2 and 3 in the competition
- Under 9s 1 team- unofficially ranked 1 in the competition
- Under 11s 2 teams- Reds Premiers and Whites highly competitive
- Under 12s 1 team which were highly competitive

Many of our older boys returned and found their way into other Randwick Village Club teams to fill in the much needed numbers.

2013 saw the completion of the Nagle Park upgrade by Randwick City Council and South Coogee are very appreciative of this initiative. It gives us much needed upgraded storage and training facilities and helps us tremendously improve Rugby for all.

We have to give a huge thank you to our sponsors, Marnie Seinor of McGrath Real Estate for her invaluable support and Frank Panucci of Panuuci Transport once again for his unconditional, long time generous support of the club.

Funds for 2013 were more of an issue as the Coogee Oval Canteen was structured differently and the club has always relied on canteens as a major fundraiser. Without our valued sponsors we may not have been a viable entity.

A highlight of the season was the continual strength of the Under 11 South Coogee Reds team. With their new challenge in the Friday Night Open competition they continued their ongoing winning form.

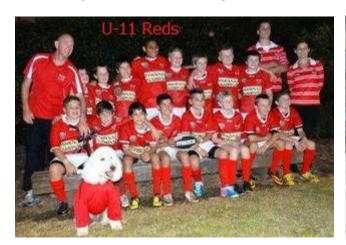

Once again they made it into the Grand Final, but not before losing their first ever game since they started in the minis all those years ago. They were however, the overall winners, once again holding the Premiership Trophy high for South Coogee!

It is a credit to these young players, watching them continually develop with their Rugby. The Grand Final was a bottler where they came from behind at half time to take victory in a thrilling match. Congratulations to the players and the coaching team.

A big thank you to the committee, coaches, managers and helpers who put in tireless work week after week and year after year to make all this happen. Our continued development is a testament to this work.

Lastly a big thank you to our outgoing Randwick Juniors President, Mark Harrison, for his time and effort at the helm.

All looking forward to a cracking 2014.

David Shalhoub President

### **Randwick Warriors Under 15 Report**

The Randwick Warriors U15 team was elevated to the Under 15 Sunday "A" competition in 2013 after winning the Sunday "B" premiership in 2012.

The first few rounds of the "A" competition were a real challenge to our boys as they encountered much bigger and experienced teams. But we trained harder and built our depth during the season and soon began to win games finishing a credible 6<sup>th</sup> on the table after round 16.

The Sydney Junior Rugby Union then established a 15A2 finals series for teams 5 to 8 on the table.

In a skilful, athletic performance the Warriors overwhelmed a much bigger Dural team 38 to 7 in the semi-final clash, playing vintage Randwick Rugby Running Rugby. Unexpectedly we faced the Western Raptors in the Grand-final in what turned out to be an epic encounter with the Randwick Warriors scoring on the bell through a try by Liam Smith that broke a 17 – 17 deadlock that had lasted 34 minutes and 50 seconds of the second half!!

Congratulations to all our boys who really stepped up in 2013 to play some exhilarating Running Rugby – we are proud of you.

**Junior Development Report** 

Planning for the 2013 season started at the end of August 2012 with meetings with Wade Kelly to put into place a structure for Randwick Juniors. Our first priority was to put into place the Randwick Junior Academy. After countless meetings a committee was established consisting of Steve Hoiles, Simon Poidevin, Wade Kelly and myself. Information was sent to the Junior Clubs outlining the structure of the Academy. The Academy ran for 6 weeks prior to Christmas and 6 weeks after Christmas starting back after the school holidays. Training was at Latham Park on a Wednesday afternoon from 5.00pm to 6.00pm concentrating on ball skills. Each boy was given a 1500 metre time trial and retested on the last day of the term. Our Saturday training was off-field including sessions at Coogee Beach, the South Coogee stairs, Clovelly Beach run-swim-run and the Wanda Sand Hills. With the combination of the two sessions a week, the improvement in the boys' fitness when retrialed over 1500 metres at the end of each term was fantastic. We were fortunate to have high quality coaches involved in the Academy including Geoff James, Rod Willey, Stu Donaldson, Simon Poidevin and first grade coach Wade Kelly. The enthusiasm these guys showed rubbed off on the boys in the squad. The Academy excelled in the results the boys achieved and it was a credit to all involved.

After 18 months of fundraising the 2012 Under 13s travelled to the Gold Coast playing two games and having a five day tour which included a day at Wet'N'Wild, High Wire Act and a four hour surfing lesson. This is going to be an annual event for our U13 representative team. The 2013 team left for the Gold Coast on the 30th September. Our thanks to Mick Joseph for being Randwick Rugby's Queensland representative in assisting in putting this trip together.

For the third year in a row we ran the Randwick 7s for ages U10 - U14. 56 teams entered the tournament but, unfortunately, we had a large number of teams drop out on the morning of the event. The majority of these teams were from our local clubs which I found very disappointing as a lot of work had been put into this event. However we redrew the tournament as we went along on

the day and the visiting teams were unaware of the dramas we faced during the day. Thanks to Noddy Wright and the local referees as well as Doug Eggins, Ray Jennings and James Tesoriero who pulled the rabbit out of the hat to ensure the day was a success.

Our Representative program started with internal trials at the start of April. We have opted to move away from parents coaching our representative teams and, where possible, to utilise ex-Randwick players as selectors to give our selections transparency. Our younger age groups had large numbers trial and there were a large number of line-ball selections.

#### Results:

- U15 Just missed the semifinals, going down in a close game in the quarter finals
- U14 Making their fourth State Final appearance in four years going down to Northern Suburbs in the last 5 minutes.
- U13 Over exceeded in results as this is a one club team.
- U12 Just missed the semifinals.
- U11 semifinalists who were very unlucky not to progress to the final
- U10 Development teams: Green had three wins and a draw whilst the White team had two wins and two losses.

Thanks go to all the Managers and Coaches of these teams for the time and effort that went into the Championships.

The U15 team had 12 players selected in the Southern Zone team with two players making the Sydney team.

The U14 team had 10 players selected in an extended Sydney team with 7 of those players gaining selection in the teams that played ACT and Country.

For the second year in a row we held a Junior Rep Lunch. With the uncertain future of the Randwick Licensed club we staged the event at the Coogee Legion Club. Over 130 people attended the lunch featuring Michael Cheika as the key speaker. As usual our MC Rod Willey was on the ball with interviews with Glen Ella, Simon Poidevin and Warwick Waugh to name a few. This is planned to be a yearly event and is helping us to put our dreams into place.

In term three we staged two ten-a-side tournaments for Primary Schools. The first was a Year 5 - 6 tournament attracting 19 teams. The Year 3 - 4 tournament had 18 teams compete. We have been running these tournaments since 1998 with a three year break when the 2003 Board decided that development in primary schools was not a priority. These tournaments have often been the first taste of rugby for thousands of boys over the last 15 years. This year alone, of the 550 players who participated I would say that over 350 of those boys were experiencing rugby for the first time. Pre-tournament training was offered to all schools who nominated for the tournaments and all up 73 training sessions were completed before, after or during school hours.

My thanks to the referees who assisted, especially Bob Devine who has just about refereed at all the tournaments that we have run over the last 15 years. Newly retired Club Secretary Doug

Eggins looked after the scoring at both tournaments. As always Jeff Sayle was on hand to present the trophies.

In closing I would like to thank Mark Harrison for the time he has put into the Randwick Juniors over the last couple of years. He has done an incredible job in turning the Juniors around. Thanks go also to Secretary Doug Eggins, Treasurer Andrew Dyster and Simon Poidevin for their work behind the scenes including fundraising and negotiating with the heavies.

The Juniors would not exist without the Village Clubs and thanks go to Presidents Michael McSweeney of Clovelly, Jamie Johnson of Coogee, David Shalhoub of South Coogee, Craig Standing of Maroubra and to their committees.

Thanks go also to Clarissa Luxford for the Randwick Newsletter which comes out each week. This has given the Randwick Juniors sensational coverage over the last twelve months.

### Randwick U13 Gold Coast Tour

On Monday, 30 September, 2013 twenty excited players and a few nervous parents boarded the plane for the short trip to the Gold Coast. Shortly after landing we found ourselves being briefed by the Staff at the Tallebudgera Recreation Centre. After lunch we had our first activity which was high ropes climbing. The boys had to work in teams of four, communicating and working together to ensure each climber went up and down safely.

The highlight was seeing Will Scribner doing the high beam walk after initially having trouble coming to grips with his fear of heights; well done Will. At night it was all hands on deck as we tried to get twenty excited players to bed at a reasonable hour.

# Day 2

After an easy morning of swimming and a light training run, we hopped on the bus and travelled south to Lennox Heads for a game against the local side in the afternoon. In gale force conditions both teams started tentatively before Randwick took command and ran out winners to the tune of 31 - 5. Many players had strong games; Richard Tamate got things going forward, followed by Michael Hooper Tau running freely which allowed backs, Ben Baker and Hayden Pomare room to move. Charlie Baker handled the conditions well from fullback. Forwards Luke Johnson, Max Cranfield and Byron had handy games. Dan Andrews kicked 4 from 5 in the trying conditions. In the evening the boys played Dodge Ball back at the Recreation Centre.

# Day 3

This was one of the highlights for the boys, a day at WET'N'WILD. Once we set up camp in one of the shelters, the boys scattered in all directions like ants at a picnic. The boys had a ball, some went and tried the wave machine, and some attempted the stand-up boards, where upon falling off they got swept up the back to much laughter. That night back at the Centre, the lights were on at the football field, so some of the boys kicked around a football with the Caboolture Girls under 15 Soccer Team. They breed them tough up north.

#### Day 4

All hands on deck for a full day of activities at the Centre: surfing in the morning; after lunch it was rock climbing and then a new activity at the Centre, the Giant swing. One at a time the players were hoisted up 20 metres by the other nineteen boys. Then they counted down, pulled the cord for a free fall before the rope takes up the slack and the boys swing back and forth until they stop. All the players completed the task, including Ella my eight year old daughter. A great day was completed by everyone having dinner at the Surf Club. The boys, wearing their touring shirts, were excellent ambassadors of the Randwick Rugby Club.

### Day 5

The tour was drawing near to an end. Our final day featured a game against the Gold Coast Academy team, which won their state championship, at 12noon. We had a light run in the morning then lined up against our opponents. Some of them seemed old enough to drive to the game. Unfortunately we started slowly and soon found ourselves behind on the score board. As our confidence grew after each quarter, we were matching them. By the end the boys realised what they can achieve when they play with confidence. This is something to work on next year. Once again Richie took the game to our opponents and the rest of the boys followed. A special mention to Byron's younger brother, Jacob, who was not daunted when required to play against older kids. After a BBQ down at the creek we made our way to the airport with the same number of kids as we started with leaving behind nothing but great memories.

I have a number of people to thank for making this happen:

- Firstly, our Manager Anne, who organised the great deal on the flights, all the activities at the centre, the day at WET'N'WILD and all the transport etc.
- Randwick's Junior Co coordinator, Jim Dubos, for starting this initiative of the under 13s tour
  to the Gold Coast. Jim toured the previous year and was able to give us an insight as what to
  expect.
- Former Randwick player Michael Joseph, now living up north, was our liaison man and who
  helped organise the games. Personally it was great to catch up with one of my old team
  mates and coach from my playing days.
- To the parents who stayed on site, Caroline Latu, Taryn Rudolph, John Andrews and Kieran Wallington a big thank you for your assistance keeping the boys in line
- To Ray Tau who organised the tour shirts and who would giggle at us every time he was going back to his 5 star accommodations after spending time with us.
- To all the Players who toured, WELL DONE! I hoped you had a great time and came away with great memories that will stay with you for a long time.
- Lastly, to all the parents that helped raise the funds to send their son on this great trip. Another big thank you.

### 1973 UK Tour Reunion

On Friday 24 May 2013 a 40 year reunion dinner of the 1973 Randwick Rugby tour of England, Wales, Italy and Singapore was held at the Randwick Rugby Club. The following day, attendees watched the Randwick v Southern District games at Coogee Oval. Reunion attendees were particularly impressed by the discipline showed by the Randwick team who never kicked the ball in the 2nd half and bravely ran the ball from their own goal line time after time to record a really outstanding win over one of the competition leaders.

27 of the tourists were able to attend, there have been nine who have sadly passed away since the tour. The coach, Bob Outterside, gave a brief summary of the games played against some of the strongest club sides in Europe namely Sale, Richmond, Llanelli and Milan.

Everybody was given a chance to remember social and rugby highlights from the tour and the wonderful hospitality shown throughout. The team won 9 out of 13 games played.

Those able to attend were Doug Alexander (visitor), Graeme Bampton, John Berne, Henry Bragg (visitor) Ken Brown, John Catterson, Ray Evans, Chris Faulks, Dave Habler, Ian Kennedy, Kevin King, Tony McCarthy, Damien Maree, John Mayo, John Mison (Manager) John Neill, Alan Norley, Bob Outterside (Coach) Peter Primo, Jerry Rodden (visitor), Dave Rowley, Terry Ryan, Jeffrey Sayle, John Turner, Dave Watson, John Weber, Ton Wharton (visitor) and Warwick Wheeler.

Apologies were received from: Steve Bond, Ken Bullivant, Bob Dwyer, Brian Fahey, Alan Gaffney, Alan Hoiles, Alan Langford, John Maxwell, Dave Newstead, Alan Sing, Vic Singer, Pat Slyney, Graeme Stevens and Ross Taylor.

#### **Treasurers Report**

#### Treasurers Report – year ended 30 September 2013

The Club performed strongly during the 2013 financial year despite continued tough economic conditions and the many challenges faced by club rugby. The 2013 financial year only covered a short 9 month period as we move the balance date to line up with the football operations season going forward. Despite the short financial year, the Club managed to post a total revenue of \$614,971 which is considerably higher than the revenue generated in the 2012 calendar year (\$570,115). The Club has also been able to post a strong operating surplus of \$132,167 (2012 \$16,153).

The Club has achieved this strong result through continuous improvement in efficiency and cost minimisation strategies put into place by the Board and by continued focus on alternative revenue streams and development of sponsorship relationships. The Club has finished the 2013 financial year in strong financial position and will begin the 2014 financial year on a positive note.

Once again, the Club was able to minimise its dependency on the Randwick Rugby Foundation Limited ("RRFL") and only called on \$75,000 of support for the year (2012 70,000, 2011 \$100,000). \$15,000 of the grant for the year was dedicated to the players end of year tour to Hawaii.

I am glad to announce that Nick Ryan has recently joined the Club as the Director of Rugby. The Club will benefit from Nick's considerable experience in the management of both amateur and professional rugby clubs across Australia.

I would like to express my deepest gratitude to all our sponsors and donors for their continued support especially in these difficult economic times. The Club continued to receive unreserved support from its many loyal volunteers and supporters, representative players, coaches, support staff and other well wishers internal and external to the Club. I thank you all for your support as this great Club would not be able to function without its many volunteers and supporters.

Finally, I wish to inform you that I am not standing for re-election after four years as Treasurer of the Club. I thank all those who have supported me through this period including the 3 presidents (Jorgensen, Bell, Dwyer) and one acting president (Poidevin) for whom I served. I thank them and the other counsel members for their support. I am honored to have held the role and look forward to supporting the Club in other ways in the future.

Quentin Olde Honorary Treasurer

# Notes to the Financial Statements for the Year Ended 30 September 2013

# **Note 1 Statement of Significant Accounting Policies**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act New South Wales.

The committee has determined that the association is not a reporting entity. The financial report has been prepared in accordance with the requirements of the Association Incorporation Act New South Wales and the following Australian Accounting Standards:

# AAS 5: Materiality

# AAS 8: Events Occurring After Reporting date

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

# (a) Income Tax

The Association is a tax exempt body

#### (b) Fixed Assets

Plant & Equipment are measured on the cost basis. The carrying amount of plant and equipment is reviewed annually by the Association to ensure it is not in excess of the recoverable amount from those assets.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

#### (c) Investments

Non-current investments are measured on the cost basis.

The carrying amount of investments is reviewed annually by the Committee to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for shares in listed companies, if applicable, or such other criteria as determined by the Committee.

#### (d) Employee Entitlements

Provision is made for the Associations liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the Association to an employee superannuation fund and are charged as expenses when incurred.

#### (e) Cash

For the purposes of the Statement of Cash Flows, cash includes cash on hand, at banks or on deposit.

#### (f) Revenue

Revenue from the receipt of grants is recognised by the stipulated dates laid down by the supplier of the funds; revenue from the supply of services is taken into account when the service is undertaken; revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Dividend revenue is recognised when the association has established that it has a right to receive a dividend.

# (g) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of the acquisition of the asset or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

The Association is aided by its own Awards Subcommittee which carries out preparatory work and reviews nominees for consideration as Life Members. The Subcommittee, where possible, makes its recommendations to the Life Members Association which, in turn, forwards its advice to the Randwick Rugby Council. The Council then decides, based on a three fourths majority vote of Councillors, which names, if any, are put to the Annual General Meeting for election by Members where, again, a three-fourths majority is required by secret ballot.

# **The Wally Meagher Memorial Trophy**

The recipient shall be a player possessing the qualities of sportsmanship, courage and modesty. He should display a willingness to subordinate his personal interest to those of his Fellows and his Team and generously others along the pathway of Rugby and along the broader highway of life.

**Comments:** Any member may nominate a player for this award though, in practice, such nomination usually comes from a group of senior players referred to as the Player Committee. The nomination (s) are put to the Life Members Association which makes a recommendation to the Randwick Rugby Council. The Council is the final arbiter with respect to this award and does so based on a three fourths majority vote by Councillors. As with the Life Member nominations the Association's Awards Subcommittee plays an intermediary role in terms of preparatory work and reviews with respect to nominees for this award. The Wally Meagher Memorial Trophy is not necessarily awarded annually.

# **Randwick Rugby Hall of Fame**

The criteria for consideration and inclusion in the Randwick Rugby Hall of Fame are:

- The inductee must have been a distinguished Randwick First Grade Player
- The inductee must have made a considerable contribution to the game of Rugby and to Randwick
- The inductee must have enhanced his and Randwick's reputation by his ability, sportsmanship and character

**Comments:** Any member may nominate a potential inductee. In practice, however, such nominations are usually considered by the Life Members Association and forwarded to a Hall of Fame Committee comprising the Club President, a Convener appointed by the Randwick Rugby Council, the Club Archivist and two other Council appointees. The final decision regarding inductees rests with the Council. The inductees are selected by a vote supported by three fourths of the Councilors.

#### **Meritorious Service Award**

The criteria for the presentation of the Meritorious Service Award are that the recipient should be a non-playing member who has rendered outstanding service to the Randwick Football Club.

**Comments:** Any member may nominate another member for this Award. Nominations are then put to the Life Members Association which makes recommendations to the Randwick Rugby Council. The Association is assisted by its Awards Subcommittee which gathers information on the nominees and conducts preliminary reviews. The Council makes the final decision on this Award based on a vote by Councilors requiring a three fourths majority. The Award is not necessarily presented annually.

# The WT (Bill) Outterside Memorial Trophy

The recipient shall be a player acknowledged by his team-mates for his commitment to fitness, willingness to learn, loyalty to his fellows and to his Club and dedication to mastering the fundamentals of the Randwick Brand of Rugby.

**Comments:** Unlike all other awards this trophy is judged by the Player Committee and not by the coaches or other Club officials. The Committee includes the Club Captain and the Player Representative on the Randwick Rugby Council. The Trophy is awarded annually.

# The Ron Don Memorial Trophy

The Ron Don Memorial Trophy is awarded to the most improved player in the Club.

**Comments:** This Trophy was introduced in 1967 to honour Ron Don for his dedicated service to the Club and his continuous support of the players. He was Honorary Timekeeper 1955-59 and Assistant Honorary Secretary from 1957 until his death in April, 1967. Ron Don served in both positions

1957-59. Each year the winner of this Trophy is decided upon by the Club Coach and Assistant Coaches.

#### The Dick Quinlan Trophy

The Dick Quinlan Memorial Trophy is awarded to the best clubman in Fourth Grade.

**Comments:** Presented to the Club by Dick Quinlan in 1962 this Trophy is awarded annually.

The donor did this in order to focus attention on the players in the, then, lowest grade. He, himself, never played above this level but was proud to be a former Randwick player. Following his retirement Dick Quinlan gave many years of service to the Easts-Randwick JRU as a coach with the Randwick Central Club and later as its President. The recipient of this Trophy is decided upon by the Fourth Grade Coach and Manager. Dick Quinlan passed away in 1975.

# **The Laurie Argue Memorial Trophy**

The Laurie Argue Memorial Trophy is awarded to the Grade Team that scores the most number of tries in a season.

**Comments:** Promoted by the Life Members Association, the establishment of the Laurie Argue Memorial Trophy was endorsed by the Randwick Rugby Council. The Trophy serves to perpetuate the memory of Laurie Argue, a long-time and enthusiastic devotee of the running game. It is designed to recognise the team(s) that scores the most tries in a season and the respective

coach(es). The selection of the team(s) is determined from the Team Sheets completed by the Managers and the cumulative records of the Club Statistician.

# The Aiden Wilson Memorial Trophy

The Aiden Wilson Memorial Trophy recognises the best Colts Clubman of the year.

**Comments:** This Trophy was designed to honour the memory of Aiden Wilson, a talented inside centre who played in the Randwick Under 19 Colts Team of 2006. Tragically, he was killed in an unfortunate incident on Sydney Harbour on 25 November 2006. The recipient is decided annually by a joint decision made by the Colts Coordinator and Colts Coaches.

The remaining Club Awards are determined on the basis of the following two criteria:

Statistics kept on Manager Team Sheets and the records of the Club Statistician

Committees: the Club Coach and Assistant Coaches for Seniors and the Colts Coordinator and Team Coaches for the Colts.

# **Randwick Hall of Fame**

The inaugural induction of 16 past players into the Randwick Rugby Hall of Fame took place on 9 September 2010 at the Hilton Hotel. 700 people joined the Club to celebrate the first group of inductees. Former Wallaby Rod Kafer acted as Master of Ceremonies for this occasion. Rod again served the Club as MC for the second induction ceremony held on 21 July 2011. Again at the Hilton Hotel, 600 people were present to receive 7 additional past player inductees. The names of those admitted to the Club's Hall of Fame are listed alphabetically by years.
