President's Message

2018 has been very much a mixed year - sometimes sad, sometimes elating, sometimes depressing, sometimes inspiring.

We began the year on the most sad note, with the passing, during the off-season, of three great Randwick men – Peter Johnson, Ken Catchpole, Sir Nicholas Shehadie. All great men, great rugby men, great rugby players, Wallaby captains all. Our Club farewelled them from Coogee Oval with a moving ceremony before our first game of the season, with friends and families present – a sad but fitting tribute. Afterwards, in a quiet moment, Nick's widow, Dame Marie Bashir, spoke privately to me. She said, "Bobby. Rugby is the greatest of all the brotherhoods."

An inspiring moment, indeed.

At board level, we had similar emotions. Club Secretary, Doug Eggins, co-director, John Tuxworth and Life Members' Representative, Peter Court, decided to call it a day after many, many years of fantastic service – although we still continued to call on them from time to time. We did, on the other side, gain the considerable talents of three more ex-Wicks in Frank Back, Pieter Englebrecht and Ian 'Speed" Kennedy. We are singularly well served!

On field, the season progressed in much the same way.

With the grade teams, we were always impressed with their commitment and courage, elated with periods of genuine quality and sad, even depressed, at other times.

With the colts teams, we were consistently elated and inspired with the quality and commitment across the board. They clearly personified my feelings about our club – "Randwick. Always determined, never daunted - inspired and inspiring!"

All colts teams made the play-offs. 1sts and 2nds were both undefeated premiers. It doesn't get much better than this. Yes, it does! Add the number of sons and grandsons of old Wicks players to the number of Wicks Academy and Junior Clubs' players graduating through the ranks. It made us all feel very warm and fuzzy about our great Club.

And so we move forward to next season with enthusiasm and ambition with quite a few significant changes. Owen Finegan is no longer there, of course, but I know that he will continue to contribute, hugely as always, with our wonderful Academy and our junior teams.

Our beloved Club Patron, Jeffrey Leonard Sayle, has been taking an enforced rest, with a lengthy stay in hospital. At the time of writing, Sayley looked to be on the (perhaps long) road to recovery. Thank goodness, this occurred during the off-season. It would have been impossible to keep him away from Latham Park, Coogee Oval or from any away game, for any grade. Alan Jones accurately described Jeffrey, on air, as "the de facto father of every rugby union player in Australia." He certainly has that role for every Randwick player, and we look forward to welcoming him 'back on the paddock', very soon.

A new Club Coach, new to our Club, from the great Brothers Club in Brisbane (one great club to another), takes the reins and has already shown, in just a few short weeks, that his most impressive reputation and CV are well earned. We welcome Ben McCormack to this important role, congratulate him on his appointment and promise him all the support that we can muster.

Hadley Jackson moves up into the 1st Grade Coach role after an incredibly successful 'apprenticeship' with both our colts and grade teams. We similarly congratulate Hadley and promise him the same unwavering support.

A new Player Development program also, under Anthony Cutrupi, will be seen in force already. Anthony has seriously impressive credentials with St. George Illawarra RL in both strength & conditioning and injury rehabilitation and is a most welcome and exciting addition.

If we add these newcomers to our own Diane Long, Dr. Paul Raftos, and Dr. Adrian Cohen, I am most confident that our player welfare and development is in the very best of hands. This is, without a doubt, a medical and physiotherapy team to be proud of.

Travis Partridge, our General Manager, and Melissa Stone, in Sponsorship, Marketing & Events, continue to make major contributions off the field. Our sponsors, particularly our major strategic partners, consistently regale me with most positive comment about the fantastic support and contribution of this pair. We tend to ignore this off-field work that is absolutely vital to our future. Travis and Mel don't. Keep up the good work.

Last, and by no means least, I want to thank our board. They are talented and committed, Randwick people to their core.

I make the following comment in the most heartfelt manner,

"I am hugely proud to be associated with this group of people."

Sincerely,

Bob Dwyer

2018 Treasurers Report

The attached Profit & Loss report and Balance Sheet for the financial year ended 30th September 2018 continues the improved financial consistency developed by the Club over the past 5 years.

The Club's results show an operating profit \$54,447 (2016 \$29,828), an improvement of 83% driven by improved cash sponsorship income while gate and concession income increased by 25% and 16% respectively. Over the last three (3) years 2016/17/18 we have seen a resurgent Shute Shield competition with patronage increasing and the flow on assisting concessions. Gate income has improved 49% while concessions have increased 47%.

The Club produced a Net Financial Profit after depreciation (\$12,191) of \$42,256 (2017 \$19,828), an increase of 113%.

The Club continues to improve its strong financial position with cumulative retained funds including reserves standing at \$236,916. Contra Income has again been reduced this year to reflect more closely with the services provided. This reduction of \$20,000 is reflected in the total sponsorship income and distorts the comparison with 2017. Please refer to the table below for actual year on year comparison.

The improved performance in 2018 is a result of increased sponsorship, gate, concessions and control of costs as against budget. Net income (after expenses) from functions was slightly down this year after an improved offering in the Club's awards night. Ladies Day continued its resounding success and we thank the **Coogee Pavilion** for supporting this function.

Improved sponsorship renewals from **Suttons City Hyundai** and **The Randwick Club** trading as the **Coogee Beach Club** is testament to the support our patrons and members have brought to these partnerships. The **Beach Club** is currently undergoing a facelift and offers us an exciting time for a new home base in 2019. This year we welcomed Linden Toll and his debtor and cashflow finance services company **Apricity Finance** who sponsored the corporate lunch. We also thank Glen of **Rohrig Constructions** for increased involvement.

Without the ongoing contribution, from these new sponsors and existing sponsors, University of New South Wales, Rohrig Constructions, Maloney Grocers, ADCO, Cartwright Insurance, ESV Accounting, Bendigo Clovelly Community Bank, FTI Consulting, Coates Hire, Girvan Waugh, Bell Potter, Victor Sports Tapes, Beastwear, Building Partners, KMB Business Advisors, Paddington Prestige Motors, Nura Gili (UNSW), Walsh Pharmacy and Sphere Communications we would not be able to represent the Randwick District with such distinction.

A special mention must go to the **Randwick City Council** for its ongoing support at Coogee Oval. 2019 will see the introduction of a new scoreboard and refurbishment of the changing rooms at Coogee Oval

A special mention must also go to sponsor and leading ground-breaking medical team lead by Dr Paul Raftos, **Maroubra Medical Centre**, **Eastside Physiotherapy** Di Long and **Neck Safe Rugby** Dr Adrian Cohen who are tireless in their support and efforts to provide a safe playing environment for the players and the development of a world leading concussion testing and treatment program.

As previously mentioned gate and concessional income continued to improve in 2018 especially with the increased interest patrons are showing in "Club" rugby. Revenue from Coogee Oval increased from \$145,757 to \$175,599 (+20%).

Our thanks go to **Field to Fork** (Paula & Gary Horwitz and Paul Miller) for their tireless efforts in running the provision of food and beverages on grade and colts match days. Their efforts along with the support from **Coogee Bay Hotel** as our beverage sponsor has played a large part in us providing a better experience for all our patrons. Their support and dedication is very much appreciated.

Costs have generally been held to budget and are in line with the previous year after taking into account increased signage costs, a bad debt and provisions for future tours and football operating expenses.

The following table compares key financial data.

	2018	2017	2016	2015	2014
Sponsorship Cash	\$409,918	\$405,332	\$342,500	\$274,000	\$159,640

Net Profit	\$42,256	\$ 19,828	\$5,664	\$(78,234)	\$6,934

We thank the **Randwick Rugby Foundation** for its continued support and contribution throughout the district in 2018. The **RRF** provided the seniors with \$65,000 and the junior body with \$35,000.

The Board thanks our loyal sponsors and donors for their continued financial support.

Special thanks go to those who contributed monies to the scholarship fund and to those who individually donated money to the Club's tax deductible "Randwick Rugby Development Fund administered through the Australian Sports Foundation.

Without this ongoing support, the Club would not be able to invest in the development of our colts and the future school's program.

The board would also like to thank all our loyal volunteers, coaching staff, support staff, representative players and supports who faithfully assist at the junior club level, coaching academy and who come to each match.

I recommend to you for approval the attached Profit and Loss Report, Balance Sheet and Annual Report for the 12 months, financial year ending 30th September 2018.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

(c) Investments

Non-current investments are measured on the cost basis.

The carrying amount of investments is reviewed annually by the Committee to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for shares in listed companies, if applicable, or such other criteria as determined by the Committee.

Provision is made for the Association's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the Association to an employee superannuation fund and are charged as expenses when incurred.

LIFE MEMBERS ASSOCIATION REPORT

On behalf of the current members of the Life Members Association, I congratulate and acknowledge the achievements of all of the playing group for 2018 especially both Premiership winning teams Colts I and Colts II. Hopefully their success will lay the foundation for a successful 2019 season in all grades.

The season itself got off to a sombre occasion at the first home game of the season when we unfortunately celebrated the passing of three of our greatest players and clubmen in Sir Nicholas Shehadie, Ken Catchpole and Peter Johnson. A fitting tribute was paid on the day with rugby jumpers painted on the playing service with their names and playing numbers on the back and a minute's silence was held in respect of their passing.

Sir Nicholas Shehadie, was a Life Member of the Randwick Club, a former Wallaby and former Lord Mayor of Sydney and is recognised as the person responsible for the formation of the Rugby World Cup in 1987 and its continuing success every four years on.

Ken Catchpole is widely regarded as Australia's greatest ever player, the world's best halfback and an ornament to the game. His playing companion Peter Johnson is also highly regarded as one of the very best hookers to have played the game. May they all Rest in Peace.

The Association held monthly meetings throughout the year and was asked by the Board to this year help supervise the setting up of Coogee Oval for home games by supervising the players rostered for that day to erect signage, on field markers and hessian around the fence. I am pleased to report that everyone fulfilled that role admirably.

During the course of the season there were a number of exchanges of opinions and suggestions from the Association to the Board on issues the Life Members thought would improve the Club's performances, presentation and any other issues considered worthy of debate. Once again we were guests of the Board in the Sponsors area for one of the games and we were grateful and enjoyed meeting and interacting with the Sponsors and Board Members.

New Life Members

At the 2017 Annual General Meeting of the Club, two long term players and coaches in Mark Giacheri and Stu Wheeler were elected as Life Members of the Club. Both have performed outstanding service to the Club and we should congratulate them on their election to the Life Members Association.

2019 Season

We wish all the players and coaching and administration staff a successful season in 2019

Ian Kennedy A.P.M.

Chairman

The RDRUFC extends its condolences to the families of

Randwick Rugby Foundation Report

Our recent 2018 AGM marked the end of an era.

Peter Sweeney, our Chairman, retired as did Jeff Sayle and Peter Court; all have been made Honorary Governors.

For those who are not aware Peter had a double lung transplant a couple of years ago and he has been a major worker for the Randwick Rugby family for decades. Peter in fact was largely responsible for negotiating the large price for the old Randwick Rugby Club building and also in saving most of the funds which still remain in the Foundation.

Our current Foundation Directors and Members are Jon Collins our new Chairman, Bob Coombs Managing Director, Alan Gaffney, Doug Eggins Secretary, Brian O'Sullivan Chairman of Investments, Des Sims, Michael Jorgenson, Michael Daley, Ian North, Quentin Olde, David Park, Frank back, Lorraine Gaffney and Allen Stutchbury who are all working hard to ensure that the Randwick Rugby family prospers.

I talk of the Randwick Rugby family because our support is to the main RDRUF Club and also to Randwick juniors and to Coogee SLSC, all of whom are responsible for looking after and nurturing our children in rugby, life-saving and producing wonderful Australian citizens.

Since 2004 the RRF has donated over \$2million to those various recipients.

We believe in total transparency and as such I can reveal that we have about \$2.5 million invested with Macquarie Bank with a strategy of 'protection of capital' and have made profits almost every year since 2004.

We also have the good fortune to have some great advisors including Simon Poidevin, John Tuxworth, Ian North and Brian O'Sullivan to guide us.

We have budgeted to provide grants totalling \$100000 for 2019 and if the economy improves we may be able to increase this.

Bob Coombs

General Manager's Report - Travis Partridge

2018 was a year of change and transition for the Galloping Greens. Nick Ryan (Director of Rugby), Shannon Fraser (1st Grade Coach) and Mick Stephens (Head of High Performance) moved elsewhere to new roles. Many thanks goes to Nick, Shannon and Mick for their contributions over the previous seasons.

Our Club is based on strong junior foundations; the Junior Clubs continue to do a terrific job in our District. Many thanks goes to David Caple who does an incredible job with our Junior clubs, a task which is difficult but hugely important to our game growing in our area. Jim Dubos continues his great work with the Academy and numbers continue to grow. This year, the senior Club integrated with the Academy sessions at Coogee Beach on a monthly basis linking the Academy and senior players.

The Women's game continues to go from strength to strength and this year the Randwick Magic continued their growth and success as a leading Women's 7s club. Plans are in place to expand to a 15s product through 2019 and ensure that we continue to create a pathway for girls and women in our district to participate at 7s or 15s level. Grateful thanks goes to Fidel Tukel who continues to work tirelessly to ensure the girls in our district have a pathway to participate in the game.

A new season, with new coaching staff provided a good change for players and coaches. Owen Finegan took the reins of 1st Grade and Club Coach role after assisting Shannon the previous season. A new coaching roster and new approach in pre-season led to a positive feeling leading into Round 1 vs Gordon at Coogee. A tough season for the 1st Grade squad on the field resulted however not without plenty of learning and development which should put the players in good stead for 2019.

Our Colts program continues to shine with our 1st and 2nd Colts going undefeated and securing the Colts Club Championship. Nick Hensley transitioned into the Colts Director role in 2018 and worked tirelessly to ensure our success over the previous seasons continued. Assisted by Hadley Jackson coaching 1st Colts the program was as strong as ever and we look forward to consolidating even further in 2019. With a host of players moving up to Grade in 2019 we are excited to see the impact the outstanding group of Colts players can make at Grade level.

As always our football program is backed by core pillars which continue to drive our on field success. Our scholarship program continues to thrive with the support of UNSW and the supporters of our Club Scholarship program. Our aim is to provide every player with an opportunity to study and improve himself off the field and we will maintain to continue this moving forward. We have recorded 54 players who have benefited from the Randwick UNSW enterprise in the past four seasons, a significant partnership that continues to grow and provide our players with a world class education at UNSW. In 2018 significant contributions from Greg Bell and Anthony Bell will enable us to continue to grow our Club Scholarship program into the future.

Our valued relationship with Suttons City continues to grow with the extension of the partnership for a further two years. This will extend our major sponsor partnership to the end of 2020. Many thanks go to Nick Fradd and Pat Borg for their continued support of Randwick Rugby.

Randwick Labour Club acquired the premises at the Coogee Bowling Club in 2018 and renamed the club "Coogee Beach Club". This provided all Randwick players, supporters, staff and sponsors a welcome place

to go after each match and the new direction proved a huge success. We look forward to continuing this relationship into the future to further establish a home for Randwick Rugby.

As with any rugby club we couldn't operate without the services of our volunteer base. From coaching staff to match day staff, the volunteer base continues to fuel and drive our club and without the hours of service from so many we would struggle. A big thank you goes to all our volunteers; the board, coaching staff, managers, match day support and club medical team.

2019 promises to be a very exciting year with an influx of Colts players through to our Grade program. We look forward to the continued support of our fans and the dedication of our playing group in 2019.

First Grade Report

Coach: Owen Finegan

Assistant Coaches: Patrick Phibbs, Richard Stanford

Manager: Peter Meagher

Captains: Lachlan Anderson, David Horwitz, Jack Johnson, Ben Starkey

The Randwick Rugby Club has a steep tradition of winning. Given that we played in only four finals matches this year, compared with all seven in 2017 in totality it was a disappointing year for our grade teams. This season at the Club we won two premierships in 1st and 2nd Grade colts compared to last season where 3rd grade colts were the only team to bring home some silverware.

One can only be excited after the performance of our colts and with over forty players eligible for grade next year. A greater playing base makes the goal of winning premierships and the Club championship is our goal as we move forward.

Although there were several pleasing components of our 2018 season, we are not satisfied and we have taken the opportunity to reflect upon the areas we need to improve and identify the people, the skills and the resources we need to help us go to another level in 2019.

The 2018 campaign began in early November 2017 on the new synthetic oval at Latham Park. We assembled a group of motivated men, encouraged a culture of improvement and accountability and attempted to stimulate a positive team identity for the game, the Randwick Rugby Club and community.

The pre-season offered a significant opportunity to improve our physical condition, further enhance the technical skill of the group and to build a strong whole of club culture across our Academy, Warriors, Colts and Grade players.

We learned a harsh lesson or two throughout the season with too many close losses, but always managed to learn from it and come back better the next week. Halfway through the year, we had a rising injury toll and our performances remained strong but were punctuated with periods of inconsistency with several close losses, drawn games and games snatched on or after the full-time siren.

We were acutely aware that the 1-2 percenters of performance really mattered and we could not afford the lapses in concentration that allowed several games to slip out of our hands. The commitment and the raw talent of this group was pleasing despite our season ending prematurely.

The leadership of the teams changed several times during the year with Lachlan Anderson, Ben Starkey, David Horwitz and finally Jack Johnson all providing stability. Despite our lack of consistency in an environment that unfortunately kept changing through injury, these men led us admirably.

Several players got an early taste of Shute Shield Rugby. The only way to convert inexperience into experience is by gaining the opportunity to learn on the run and through a willingness to risk failure to achieve success.

Throughout the 2018 season the Club had 54 players represent first grade. The season also provided 30 players the opportunity to play their first 1st grade game.

First Grade Debutants

30 players made their First Grade Debuts in 2018. The most the Club has presented was in the 2015 season with 36 players. This was the most since Randwick was admitted to First Division rugby in 1923 when 24 players made their First Grade debut.

Tom Wong, Dan Matthews, Alex Hills, Tom Nowlan, Sam Musgrove, Ikapote Tupai, Harry Tyson, James Ramm, Nick Wilkinson, Andy Marks, Patrick Pelligrini, Max Page, Justin Cooper, Declan O'Donahue, Alexander Moon, Ryan Powter, Anthony Vasilis, Lachlan Miller, Will Harrison, Ben Donaldson, Kiernan Rabie, Ryan Block, Dave Puchett, Ben Hunt, Bryan Croke, Christian Yassmin, Shane Byrne, Nic Andrews, Patrick Rumble and Triston Reilly.

Congratulations to the Award winners for 2018

Best and Fairest: Jack Johnson

Most Appearances and Most Improved: Lewie Taie 18 games (played every minute)
Leading Point Scorer: Harry Tyson with 67 points from 9 games

Leading Try scorer: Christian Yassmin 11 Tries

A special mention must go to our players who were selected at the end of the season to play NRC. These include David Vea, Cameron Betham, Ben Donaldson, Jack Hayson, Jack Johnson, Sam Croke, Mitch Short, Latu Latinipulu, Christian Poidevin, Kiernan Rabie, James Ramm and Will Harrison.

Off the field there has been a great team working to get the players in a position to perform. To my fellow coaches in first grade, Patrick Phibbs and Richard Stanford, thanks go for your highly

respected assistance throughout the season.

Second Grade Report

Coach: Ben Rutherford

Manager: Bill Davies and Tom Fahy

Captain: Declan O'Donahue and Bryan Croke

With a young and inexperienced yet energetic and exciting squad, the 2018 season offered endless possibilities.

A tough start in round one at home quickly illustrated what was required at this level and thankfully the team bounced back well on the road in week two. Unfortunately this would develop into a pattern and become the story of our year, never really building momentum and hitting our straps. Injuries to key guys and the graduation of colts to first year grade players, exposed the group to a variety of scenarios that were unfamiliar and uncomfortable. Several tight games ended in losses, with our inability to do the basics well for a sustained period of time cruelling our chances of playing finals footy. Often the team would start incredibly well before falling asleep and allowing opposition sides back into games, with results against eventual minor premiers Easts and finalists such as Eastwood, Manly and Warringah harsh reminders of wasted opportunities.

With plenty of 'on-the-job' learning, it was a chance to fast-track the development of the next generation of talent within the club. Several promising players such as Dave Puchert, Justin Cooper, Tom Nowlan and Patrick Pellegrini, amongst others, had the opportunity to play 1st grade – here's hoping these were the start of successful, long term 1st grade careers at Randwick. Our Best & Fairest was a tight battle and came down to the last round where back-rower Ikapote Tupai just pipped lock/back-rower Ryan Powter. Both players embodied the no-frills, do your job and physically impose yourself mentality we drove the group to deliver each week.

Highlights throughout the season included:

- The win at home against Norths with defence the key - the commitment to out-work and physically dominate the opposition was outstanding. More importantly key members of our team had made the switch from Norths to Randwick under difficult circumstances and were rightly rewarded for taking the risk and backing themselves.

- The complete annihilation of Sydney University at home when every man and his dog no doubt expected the opposite, especially with the group down on troops. After a tough season – it was great to see the team back themselves and play sensational attacking rugby mixed with repeat defensive efforts.

I'm hopeful these highlights act as catalyst for the future of the group. Driving higher standards plus accountability amongst each other whilst building belief through hard work in the off-season will ensure 2019 sees a drastic change in results and the realisation of the talent we have on hand.

A huge thanks to Assistant Coaches Joel Rivers and Matt Buckland – your hard work and dedication throughout the year was very much appreciated and I enjoyed working together. Captain/s Declan O'Donahue and Bryan Croke worked hard to inspire teammates and wore their hearts on their sleeves – thanks boys. Last but not least – our every reliable managers Bill Davies and Tom Fahy – thanks for generously offering your time and looking after our lads.

Up The Wicks! Ben Rutherford

Third Grade Report

Coach: Danny Grant

Assistant Coaches John Catterson and Joe Picone

Managers: Allen Stutchbury

Captain: Patrick Hodgetts

The season started early with pre-season training commencing in Nov 2018. We would like to thank all those that have assisted in the 3rd Grade Team this year, especially Owen, Anthony, Phil, Richard, Matt and all the other coaches, Travis and Melissa and the many other volunteers.

The 5 weeks leading up to the finals we beat four of the five teams in the top six. Finishing 5th we played Easts in the Qualifying Final who were again our nemesis's. The final score was 27-10 (five tries to two).

We tried to implement an aggressive style of play and meet Easts head-on. with our forwards leading from the front, Shane Byrne, Pat Hodgetts (C) and Henry Leslie in front row, Iain McGann and Alec Corcoran tried hard while the back row of Dave Akkersydyk, Sam Connor (B&F), and Finn Wright covered a lot of ground. The backs Tony Luxford, and Morgan Steyn led the charge with Doug Brown and Josh Ellison in centres and the wings Sepesa Loga-Toraga and Ron Streater- Mason with Kieran Knight at fullback all contributing.

Throughout the year there were many players who were involved and contributed to the success of 3rd Grade and we would like to thank you all for your efforts.

Thanks to the many players who contributed to 3rd Grade throughout the year. To mention a few, Finn as an 18-year-old proved that age is no barrier to dominating, Sam as B&F was always gutsy, punching well above his weight, the tight five with scrum dominating (thanks to Coach Joe), Morgan and Pesa developed throughout the year, Kieran was missed through injury but showed his class when available and Hodgy led from the front. Tony, well played and what a great effort reaching 100 games for the Club. Best wishes in Canberra next year.

Thanks to all our reserves, especially Adam Freier as it is not often that 3rd Grade players get the honour to play with a Wallaby.

From the team of Danny, Joe, Allen and John we believe that all the 3rd Grade players can reach higher grades if they commit to hard work and have a determination to improve.

After an 8 game winning streak this year, even beating the top 3 including Uni, Easts and Warringah we were unlucky to go down to Norths in Rd 18 (after beating them previously in the season) to not make finals. The 4th grade competition was sensational this year and only 12 points separated 1 from 6. As at Round 17 we were on the same win/loss ratio as 3,4 and 5th positions however those teams had more bonus points and that ultimately cost us the finals berth.

The season started very slowly and we didn't get our first win till round 4, then round 6 we beat Norths and started to gain confidence, with the week off in round 7 against Penrith we only managed to put 12 on a struggling 4th grade Manly side, where other top 6 teams had bonus point wins. In short between round 5 and round 17 we had only lost 2 games. Up until that last round if you flipped the second half of the season around Randwick would have been in 1st place of the 4th grade comp. That's how unforgiving footy is, even at this level.

Anyone that knows any of my boys in 4s this year will tell you the same thing. We had a bloody good time, that back half of the season especially. Something that certainly we will build on for next year and really look to fulfil the potential of this extremely talented close knit group of players.

I felt gutted for them, the Club and our supporters after the Norths game, still trying to get over it now as I write this report. But you'll remember this fellas, and mark my word, you'll put it right next year!

Special thanks goes to Marty my assistant coach, Kai the ever smiling ball boy, Paul and Di for patching the boys up whenever they needed it, to all the physio staff and also to Jeff Sayle for his continuing support throughout the season. Also special mention to all my colt sons who came and dipped their toe in the murky waters of grade this year. You blokes were awesome and proved you are more than ready for the main stage!

Sonny Satuala, Clubman of the year. This bloke was a deadset legend, from playing 1st grade footy he came down to 4ths after an injury and decided to buy in and really get behind the program and Sonny I gotta tell you, we very nearly did it my friend. UTW!

Director of Colts Report 2018

The 2018 season for Randwick's Colts Program was successful and satisfying. The group qualified all teams for finals, won the Colts Club Championship, two premierships and took a significant step towards ensuring Randwick Rugby continues to have a promising future.

The group set out at the beginning of the season with a primary goal of winning the Club Championship, a competition Sydney University had dominated for the past two and half decades (losing only once). This goal was prioritized as it was an objective the group could achieve as a whole, with no division between teams and with accountability across the group.

Not only did our Colts win, they did it comfortably. A winning margin of 147 points equates to nearly three full rounds of bonus point wins, so the result was emphatic and thoroughly deserved.

Premiership-wise, Colts 1 and Colts 2 collected silverware in 2018, and in impressive fashion. Both undefeated through 21 games, they finished their season off against Gordon on grand final day which kicked off lengthy and well deserved celebrations. Special mention must go to the Colts 3 players who reserved for Colts 2 throughout finals, genuine clubmen who volunteered their time to support their fellow mates on the path to a premiership.

To the players progressing to Grade in 2019, you have the potential to maintain the standards you set in Colts and continue to improve yourselves and the Club. Thank you for the service to the Club's Colts Program; the Club could not be prouder of what you achieved this year.

At a club like Randwick, every player's duty is to leave his jersey in a better state than that which he acquired. So to those returning, the exciting challenge will be to better what was achieved in 2018, as there's nothing stopping you and the new members of our Club!

Congratulations and thanks go to our coaching staff who work tirelessly to make this program better every year. Hadley Jackson, Peter Dumbleton, Tim Clifford, Kimon Tellidis, Nick Kellaway, Jack Roach, Michael Clarke and Mitch Aro all did a tremendous job this year and we look forward to their continued involvement in the Club for what will hopefully be years to come.

To our manager extraordinaire, Graham Neville, thank you! Graham was first to arrive each week to organise and take good care of our Colts 3 side (which is no mean feat considering some of the kick off times they were dealt this year!). Graham would then mentor and assist Mitch Aro during Colts 2 management duties, and then assume the reigns again as he kept the Colts 1 players and staff in check. Whilst much of your work is done out of sight, it certainly did not go unnoticed and was critical to the Club's success.

Further, our medical and performance staff of Jack Philp, Mike Broadbent, Di Long, Louisa McGinness and Dr Paul Raftos continue to keep our colts as fit and healthy as possible. The Club and our players could not operate successfully without your fine work.

Finally, to the Board and our Club staff Travis Partridge and Melissa Stone, thank you for the continuing effort and support. The Colts Program is improving each year and your efforts are a critical element in that improvement.

What a year was had with a fantastic group of players, support staff, friends and family, all of whom are now lifelong friends! To go undefeated in a season is something truly special, and the manner in which it was done was even more pleasing than the 21-0 result.

This group of young men had talent, and lots of it, but what unlocked that talent was a work ethic and camaraderie that ensured we played our best when the pressure was on. Our job as coaches was then to play to the group's strengths, keep them confident and fresh and analyse what we needed to do to beat the Opposition on a weekly basis. I'm a firm believer that there is no luck involved at the business end of the year. Each unnoticed effort from the players, coaches and staff all came together to culminate when the pressure was at its greatest.

The most pleasing thing of the year when we look back is the fact that the boys didn't miss a beat all year. There was no game that we didn't play well or turn up. We were behind on the scoreboard only twice throughout the year. For a group of teenagers, this level of focus shows what they are about.

To have two home ground semi-finals in front of a great home crowd, and to put on a monumental performance against our biggest rivals Souths, in the Preliminary final running out 64-14 was something special and a reward for the club and the boys. I hope Coogee Oval becomes a permanent finals fixture because it sure gives us a lift and makes us even harder to beat. I believe that what the boys achieved this year will be looked back on in time and appreciated for what it was! They are a great young group of men, who I firmly believe can bring a lot of success to this great Club in the years to come!

We would like to thank Travis and Mel for all of their hard work, which all came together brilliantly over the finals series and Grand Final. Thanks also go to Bob Dwyer and the Board for their support over the year, and all of the friends and families who supported us and were there to bring the trophy home with us on Grand Final night!

We had a ball and can't wait to do it all over again! Hadley, Pete, Nick, Philpy and Graham

Season 2018 for 2nds Colts was not only a successful year in itself but it was an exciting glimpse into the future for Randwick Rugby. With the 2017 season finishing short of expectations, the playing group had added motivation to make amends in 2018. The depth of the Colts program, which is a credit to the hard work of Travis Partridge and Nick Hensley, meant the 2nds Colts were always going to be very competitive this year. One of the key elements to the team's success was the return of a number of second-year players, who were instrumental in creating the team's culture and standards. The team was led by Matt Orpen who set the benchmark for attitude and effort all year. Matt's on-field performances did most of the talking for him, which resulted in Matt being named Best & Fairest for the season and Man of the Match in the Grand Final. Other players who deserve special mention are Zac Carr, Jaya Yoannidis, Lachie Day, Latham James and Callum Quinn who were back for their 2nd year in Colts. This group of players was able to build on their experiences from 2017 and help create the competitive and confident environment for those new to the group. Hopefully one of the lasting memories from the season will be the style of rugby that was played. From the start of the year, the team backed themselves to score from anywhere on the field and execute plays at crucial moments of the game. The team had a clear focus on improving each week and it was this factor and mindset that maintained their high standards throughout the year. We had a big focus at training on developing the skills of all players, from 1 through to 15, which reflected on game day with 17 bonus point wins from 18 games in the regular season and 167 points scored in the 3 finals games. Hopefully all players will be back next year whether it be in grade or colts, as the talent coming through the Club means Randwick has a very bright future to come.

I'd just like to thank and congratulate Nick Hensley, Hadley Jackson and Peter Dumbleton. The 1st Colts were unstoppable this season and that was largely due to the effort put in from day 1. The 'club first' approach meant that not just the team but the entire colts group benefited from the outstanding leadership and support. It was awesome to be able to train with and against you all season, which I strongly believe was a significant factor in the success of both teams. Finally, my biggest thank you goes out to the other 2nds coaches - Kimon Tellidis and Nick Kellaway. Both of you were instrumental in the achievements of the team and more importantly the development of the players. The connection you had with the team meant that on top of the success we had with our on field performances, all those involved in the team had such a fun and enjoyable season.

Many returning players and lots of new players wanting to see what Randwick Rugby was all about turned up for the 2018 Season. Coached by one premiership-winning coach, a washed up suburban rugby player and a new international recruit, Thirds Colts was always going to be an interesting year. With over 30 different players taking the field for this team, combinations were always going to be difficult to make. Much like last year's team there was always the worry of losing players due to limited game time early in the season. However, to make finals in all 3 teams and come away with the Colts Club Championship made the coaches immensely proud.

It was always going to be a tough ask going back to back as a Colts 3s side. There were significant personnel changes with many of last year's team moving up in Colts or into Grade. This opened up spots for players to take and cement as their own. A couple of boys really took their opportunities this year in their last year of Colts, special mentions must go to Guy Beynon and Sam Canterella for their efforts and also to Posesione Lynch who took up the Captaincy and lead with his heart on his sleeve. I could name the whole squad here as everyone played their part.

Early in the season we had some very tough games, drawing with our Eastern Suburbs rivals and narrowly going down to Eastwood. The biggest question for the coaching staff was how we would get this large squad to gel over the rest of the season. We proceeded to have some big wins and some very narrow losses and a couple of draws which no one likes! At no point was there any doubt that this team could beat anyone if we turned up on the day.

We finished the regular season in 5th spot and had Sydney University in the knock-out quarter final. Having drawn and had a narrow loss with University earlier in the year it was a huge game for the boys. To be down 21-8 at half time and to be leading 25-24 with 90 seconds to go says a huge amount about how far the boys had come this year. Everyone that saw that game was lucky enough to witness what Randwick Rugby is really about. Every player in the squad played their own part, and although it was immensely disappointing to lose to a penalty on the buzzer there was nothing left on the field. The Club and supporters could not be more proud of the efforts of everyone during that game.

Special thanks must go to Mike and the physio team, Jack Philp S & C extraordinaire, the other coaches in the Colts program, specifically Co-ordinator Nick Hensley, Graham Neville the best manager going around in the Shute Shield and my fellow coaches, Michael Clarke and Mitch Aro. Thanks also go to the friends and family who supported the boys throughout the year.

See you all again next year!

Jack Roach

Club Captains' Report

Patrick Hodgetts and Declan O'Donahue

After 18 rounds of footy and another year gone, there was a range of emotion at the season's end. While the on-field results didn't always come, there has still been plenty to crow about, with a thriving off-field culture, strong Colts group and some good results in Grade throughout the year.

It was a mixed year in 1st Grade and although they didn't get the results they were looking for at the pointy end, it was not through lack of effort or passion. The grit and heart showed by the side in a number of close games gave the Coogee fans something to hold on to and there is no doubt the results will come. Well done to the boys and coaches, and not least Jack Johnson for taking home Best and Fairest, and Lewis Taie for playing every minute of every game including trials – a huge effort.

Of course, huge congratulations to Nick Hensley and the Colts with their success in winning both 1st and 2nd Colts premierships with both sides going undefeated. A true feat! On top of this was the Colts Club Championship being locked away at Coogee for another year with a round to spare, which is something that is truly impressive. The boys achieved great success together and did the Club proud.

The lower grades also had mixed results, with third grade being the only side to scrape through to finals although not without some crackers throughout the season. The Club has an abundance of talent that must continue to be nurtured and developed ranging from Colts through to stalwart 1st Grade players. As we move into the 2019 season it is important for the rugby program to develop both players and people on and off the field and the results will come, and the Club continue to rise.

Congratulations to several members of the Randwick family that were presented with the opportunity to represent their Club at higher levels, including Sam Croke (Aus 7s), Ed Kennedy (Scarletts), David Horwitz (Rebels/Connacht), Andrew Deegan (Connacht/Western Force), Jock Armstrong (Rebels). Mitch Short (Western Force/Waratahs), Andrew Kellaway (Waratahs/Northampton), Ben O'Donnell (Aus 7s), Henry Hutchison (Rebels/Aus 7s), Ned Hanigan (Wallabies), James Ramm (Aus 20s), Lochie Miller (Aus 7s), Dylan Pietsch (Aus 7s), Triston Reilly (Aus 7s), Simon Kennewell (Aus 7s), Harrison Goddard (Rebels), Lukhan Tui (Reds/Wallabies), and Esei Hanga'ana (Rebels). These players' successes are a reflection of the hard work and commitment instilled in them through their time with the Wicks – if only they could play more Club footy!

A special mention to Dave Horwitz in risking his contract with Connacht to share his knowledge and play footy with his mates on his 10 week stint back in Sydney. A true Clubman and someone that the Club dearly values (along with Field to Fork on Saturdays).

Of course, a huge round of thanks goes to our sponsors, supporters, volunteers, coaches and managers who give up their time to keep the Club ticking over. Our coaches, managers and volunteers only want the best for the Club and our current playing group, both on and of the field, and the boys know this. Club Rugby is so heavily reliant on volunteers and their love for the game, and it is the players and Randwick members that benefit. The support of our Wicks volunteers is something unparalleled and should be commended at every opportunity. Thank you!

Moving forward, there is a tremendous group of Colts that have created something special under Nick Hensley's guidance during 2018. The success of this group stems from the dual management approach between coaches and players, and the environment created was something special. It bodes well for the success of Grade in coming seasons having this group coming through. For Grade, the players remain performance focused and want to make sure that silverware is brought back to its rightful home in Brook Street, Coogee.

Off the field there has been a tight buy-in by the boys led by a social group that has really stepped up. It's great to have a home again in the Coogee Beach Club where the players, staff, supporters, family and friends are welcome to enjoy a beer or two and relax. We have a Clubhouse again, and only good things can come of it.

We will continue to rally and stay tight as we always do, grow as a group and pump up for 2019! Up The Wicks!

Randwick and South East Magic Womens and Girls

What a wonderful year 2018 was for the Randwick and South East Magic Womens and Girls rugby season. We had a state record close to 150 registered women and girls in 2018 and the results from this was evident.

Our youth girls were by far and away the stand out club in Sydney rugby 7s again this year, winning the SJRU Sizzling U7s competition in the U12s and U14s divisions. Coming 2nd in the U16s and 3rd in the U10s and U18s divisions. Next year South East Magic are already planning on entering teams in the Randwick minis for the first time, so looks like we will be going from strength to strength again in 2019.

Randwick Magic Open Womens this season not just cemented themselves as the best club team in the State, even the Country. The women's program entered 4 competitions this year, winning 3, narrowly missing out on all 4 trophies by 2 points. The Randwick Womens team won the Sydney Shute Shield Womens Competition, the Lake Macquarie 7s and also the Inaugural Western Sydney 7s tournament beating the national side of PNG in the final. Six of our Randwick Magic players recently made the Australian Womens team that won gold at the Oceania 7s just last month bringing our number of girls that played for Randwick and Australia this year to seven players. That with our 12 players that played at the National Uni 7s series level, we are clearly the National leaders when producing the next crop of National players.

Our Junior Randwick Magic team after coming a close 3rd in the Hong Kong Junior 7s rectified their loss to QLDs State Champions The Renegades, beating them in the final of the Sydney City 7s to win the SC7s in the Under 16s for the second year in a row. We also walked away with the NSW State Cup U15 title for the second year in a row, the first time any team had done this in the history of the NSW 7s State Cup. To top off this great season our U15 Randwick Girls won the first ever girls U15s 15-a-side NSW State Cup in a unified team with Blacktown Scorpions, creating a new pathway for next season's inaugural 15 a side Junior competition which we will be having a team in. These great results were the catalyst for six of our Randwick Magic Juniors being chosen to attend the Australian Youth Camps this year with our own Tia Hinds touring with the Australian Youth Team in December for the World Schools Championships in New Zealand.

With so much success this year we have already committed to many National competitions later in 2019, but firstly our womens team will be touring Europe to compete in the Amsterdam 7s in June in Holland and our Juniors will be playing in the Tournie De Capitales 7s in Paris, France in September. Let's hope we can add to our already bulging trophy cabinet.

Reports from Randwick Junior Village Clubs

Clovelly JRFC Report

As 2018 draws to a close, yet another season of Eagles' history is slotted into the history books.

Once again, over twenty teams crowded onto the picturesque but windswept Burrows Park every Monday and Wednesday afternoon for some fun, some time with new and old friends and, hopefully, some skills development from our dedicated group of Coaches.

There was a healthy mix of results across the competitive older age groups (10s to 12s) with an aggregate win to loss ratio just better than par. More pleasingly was that we had no teams in the bottom four of any of these Junior age groups. This contrasts to the past couple of seasons where we've had a couple of teams enduring a long season with a bit too much time spent standing under their own goalposts. My personal view is that it is not healthy to have any particular Club or team completely dominating and that kids learn more when they're losing (almost) as many as they win so, I think, we've got the balance about right.

A particular mention to our U12 teams who, after a tough season last year, trialled a new approach with a single large training group having a team in both the Sunday and Friday comps. The Friday team was more than competitive and the Sunday team took home the winner's trophy, which was a great reward for their long term, and long-suffering, Coaches, Angus Hayes and Bruce Jones (or Brangus). All benefited from the disciplined training approach headed up by Andrew Tweed and the approach made for a harmonious and enjoyable end of season tour to New Zealand as the culmination of their Eagles journey. Many thanks to all the departing Coaches, Managers and helpers who have been involved with this age group through, for many, their seven year tenure at the Club.

Our Minis in the non-competitive age groups continued to enjoy the mayhem that is a Saturday morning at Nagle Park where the focus is, rightfully, as much on the post-game red snakes and sausage sandwiches as it is on the results. Our devoted Coaches make sure the kids are incrementally developing their knowledge of the game, even if the kids don't realise it, and the dedicated Managers do the hard job of herding the cats making for an enjoyable morning for all.

Congratulations also to those players in our older age groups who enjoyed representative honours for Randwick this year, where the Club is well represented, and thanks to those who, usually in addition to their Club duties, put their hand up to help as well.

To our major sponsor, Will Foster of Foster Finance, along with Shane Vincent of Belle Property Randwick and the Clovelly Hotel, we cannot express our gratitude enough. In a time where we're all getting busier, to have to find the time to raise the funds you provide, in addition to the day to day running of the Club, would make it almost prohibitive to exist as a volunteer led organisation. I implore our parents in the Club to support these businesses as much as you can.

Many thanks also to the Eagles Committee members for all the anonymous work that allows the Club to function and to the Committees of both Randwick Juniors and the Sydney Junior Rugby Union, who, many may not realise, are also volunteer run organisations.

I reserve the biggest thanks for the, almost fifty, Coaches and Managers across the Club. You not only give up countless hours at the expense of work or personal and family time but are the face of the Club and the game to the children and are, in a large part, the determining factor as to whether they want to come back next year and play. As I have said before, this should be the only measure by which we judge the success of the Club so many thanks for carrying this weight and I hope you have the enjoyment and satisfaction that should go with the role.

The Committee hopes you have enjoyed your season at the Eagles. We wish you a safe 'off-season' enjoying the beaches and other activities we are privileged to be surrounded by, and look forward to seeing you all next year.

Coogee Junior Rugby Report

The Coogee Seahorses newsletters from 1976 and 1977 (The Black and White Rag) show that while some of the finer details may be different, like the cost of a seafood lunch, the 60th year of the Coogee Seahorses has been no different to the 59 that have come before it. Every year involves a group of volunteers, parents and children working together to put rugby teams on the field every week. One might ask how on earth they did it in 1976 without mobile phones and the internet but at least back then they didn't have the challenge of dragging kids away from such devices.

Some might think we are crazy however an objective of the current committee is to increase our player numbers, especially in the younger age groups, so it was pleasing to see large numbers of new faces after a big off-season recruitment effort last summer. 17 teams were fielded in 2018, which is three more teams than in 2017. We had around 189 registered players up from 170 in 2017 and I am pleased to say a large proportion of the increase was in the minis (U6-U9).

As a Club we look to be competitive, however the focus is to teach our children to play fairly and above all enjoy themselves! Parent sideline behaviour is an important part of junior sport, and I am pleased to say that as a club we have a good reputation in this area and had no reported issues. Well done everyone and lets never forget it is about the kids, not us.

In 2018 we continued to work on the standard of coaching in the Club. The club supports all coaches and potential coaches in obtaining formal coaching training. Nearly all our coaches attended the Coaching Kids Rugby Course put on by NSW Rugby specially for Seahorse coaches. Apart from an injury sustained by an U9 coach (age catching up!) this was a great afternoon. Many of our coaches are now looking to go onto the next level and complete Foundation Courses.

We also had several guest coaches during this season giving valuable support to our regular coaches. We were lucky to have past and present senior Randwick coaches, as well as visits from Waratah Paddy Ryan. The kids love these "celebrity" visits as do the coaches (it gives them a break!).

We had great support from sponsors in 2018 allowing us to keep registration costs down and provide our kids with the resources needed to run a club like ours. A big thanks to our major sponsor Mint 360 Property for their on-going strong support. Other sponsors included: Sensen Networks, Fi-ta, Courtyard Café, Coogee Pavilion, Currenti Constructions, Suite Control, and The Wright Physio. Thank you all very much for your support, we would not have a club without you.

The Club continued to be well represented at Randwick home games with big numbers of Seahorse jerseys always on display. This connection with the senior club is very important and is something we will continue to work on going forward. It's always good to see our kids out there playing on the ground between matches and at half time.

We marked the 60th Anniversary of the Club with a party at the Crowne Plaza Coogee. It was a fantastic night out with 150 people in attendance from across many eras of the Club. Thank you very much to Jacquie Folsom who organised the party and to Trevor Folsom and Investible for sponsoring the band, Jelly Bean Jam. Everyone danced the night away loving the old favourites from our youth.

The season is nearly over for most of us however 55 of our U10 and U11 players will not play their last game of the year until September 17 when they take on the South Brisbane Magpies on their home ground. The Brisbane Tour is a 45-year old tradition shared by the Coogee Seahorses and Brisbane Magpies. Andy Pryer, our tour co-ordinator, and his team have been working hard to organise the 110-strong touring party and we thank all who have helped with the fundraising efforts. No doubt this year's tour will again be a wonderful experience for our kids.

This season the Club was shocked by the leukemia diagnosis of one of our U12 players, Hugo Kulscar. In support of Hugo, the U12 Coach Cameron Habler and Manger Jo Habler organised a fundraising event for Hugo. This turned out to be great event demonstrating the strength of our Club and community. To date the initiative has raised over \$60,000, a fantastic effort. Our thoughts and prayers remain with Hugo and his family.

A Club like ours cannot run without the help of volunteers. We are fortunate to have an excellent group of coaches and managers across all age groups helping the kids every week. Thanks also to those parents who helped with canteens, BBQs and other jobs throughout the season.

Some special thanks need to go to our Committee for all their efforts in running the Club. Everyone is busy with work and family life and it is a big commitment to help run a junior sporting club so thank you all very much. We look forward to another great year in 2019!

Go The Seahorses!!

Maroubra Juniors Report

The Maroubra Missiles Junior Rugby Union Club ("The Missiles") enjoyed a great 2018 season, fielding eight teams across the U6, U7, U8, U9 & U10s age groups.

With last year's committee's kids all moving up to the Myrtle Green Warriors, it has been a baptism of fire for the new committee in 2018! Things got off to a rocky start with our two largest long-term sponsors deciding they would not be able to support The Missiles in 2018. Luckily, we have been able to forge new partnerships with The Bay Hotel and Diner, Eitan Rubinstein from McGrath Real Estate, The Bay Bakehouse and Champ mouthguards. This, along with the continued support from Nicholson & Saville Food Purveyor and a grant from NSW government has allowed us to continue to offer the kids great value for money. We have also been able to continue subsidising registration fees for kids who would otherwise not be able to play our great game.

Although we lost our whole U11s team from last year, our overall player numbers were slightly up on 2017. It has been particularly pleasing to see strong numbers in U6s & U7s which augurs well for the next few years. Our club motto is "Friendship and Fun" and our objective is to foster an active rugby community and promote the game in a well-structured, inclusive and fun environment (i.e. winning isn't everything!). We are starting to see this coming through in kids' attitude and it is great to see the lasting friendships being developed. The kids really enjoyed having both Bernard Foley and Kurtley Beale come down to help with training.

Off the field, the Club has continued to thrive. The annual trivia night was stepped up to the next level this year and is fast becoming one of the Eastern Suburb's social events of the year (ok, maybe that is a bit of a stretch but it was a bloody good night)! It was also very useful having a hotel as our main sponsor with the parents often having a Saturday afternoon "debrief" from the morning's games. The season officially ended late September with a great afternoon down at Maroubra Beach for our presentation day.

Last, but not least, a big thank you goes to all the volunteers in the club. We were very lucky this year to have a lot of new people with a broad range of skills join the committee. For a bunch of first-timers, I was amazed at how smooth everything went this year and I really do appreciate everyone's effort. Also, thanks to all the coaches and managers who have put in countless hours over the season and to all the parents and siblings who assisted with the BBQ duties.

One more thing, we built a new website this year. Check it out.... http://maroubramissiles.com.au/

Here's to an even bigger and better 2019 season at The Missiles!

Yours in rugby

South Coogee Junior RUFC "Red Devils" Report

In 2018, the South Coogee "Red Devils" fielded 6 teams across the U8, U9, U10, U11 and U12 age groups. The U10s experienced a 110% increase in player registrations from 2017 and ran two teams in 2018. The U8 and U9 Mini teams enjoyed the gala day like atmosphere at Nagle Park each Saturday – a set up led by David Caples that continues to impress all kids and parents who participate in Minis Rugby. And the junior teams from U10-U12 all participated in the finals with the U11 and U12 teams finishing very gallant runners up to Rockdale in two very skillful and entertaining grand finals at Latham Park.

Our small but robust club continues to receive extremely valuable support from fantastic sponsors who in 2018 included Marnie Seinor McGrath Real Estate, Freeda Jreige Property Management, Bendigo Community Bank – Clovelly, Coogee Legion Club and Two Fives Café – Rosebery.

In 2019, South Coogee JRUC will celebrate its 60th year. And in recognition of this milestone the Club has unveiled a new modern logo which incorporates designs of the past respectful of the Club's rich history.

Special thanks must go to the volunteer coaches and managers that support the teams each week and ensure the players enjoy every minute of their involvement and also to the hard-working committee comprising Heather Marshall, Justine McCarthy, Andrew Cleverley and Raffy Cleverley. And finally, thanks goes to all the players and parents who are central to the mighty "Red Devils" junior rugby club. We look forward to an even more enjoyable and successful 2019!

Ben Whitaker - President, South Coogee JRUC

Randwick Myrtle Green Warriors

Randwick Warriors Club is the only club in the Randwick District offering teenage club rugby, which is only played on Sundays in Sydney. The Sunday competition is graded: for example, there are six grades in the U13s

I am glad to say that the Club is another example of a thriving local rugby community working together for the good of the game. The Club formed in 2014 and was really struggling for traction and numbers at the beginning of 2016. However, the good news is that the Club doubled its numbers in 2017 and 2018 and is going from strength to strength with about 180 players registered this year.

A lot of hard work goes into the U12/13 transition from the four Village Clubs (Clovelly, Coogee, Maroubra and South Coogee) into the Warriors. Strong numbers in the U13s will carry on in later years and so, a successful transition is the lifeblood of the Club.

As it turned out, this year's transition was the best ever with two full U13 teams (46 players) and a very healthy waiting list. The Greens played in the A Division and showed great courage, skill and character in competing against the big boys of Sydney's West each week and just missed out on the Semis. The Whites had a tough start to the year but were eventually graded in E Division and finished off the season playing some scintillating Randwick running rugby; a joy to watch.

U14s fielded two teams, one A Division and one B Division. They didn't make the pointy end of the season but, with some outstanding talent, the Age Group came fourth in the State Championships and produced 4 representatives into the Sydney squad.

The U15 Whites (D Div) and Greens (A Div) had successful seasons both making the play offs. Probably just as pleasing were the numbers signing up with two full teams in the Age Group. Special mention to the Whites who introduced 7 new local players to the Club.

As founding President, Jamie Johnson, once said: "If you leave the light on, they will come". And that's exactly what happened in the U16s as the Age Group was flooded with over 30 players looking for a game. The team competed well in B Division.

There was no Opens (U17/18) team this year, which is consistent with the trend across Sydney. The reality is that there were only 6 teams in the Opens across Sydney, which no doubt is being looked at by the people that make the big decisions in the Code. Fortunately, we will have two U16s teams in 2019, with about 20 of those boys from non-rugby schools. So the Club will definitely have an Opens team in 2020 and hopefully next year as well.

This year there was a better connection between our Club and the Senior Club with plenty of Colts and Grade players attending our Super Sunday at Nagle Park in August and passing on their "Pathway" stories to the Warriors. We will be looking for an even stronger connection with the Senior Club next year.

I'd like to thank our sponsors: Mellick Wealth Management, Your State Agency, McGrath Real Estate Agency, Addisons Advisory and Bakker Built. Last but not least, I would like to thank the players, parents, coaches/team management and the Club's Committee for their dedication and passion for our great game.

Craig Bell President

Randwick Juniors Report

2018 was another fantastic year with an increase in numbers of juniors taking the fields in a variety of competitions across age groups 6-16 years. Randwick Juniors are extremely appreciative of every volunteer across all village clubs who man the BBQ each Saturday at Nagle for our minis comp. Without their generous support the clubs would need to find other means to raise funds to help get our kids on the field each week. A special thanks is sent out from all junior village clubs, parents and players to the Randwick Rugby Foundation. Without their ongoing support we would not have any kids playing rugby from our district.

Minis

The Randwick / Easts combined minis comp was once again a fantastic success. All age groups from u6 through to u9 were well represented by all clubs.

We continued this year allowing each age group to have up to 2 more players on the field at any time which in turn gave all of the players more game time and most teams took up the opportunity. (All teams were still forced to comply with the ARU pathways laws). A big thanks goes to the SJRU team for doing the draw to get these kids on the field.

Minis Gala Day

In 2018 an initiative from SJRU saw our teams travel for a minis carnival day. Teams travelled to all corners of Sydney this year and all reports were positive for this initiative.

Juniors

The juniors truly are a Sydney-wide competition consisting of a Friday night and Sunday comp. The Friday comp is mostly played out of Latham Park. At Randwick we continue to run a very good competition which saw us once again invited to host the Friday night finals series.

The Friday night comp consists of teams from the Randwick, Easts, Canterbury, West Harbour and Petersham areas and most age groups consist of more than 8 teams allowing for both cup and plate finals.

Sunday Comp

With the huge effort put into recruiting by the Randwick Warriors coaching staff and office bearers we witnessed excellent growth. This year the Warriors had teams in the following age groups

U13 x 2, U14 x 2, U15 x 2 and U16s. This is a great testament to the current people working across the Randwick District in recruiting players. All age groups performed well across the year with almost all teams on show during the semis.

Representative

We were fortunate enough to again submit 2 x U10 and 2 x U11 teams to this year's development comps. All 4 teams went through their respective comps almost undefeated. If we can keep these players in rugby we will have strong showings for the future. With Jim Dubos' hard work and the current crop of talented coaches coming through we are very excited for the future.

At the State Championships on the June long weekend we were able to field teams representing the U12, 13, 14, and U15 age groups.

All teams performed well and represented Randwick exhibiting the spirit of the game and playing great running rugby.

Several of our players this year went on to represent the Southern Zone and also NSW junior squads. A huge hand of congratulation goes out to all those players.

Randwick Junior Rugby Academy

Now in its 7th year the Academy is a benchmark for all other districts. No one can compete with ours. Owing to Jim Dubos' commitment and hard work we have a range of coaches from clubs to ex-wallabies coaching our kids on the finer points of rugby. The real mark of success for this development program is that we have seen Academy members graduate to all levels of the colts program and also to the Australian Schools team in 2017. In 2018 we now see some of our inaugural players pulling on the Waratahs jersey and also training with the Australian U20s team. Well done to those players and I am sure they will represent Randwick Rugby proudly into the future. The girls continue to participate in the Academy and are training on par with the boys.

There are a number of people and businesses that have contributed to the Juniors this year and I would like to acknowledge their support as without it we would not have a juniors.

- To Chris Dunn the juniors Treasurer for keeping us afloat and the books balanced.
- The Randwick Foundation for the ongoing investment in our juniors with every cent going directly into running costs for the junior's participation in the SJRU competition.
- To our young crew of junior refs turning up every Saturday morning to give our minis the best experience possible. Some of our refs come down to ref just one game and then go off to play school sports. Without that effort more coaches would be reffing as well as coaching on a Saturday morning. We also welcomed some enthusiastic Easts junior players joining us to referee at the minis.
- Thanks goes to our sponsors, Bakker Built, Traffic Plan Professionals, Mambo, Core Mortgage Group, A/Prof Ralph Mobbs Neurosurgeon POW, Addison Advisory Group and PM Installations.
- Jim Dubos for his tireless efforts with our rep and development program, and also the summer academy.
- And lastly but not least thanks goes to all of the clubs, the players, the parents and the merry band of volunteers for making the season such an easy one for me personally.

David Caple President

Randwick Junior Rugby Academy

We set out to create a pathway for our Junior players to

- Represent Randwick Rugby at the State Championships.
- Take the next step and represent Southern Zone (U14 U16).
- Play rep school boy rugby at the highest level (Australian School Boys).
- Play 1st grade Colts for Randwick and be selected to play 1st grade for Randwick.

Our goals still remain the same

- To put a structure in place to up skill our players.
- To improve our Village clubs performances.
- To increase fitness and basic skill levels.
- To improve our Rep coaches skill level by pooling the expertise from individual coaches so that all coaches have a broader knowledge of the game.
- By having varied off field training sessions in order to teach squad member to cross train.

Over the last two years we have achieved all of the above and it's a credit to the coaching staff we have all working as volunteers to help your son or daughter get to the next level.

Stu Donaldson, Geoff James, Rod Willey, Simon Poidevin and Jeff Sayle were involved as coaches from day one back in 2012 and are still on board today and I'm sure they are extremely proud of the results we have achieved below as are all our coaches. This year we have a pool of 35 coaches with well over 1200 years' experience.

2018 achievements by in-form Academy Graduates

- Tom Wong, Pat Pellegrini, Will Harrison and Ben Donaldson making their first grade debuts, Will and Ben while still playing Colts.
- Will Harrison selected in the Australian U19 team that played in the World Cup in France.
- 30 former Academy players playing grade or Colts.
- Randwick 1st and 2nd Grade Colts winning their respective competitions going through the season undefeated. A high percentage of these players were former Academy graduates.
- Christian Poidevin captaining the first grade Colts team and winning the Colts first grade Best and Fairest.
- Randwick Warriors (U14, 15, 16) represented at Southern Zone Championships.

The Academy is self-funded and we are thankful to our sponsors Coogee Legion Club, Addisons Advisory Group and John Currenti Constructions.

NSW Grade Premiers

The Randwick Club was formed in 1882 and has competed in the NSW First Division Competition from 1889 to 1899, in 1914 and from 1923 to date. There was no competitive rugby played from 1915 to 1918. The Club fielded Reserve Grade and Third Grade sides in First Division from 1908 to 1914. Comments: The above guidelines can be found in By-law 6 of the Club's By-laws. The Life Members Association must vet and make recommendations to the Council of members considered worthy for election as a Life Member pursuant to Rule 5(4) of the Club Rules. This Rule refers to the power of the Club to elect Honorary Life Members. The Association is aided by its own Awards Subcommittee which carries out preparatory work and reviews nominees for consideration as Life Members. The Subcommittee, where possible, makes its recommendations to the Life Members Association which, in turn, forwards its advice to the Randwick Rugby Council. The Council then decides, based on a three fourths majority vote of Councillors, which names, if any, are put to the Annual General Meeting for election by Members where, again, a three-fourths majority is required by secret ballot.

The Wally Meagher Memorial Trophy

The recipient shall be a player possessing the qualities of sportsmanship, courage and modesty. He should display a willingness to subordinate his personal interest to those of his Fellows and his Team and generously others along the pathway of Rugby and along the broader highway of life.

Comments: Any member may nominate a player for this award though, in practice, such nomination usually comes from a group of senior players referred to as the Player Committee. The nomination(s) are put to the Life Members Association which makes a recommendation to the Randwick Rugby

Council. The Council is the final arbiter with respect to this award and does so based on a three fourths majority vote by Councillors. As with the Life Member nominations the Association's Awards Subcommittee plays an intermediary role in terms of preparatory work and reviews with respect to nominees for this award. The Wally Meagher Memorial Trophy is not necessarily awarded annually.

Randwick Rugby Hall of Fame

The criteria for consideration and inclusion in the Randwick Rugby Hall of Fame are:

- The inductee must have been a distinguished Randwick First Grade Player
- The inductee must have made a considerable contribution to the game of Rugby and to Randwick
- The inductee must have enhanced his and Randwick's reputation by his ability, sportsmanship and character

Comments: Any member may nominate a potential inductee. In practice, however, such nominations are usually considered by the Life Members Association and forwarded to a Hall of Fame Committee comprising the Club President, a Convener appointed by the Randwick Rugby Council, the Club Archivist and two other Council appointees. The final decision regarding inductees rests with the Council. The inductees are selected by a vote supported by three fourths of the Councilors.

Meritorious Service Award

The criteria for the presentation of the Meritorious Service Award are that the recipient should be a non-playing member who has rendered outstanding service to the Randwick Football Club.

Comments: Any member may nominate another member for this Award. Nominations are then put to the Life Members Association which makes recommendations to the Randwick Rugby Council. The Association is assisted by its Awards Subcommittee which gathers information on the nominees and conducts preliminary reviews. The Council makes the final decision on this Award based on a vote by Councilors requiring a three fourths majority. The Award is not necessarily presented annually.

The WT (Bill) Outterside Memorial Trophy

The recipient shall be a player acknowledged by his team-mates for his commitment to fitness, willingness to learn, loyalty to his fellows and to his Club and dedication to mastering the fundamentals of the Randwick Brand of Rugby.

Comments: Unlike all other awards this trophy is judged by the Player Committee and not by the coaches or other Club officials. The Committee includes the Club Captain and the Player Representative on the Randwick Rugby Council. The Trophy is awarded annually.

The Ron Don Memorial Trophy

The Ron Don Memorial Trophy is awarded to the most improved player in the Club.

Comments: This Trophy was introduced in 1967 to honour Ron Don for his dedicated service to the Club and his continuous support of the players. He was Honorary Timekeeper 1955-59 and Assistant Honorary Secretary from 1957 until his death in April, 1967. Ron Don served in both positions 1957-59. Each year the winner of this Trophy is decided upon by the Club Coach and Assistant Coaches.

The Dick Quinlan Trophy

The Dick Quinlan Memorial Trophy is awarded to the best clubman in Fourth Grade.

Comments: Presented to the Club by Dick Quinlan in 1962 this Trophy is awarded annually.

The donor did this in order to focus attention on the players in the, then, lowest grade. He, himself, never played above this level but was proud to be a former Randwick player. Following his retirement Dick Quinlan gave many years of service to the Easts-Randwick JRU as a coach with the Randwick Central Club and later as its President. The recipient of this Trophy is decided upon by the Fourth Grade Coach and Manager. Dick Quinlan passed away in 1975.

The Laurie Argue Memorial Trophy

The Laurie Argue Memorial Trophy is awarded to the Grade Team that scores the most number of tries in a season.

Comments: Promoted by the Life Members Association, the establishment of the Laurie Argue Memorial Trophy was endorsed by the Randwick Rugby Council. The Trophy serves to perpetuate the memory of Laurie Argue, a long-time and enthusiastic devotee of the running game. It is designed to recognise the team(s) that scores the most tries in a season and the respective coach(es). The selection of the team(s) is determined from the Team Sheets completed by the Managers and the cumulative records of the Club Statistician.

The Aiden Wilson Memorial Trophy

The Aiden Wilson Memorial Trophy recognises the best Colts Clubman of the year.

Comments: This Trophy was designed to honour the memory of Aiden Wilson, a talented inside centre who played in the Randwick Under 19 Colts Team of 2006. Tragically, he was killed in an unfortunate incident on Sydney Harbour on 25 November 2006. The recipient is decided annually by a joint decision made by the Colts Coordinator and Colts Coaches.

The remaining Club Awards are determined on the basis of the following two criteria:

- Statistics kept on Manager Team Sheets and the records of the Club Statistician
- Committees: the Club Coach and Assistant Coaches for Seniors and the Colts Coordinator and Team Coaches for the Colts

Awards based on Statistics

- Milestone Awards
- Best and Fairest Awards
- Randwick Rugby Trophy for the Best and Fairest Player in the Club*
- CH Towers Trophy for the season's leading try scorer
- * From the Best and Fairest the Club Coach makes the final selection

Awards based on Committee decisions

- Best Clubman of the Year
- Rookie of the Year
- Club's Most Valuable Player
- Best New Player in the Club
- Colts Player of the Year
- Coach's Best All-Rounder on and off the Field #
- C J Windon Trophy (for the Best Back Rower)

This Award is made by the Club Coach. He may seek advice from the Assistant Coaches
